Meet the Teacher Night

On September 15, 2022, the Weatherly Area School District will be hosting a “Meet the Teacher Night” for all students in grades 1-5. The “Meet the Teacher Night” will run from 5:00 -7:00 PM.

The Elementary School (grades 1-5) will have teachers conducting presentations on the grade level expectations every thirty minutes. The first presentation will start at 5:00 and run until 5:25, and then continue with sessions at 5:30 to 5:55, 6:00 to 6:25, and 6:30 to 6:55. First and second graders will meet in their teacher's classroom. Third grade will meet in the ES/MS media center, fourth grade will meet in the ES/MS cafeteria, and fifth grade in the LGI room. Parents/guardians only need to attend one of the presentations per grade for their child. The presentations are staggered for guardians that have more than one student in different grade levels. This way parents should be able to attend a session for all of their children. All specialty teachers and special education teachers will be available in their rooms.

We look forward to another great school year. If you have any questions or concerns, please do not hesitate to contact me.
