

## How to Login to TCC's WebAdvisor Portal

1. Go to TCC's WebAdvisor website: [wa.tccd.edu](http://wa.tccd.edu) and click log in:

2. Log in with your TCC Username, which can be found in your welcome email from TCC and your default password.

- **Your default password is the last 6 digits of your social security number.** Check with TCC dual credit personnel if you do not have a social security number.

- **If you can't find your TCC username**, click on **Password Reset & Help** at the bottom of the screen under Login.
- Click **What's my user name?**
- Enter your last name and EITHER your full social security number OR Colleague (TCC) ID Number. Click Submit.
- Record your TCC username for future reference.
- Now go back to the main login screen and enter your TCC Username and default password.
  - **Your default password is the last 6 digits of your social security number.** Check with TCC dual credit personnel if you do not have a social security number.

If you are not able to log in with your TCC username and default password, you will need to contact TCC's 27/7 Technical Support at **817-515-6411**. Let them know that you are a TCC Northeast student who needs help resetting your password. Your reset password will be the last 6 digits of your social security number. **You will need your TCC ID Number when you call.**

3. Once you have logged in with your default login, you will need to set up your password security questions. Be sure to save the answers you choose for these questions in case you need them in the future.
4. Next you will need to create a new password. Your new password must be at least 12 characters, with at least 1 uppercase, 1 lowercase, and 1 number.

Make sure you keep a record of your TCC username and updated password – you will need this to access class registration, TCC email, your class assignments, make payments for class, and more, via WebAdvisor and myTCC.
