TITLE 1

PARENT ADVISORY COMMITTEE

We would like to start by saying THANK YOU for helping us with our first Parent Advisory Council meeting. We appreciate you signing up to be on the committee. We wanted to let you know we did receive your confirmation to join us, but we are trying to accommodate parents and guardians to the best of our ability. With that being said, we have changed the date for our first meeting to coincide with Parent/Teacher Conferences.

If you did plan to attend a conference for your child, we were hoping you could schedule the time to meet with the teachers around attending our first meeting. We are trying to make the schedule easier for you by coming into the school just on one night for both events.

OUR FIRST MEETING UPDATED DATE:

NOVEMBER 22ND FROM 5:30-6:30

IN THE ELEMENTARY SCHOOL CAFETERIA

Upcoming Meetings:

February 7th and May 16
both 5:30-6:30.

We look forward to working with you and the other advisory members. Feel free to contact the school for more information.
