

Wrangler FAMILY Information Guide

2022-2023

Embracing the Whole Child by Ensuring High Levels of Learning Through P.R.I.D.E.

** This information guide may be revised during the year to align with the priorities of the school as they continue to be defined. There are some changes made in alignment with the most updated safety guidelines from the Corona-Norco Unified school district as it pertain to protocols for the COVID-19 guidelines for schools.

RONALD REAGAN ELEMENTARY MOTTO

Reagan Rally

We are Reagan Wranglers.
We Ride with P.R.I.D.E.

We are **P**ositive.

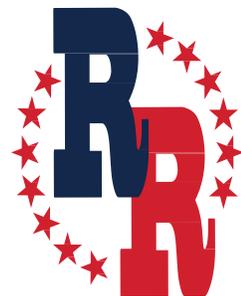

We are **R**esponsible.

We have **I**ntegrity.

We are **D**etermined.

We are **E**ncouraging to others.

Blazing the trail to success!
Yee Haw!

STUDENT EXPECTATIONS

Below is the Ronald Reagan Elementary Expectation Matrix which outlines expected behaviors in different areas of the school.

Your support is crucial. Students will respond and correct negative behavior only when the staff at Reagan and parents/family members work together. It is important for students to understand that they are responsible for appropriate school behavior anywhere on the school campus, on the bus or at the bus stop, walking to and from school, in the park, and at all school-related functions.

Ronald Reagan Elementary Expectation Matrix

	Working Areas (Classroom, Library, Computer Lab, Office)	Playground	Eating Area (Lunch Benches, MPR)	Hallways	Bathrooms
Positive	<ul style="list-style-type: none"> Team work Ready to learn Use manners Disagree appropriately 	<ul style="list-style-type: none"> Good sportsmanship Be polite Be patient with others Disagree appropriately 	<ul style="list-style-type: none"> Positive table talk Be kind Use manners Disagree appropriately 	<ul style="list-style-type: none"> Be courteous Disagree appropriately 	<ul style="list-style-type: none"> Patiently wait in line Disagree appropriately

CAMPUS PROCEDURES

In order to establish and maintain a safe and orderly campus, all parents, students and staff will follow the guidelines outlined below and on the following pages.

Visitors, Volunteers, Class Interruptions and Early Release

VISITORS ON CAMPUS:

We are happy to have parents volunteer in classrooms or otherwise visit the school. However, to ensure safety to all of our students and staff, our district has instituted a security system called Raptor. With Raptor, **ALL visitors will be required to enter through the front office ONLY where they will sign in and be issued a visitor's badge which must be worn while on campus.** A VALID DRIVER'S LICENSE, GOVT. ISSUED ID OR PASSPORT will be REQUIRED by all individuals EACH time they enter. All classroom visits should be scheduled beforehand with the classroom teacher. Access to the playground/lunch areas is limited to staff only during school hours.

VOLUNTEER APPLICATION PROCEDURE:

We love and encourage parent volunteers. All volunteers will need a volunteer application filled out and on file with the school office. Volunteers on campus for 4 or more hours per week and/or attending fieldtrips will need to be fingerprinted and provide a current negative TB test. When helping in the classroom or on campus, our district policy forbids us to allow children not enrolled in school to accompany adults or be in the workroom, classrooms or on field trips. Please contact the office if you have questions 951-736-7737.

Watch D.O.G.S./ Reagan Secret Service:

Continuing in 2022 is the Watch D.O.G.S. program which is school-based father involvement program that works to support education and safety.

As a program of the National Center for Fathering, there are more than 5,348 registered schools in 47 states that participate in the WATCH D.O.G.S. program, in addition to participation in China, Canada, Mexico, Puerto Rico and Barbados.

Who are Watch D.O.G.S.? Fathers, grandfathers, stepfathers, uncles, and other father figures who volunteer to serve at least one day a year in a variety of school activities as assigned by the school principal and/or parent volunteer.

CLASSROOM INTERRUPTIONS

To create and maintain the best learning environment for students, we strive to keep interruptions during instructional times to a minimum. Please make plans for lunch, homework, permission for an event, or after school arrangements with your child before they leave for school. If you need to drop off a lunch or other for your student, please leave it on the table in the office. Student Council members will run lunches to rooms just before designated lunch times. If a student does not receive their lunch, they will be instructed to check the table at the beginning of their lunchtime. If you must notify your child of a change during the school day, please call the office BEFORE 1:45 pm.

Because the **first and last few minutes of every day are so important**, we ask that you refrain from picking up students between 1:50 and 2:10 pm unless it's an emergency.

CELLPHONES/SMART WATCHES

Student safety is of the utmost importance. As such, many students have cell phones and, in some cases, smart watches to help keep in contact with family. At the encouragement of the classroom teacher, students may be asked to use their device for research purposes. Aside from these times, please ask your student to turn electronic devices off during the day to limit classroom distractions. Should a concern come up during the day, all students will be encouraged to come to the front office to contact family. Please remind students to turn their devices on at the end of the day so that communication can continue at that time.

RELEASE OF STUDENTS DURING THE SCHOOL DAY

All early releases must be handled through the school office. **The office will only release students to parents and persons listed on the student emergency card.**

If you have to pick your child up early:

FOR YOUR CHILD'S SAFETY AND PROTECTION – ID VERIFICATION WILL BE REQUIRED WHEN PICKING UP CHILDREN.

**Please be aware: early releases are equivalent to tardies.

Attendance, Tardies, Early Releases and Custody

ATTENDANCE

OUTSTANDING ATTENDANCE IS KEY TO A STUDENT'S SUCCESS. However, if your child does have to be absent, it is the responsibility of parents to notify the office. You can call the school office at **951 736-7737**. Please leave a message on the attendance line or with one of the office staff (not with the teacher). Give your child's name, the name of your child's teacher and the reason for the absence. Absences must be cleared within 10 days, or your child will be considered truant. Remember only illness, medical appointments, and funeral services are considered excused absences. For your convenience, you may leave absence information on the school recorder before and after school hours. A student may be removed from school enrollment after five consecutive school days of unexcused absence. Please inquire at the school office about completing an Independent Study Plan (at least 2 weeks in advance) when you are going to keep your child out for something other than the reasons listed above and for more than 4 days.

In order to encourage outstanding attendance, students will be acknowledged at our trimester assemblies who have:

- Three or less attendance occurrences of tardies, absences, or early outs for trimester 1 at the end of trimester 1
- Three or less attendance occurrences of tardies, absences, or early outs for **both** trimester 1 and 2 at the end of trimester 2

- Three or less attendance occurrences of tardies, absences, or early outs for **the entire year** at the end of trimester 3

For 2022-2023 school year, occurrences will be cumulative as the year moves forward to each trimester.

TARDIES

Any student arriving to their class after 7:45 a.m. is considered tardy. He/she must have a late pass from the office to be admitted to class. Students that arrive 30 minutes or more late are considered truant by state law unless they were ill or at a medical appointment. If a student receives over three 30-minute tardies during the school year, parents will receive a letter regarding these truanancies. Parents of students who are frequently absent or tardy may receive a home visit by the District Attendance Counselor and/or be requested to attend a Student Attendance Review Team (SART) meeting. Chronic absences/tardies (10%) will result in a SARB (School Attendance Review Board) hearing at the district office.

CUSTODY

In most cases, divorced parents continue to have equal rights, such as access to information, where their children are concerned. If you have a court order that limits the rights of one parent in matters such as custody, visitation, access, etc. you must bring a copy to the school office. Unless your court order is on file with us, we must provide equal rights and access to both natural parents. If both parents wish copies of student reports, discipline information, etc. please notify the child's teacher at the beginning of the school year.

Dismissal, Parking and Pick-up Procedures

DISMISSAL PROCEDURES

Bus Riders

Regular school dismissal time is at 2:10 p.m. At this time, bus students will assemble by bus route near the side parking lot/bus lane on Cherry Circle. Students will not be permitted to ride a bus home with a friend unless they regularly ride that bus. Getting off at a different bus stop requires written permission from the parent signed by the administration.

Walkers

Walking is great! We strongly encourage our families since they are in such close proximity to the school to try and walk to and from school. It's the healthy alternative and it reduces traffic congestion. We encourage walking every day and it is a wonderful way to spend time with your kiddos. Students who walk will enter and exit the school near at the side gates around the school.

Parent Pickup

All cars entering our parking lot must do so from the center gate on Fieldmaster and exit by making a right turn only from the North gate onto Fieldmaster. There is no exiting of vehicles along the curb at any drop off area or at red-curbed areas designated as fire lanes as per CVC 22500.1. In addition, any cars in the parking lot must be in a parking space. Handicapped parking requires either a permanent handicap sticker or a temporary handicap permit.

There is no parking or exiting your vehicles while you are in the drop-off / pick-up line. Please do not double-park to drop-off or pick-up your child and never block a driveway while waiting.

It is important to know that there is periodic presence of our local police and fire authorities. Unfortunately, this often results in tickets for traffic and parking code violations. Our hope is that by reviewing these procedures it will minimize traffic problems and at the same time hopefully limit the number of tickets for any of our parents.

These traffic rules are in place to keep our students safe, but we understand that they can also be frustrating at times, therefore, below are some ideas that may help you:

- leave a few minutes early for drop-off
- come a few minutes after the bell for pick-up (about 2:10 pm is the best)
- allow extra time for parking if necessary
- designate a pickup place other than the parking lot

In order to keep the sidewalk clear between the school and Half Moon Park, all First-Grade students will be dismissed from behind the gates between the Multipurpose Room and the park. Please meet your child inside the gates as you will be directed by the First Grade Team of teachers.

Lastly, please remember that teachers on duty have specific responsibilities and are there to help with the drop-off and pick-up procedures. However, if you have any special needs or requests, please do not hesitate to check with someone on duty as they will do their best to assist you. We want to thank you in advance for your patience, courtesy, and kindness during these busy times.

BIKE RIDERS

Students who ride a bike to school **MUST** wear a helmet! Students will need their own lock and should never lock their bike with another student's lock. All bikes must be walked while on school property. For safety reasons, only students in grades 3-6 are permitted ride bikes to school.

Scooters are considered to be in the same category as bicycles. Students must be in grades 3-6 to ride a scooter to school and must wear a helmet and lock them up in the bike racks.

Again, we appreciate your joining in our priority to make sure that all children are safe.

Health Office/Emergency Procedures/Emergency Cards

HEALTH OFFICE

Ronald Reagan has the services of a school nurse only a few days a month. A part time health-aide and the office staff oversee the health office the remainder of the time.

Students may be referred to the Health Office if they become ill or injured during the day. Our basic policy is that if a student is not obviously ill or injured and has no fever, we will ask that he/she remain in school. However, if a student is obviously ill, has an obvious injury, a suspected head injury, or has a fever over 100 and feels that they cannot remain at school, parents or someone on the emergency card will be called to pick them up.

Due to COVID-19 protocols, students who test positive for COVID-19 (regardless of vaccination status or lack of symptoms”

- Stay home for at least 5 days
- The student may return earlier than the 10-day isolation period, if all the requirements below are met:
 - No symptoms OR symptoms have significantly improved.
 - Fever-free for 24 hours without the use of fever reducing medication.
 - Submission of proof of a negative test taken on Day 5 or later (antigen test recommended).
- If test#2 is positive, the student has to stay home until day 11 either from the onset of symptoms or the date of the positive test (if the students had no symptoms) AND meet requirements above.

Student Medication:

If it is necessary for a student to receive medication during school hours (whether prescription or over the counter) the parent must bring the medicine to the school office in a pharmacy dispensed container with pharmacy label along with a medication form signed by the doctor and a parent with a new medication form submitted at the beginning of each year.

NO MEDICATION, INCLUDING ASPIRIN, OVER THE COUNTER MEDICATION OR TYLENOL, WILL BE DISPENSED WITHOUT A SIGNED RELEASE.

Parents may come to school and give medication to their child.

ONLINE EMERGENCY, ILLNESS, DISASTER CARDS

In the event that your child is injured, becomes ill, or if there is a natural disaster, every effort will be made to reach the parent. If the parent cannot be reached, efforts will be made to reach additional emergency contacts listed on the emergency card to take responsibility for your child. There MUST be at least two people with their correct phone number listed on each student's emergency card. Please list ANY person that MIGHT pick-up your child and PLEASE keep your emergency card current.

These people will be contacted if the parent cannot be reached. You can easily keep your emergency information (including employers) up to date by going online to update.

Classroom Information

CLASSROOM RULES

All students are expected to follow school rules associated with PRIDE. Along with this, each classroom teacher might have a unique but complimentary discipline system of expectations which will be communicated with you.

Positive and negative consequences vary from classroom to classroom and grade to grade to give teachers the freedom to choose those consequences with which he/she feels is best for the class/grade level. You will receive a set of classroom rules and consequences within the first week of starting school and/or they will be discussed with you at Parent Information Night (PIN).

FOOD/Drinks

Sharing is something we want to teach our students. However, we do have a strict policy of not sharing food. This also applies between siblings or family members due to the high number of students with severe food allergies on campus. At a glance, our teachers and noon supervisors may not know who is related. Therefore, if students are caught sharing food, they will be issued a warning. If they continue to do so, they will be issued a citation and consequence. Thank you in advance for reiterating this with your students and for your understanding.

Also, please be aware that only water will be allowed in the classrooms due to the possibility of spills, which not only stain our carpets, but also invite bugs and rodents. Thank you for your helping keep our classrooms clean for future generations of Wranglers.

HOMEWORK

Much of what a student is responsible for learning is through classroom instruction and discussion and cannot be replicated on a worksheet and therefore cannot be made up.

However, when a student has been out for two or more consecutive days, homework assignments or make-up activities may be requested (not required) by contacting the classroom teacher and/or visiting the teacher's website. Parents or students will need to arrange with the teacher when to collect and return the materials.

INTERNET ACCESS

RRES affords students access to the internet through their district provided Chromebook. In order for a student to access any school computer or laptop, parents must first complete online registration. This allows permission for the school year and will need to be completed by the beginning of each school year. This includes access to their district issued Chromebook on campus.

TEXTBOOKS AND LIBRARY BOOKS

Students will be issued textbooks by number. Textbooks are very expensive, and students need to be responsible for their care. Students who write in books, damage books, even by accident, or lose them must pay for them. Books are to be returned to school if you move, and each time you go off track.

Students may check out library books after the library clerk receives signed parent permission. If a student loses or damages a library book, they may not check out books until the lost or damaged book has been paid for. Permanent school records such as report cards may be held until all books are returned or paid for. In order to check out library books, parents/guardians must first complete online registration each school year.

PERSONAL PROPERTY

Every year, hundreds of personal items such as jackets, hats, and sweaters are lost/left on campus and never claimed. The best way to be sure that students do not lose personal items is to put your child's name on them with a permanent ink marker. Due to the large accumulation of these items, they will be donated at the end of each month. Please have your child check the multi-Purpose Room often if they are missing anything.

(Radios, electronic games, tape recorders, iPods, boom boxes, toys, balls, sporting equipment, skateboards and scooters are absolutely forbidden! Cell phone must be turned off during the school day and kept in backpacks at all times. Any of the above items will be taken from the child and held until a parent is contacted.)

HOMEWORK POLICY

CORONA-NORCO UNIFIED SCHOOL DISTRICT
BOARD POLICY 6350

Homework/Guidelines and Goals

The Board of Education recognizes that learning takes place both within and outside the classroom. Therefore, it should be emphasized that regular assignments outside the instructional day are an important part of the total instructional program. Such assignments shall be made according to the needs of the student and the nature of the subject.

Homework is defined as an assignment that is related to classroom learning and is an extension of such learning. Homework is completed outside class time.

Goals of Homework in the Corona-Norco Unified School District Shall Be To:

- * Extend or reinforce classroom learning
- * Aid in the mastery of skills
- * Teach students to budget time and use time wisely
- * Involve parents in the education of their child, but not require the parent to provide initial instruction
- * Provide opportunities for parent-child interaction
- * Prohibit the use of homework as punishment
- * Enable a student to make up work missed due to excused or justifiable absences, including suspensions.

Guidelines for homework when students are on-track

Although the District recognizes that quality more than quantity of homework is the key to its success; the district nevertheless recognized the need for guidelines regarding the amount of time which should be spent on homework.

The following chart suggests these guides as homework schedules for students. These schedules can be used for parents and teachers in monitoring student time devoted to homework.

K-3	10-30 minutes	up to 4 days per week
4-6	30-60 minutes	up to 4 days per week

Actual times will vary for each student.

Ronald Reagan is a *'Homework with a purpose'* school. As such, not all students/classes will have homework every day.

Guidelines for homework when students are off-track

Regular education

Homework shall not be required during the times when students are off-track unless agreed upon between the teacher and the parent or as part of an intersession. Teachers may assign long-term projects which extend over an off-track time as long as these assignments have incremental due dates, are made prior to the off-track time, and are not due immediately upon the student's return from being off track. Teachers must provide sufficient time to complete these long-term projects when students are on-track.

Graded Work

As a year-round school, Reagan teachers will have gaps between when report cards are due and the end of a trimester, typically 10-14 days. As such, teachers have the right to grade and submit classwork, homework, projects, and assessment scores that have taken place during this time to the following trimester when report card grades have already been submitted for the current trimester.

Student Recognition, Spirit Days, and Award Assemblies

STUDENT RECOGNITION

Reagan PRIDE tickets

Students who demonstrate the behaviors highlighted in our Reagan Rally will be recognized with PRIDE tickets or PRIDE Points. All staff members will give out these tickets for positive behaviors such as:

- following classroom, school-wide, playground and lunch expectations
- lining up when the bells rings
- completing all class work, etc.
- assisting fellow students who need help
- and other behaviors that are exemplified when they show Reagan P.R.I.D.E.

Students who demonstrate exemplary behavior will earn PRIDE tickets/points. Every 10 tickets will earn a prize from the PRIDE store. After 20 tickets/points, students earn their name on the PRIDE board in the office. Every 10 tickets after that gets a gold star added to their name. At the end of the year, students earning 5 stars will get a '5 Star Celebration.'

PBIS Rewards

We continue to utilize PBIS Rewards which is available to all staff. PBIS stands for Positive Behavior Intervention System. This new system will be available to all teachers and staff members on campus.

SPIRIT DAYS

Every Monday is *100 Mile Monday*. Students are encouraged to wear their 100 Mile shirts.

Every Wednesday is *College-wear Wednesday*. Students are encouraged to wear a shirt from their favorite college.

Every Friday, students are encouraged to wear spirit wear. Spirit Wear includes Reagan shirts, 100 Mile Club shirts, and students who intentionally wear Red, White, and Blue.

RRES TRIMESTER AWARDS ASSEMBLIES:

Each trimester beginning in September, an Awards Assembly will be held to recognize and award individual students for outstanding behavior and performance. Several awards will be presented at each trimester's assembly. Students can be recognized for achievements in a variety of areas and can be awarded Outstanding Attendance, PRIDE Awards, Trailblazer Awards, and Honor Roll for 5th and 6th grade students.

Letters will be sent home notifying parents of the date and time of the assembly and/or the teacher may follow-up with a phone call/electronic communication.

General Discipline Guidelines

GENERAL RULE: Respect others and follow established rules.

Disrespectful attitudes, gestures of obscenities and expressions of profanities made by students to their peers or to adults will not be tolerated on this campus and are not supportive of our P.R.I.D.E. culture.

GENERAL PLAYGROUND & LUNCHROOM CONSEQUENCES

Students who choose not to follow the playground and lunchroom rules may be given a citation that will be sent home notifying you depending on the infraction. Citations often result in a student being asked to sit out of recess or in more severe cases be referred to the assistant principal or principal's office. These citations do not remain on a student's permanent record but rather are a means to document a home to school communication.

NOON SUPERVISORS

Our Noon Supervisors are classified employees who are with our students for extended periods of time. As with any staff member on campus, Noon Supervisors have the authority to issue a citation and consequences based on the infraction from the student.

PLAYGROUND EQUIPMENT and PLAYGROUND ACTIVITIES

Students will be expected to use the equipment and play games by the rules and in the way they have been instructed by their teachers and/or playground supervisors. Students who participate in activities that involve the chasing of others and/or physical contact often result in injuries are therefore not allowed.

DISCIPLINE BY PRINCIPAL/ASSISTANT PRINCIPAL -Referrals

Sending a child with a citation/referral to the Principal's/Assistant Principal's office for disciplinary action is a serious matter. Our number one goal in dealing with every student is to change inappropriate behavior and help students make better choices. Students also need to understand that poor choices carry consequences. As you know, every situation is unique and may be dealt with differently depending on the severity. In order that everyone is informed about the Administrator's actions, the following procedures will be followed:

Students will be counseled by the Principal/Assistant Principal and appropriate consequences applied. A copy of the citation/referral will be sent home for the parent's signature and/or the parent will be called. If a citation/referral goes home, it needs to be returned to the office the following day. A copy of the citation/referral, with action taken, will be given to the teacher. A discipline record will be started for the student in the principal's office. In most cases, we do our best to notify parents letting them know that a citation/referral has been sent home.

More severe and repeated offenses may result in suspension from school. Also, be aware that the Corona-Norco Unified School District has a zero-tolerance policy for weapons. Students bringing a weapon or dangerous object to school will be recommended for expulsion. Please review this with your child. It is recommended that parents check their child's backpack daily.

Knives, sharp objects, cartridges, fireworks, play/real guns, or any other questionable personal items are NOT permitted at school and will result in a recommendation for expulsion. The school is not responsible for valuable personal objects. Personal items should be left at home and, if found, will be confiscated until a parent picks them up.

BUS TRANSPORTATION - STANDARDS FOR BEHAVIOR

The rules of conduct on the bus are easy and as follows:

1. Follow bus safety procedures.
2. Respect the bus driver and others.

CONSEQUENCES FOR VIOLATION OF TRANSPORTATION RULES

Bus citations will be issued by the bus drivers to students who do not conduct themselves in a manner that conforms to district standards of behavior. The enforcement of these procedures is the responsibility of the Principal/Assistant Principal. Citations could result in bus riding privileges being revoked or suspended. ALL RULES AND CONSEQUENCES APPLY TO STUDENT CONDUCT ON THE WAY TO AND FROM THE BUS STOPS, AT THE BUS STOPS AND ON THE BUS.

****Severe Clause****

Threats of bodily harm, acts of violence and unsafe actions shall be cause for immediate denial of transportation privileges.

PARK

During the school day, students may use portions of the adjoining park ONLY under the direct supervision of their teacher for physical education activities. Under no circumstances may a student leave the school grounds and go to the park unsupervised.

TO AND FROM PARK BEHAVIOR EXPECTATIONS

School rules apply to all students walking to and from school who pass through Half Moon Park. Park privileges can be revoked should a student abuse the privilege in which case parents could be requested to pick up their student from the office. Please note the park should only be used as an immediate pick-up area for your student. Unsupervised park play after school is not safe for your child.

Updated July 2022
