The fees above do not include amounts charged when additional school personnel are required, or for supplemental equipment. The Director of Buildings and Grounds will designate what special employees are needed. Charges for those employees will be based on overtime hourly rates and will be the same for all classes of activities.

CATEGORY I	School-related groups and organizations and any civic organization, non-profit organization or recreational department within the bounds of the District that provides services such as scholarships, awards, recognition programs, or organized activities to the youth of the district. This includes self-funded clubs that have been approved by Board action in order to be sanctioned under PIAA.
CATEGORY II	Non-profit (has to have 501c3 status), government related and service groups from within the bounds of the District <u>when admission is charged or fundraising activities are conducted for profit.</u>
CATEGORY III	Groups from outside the Wyomissing Area School District or commercial groups or organizations within the Wyomissing Area School District.

The Superintendent will determine which category reflects the organization that is requesting use of facilities. Wyomissing coaches should also contact the Superintendent for fees regarding coaches camps.
