## Round-Up

AT FAIRDALE ELEMENTARY

WOW! Raleigh County Schools will be offering a Kindergarten Round-up at Fairdale Elementary School this summer during the week of July 18<sup>th</sup> to July 22<sup>nd</sup>. This summer program is to help your child ease the anxiety of starting school in August.

It is hard to believe that it is almost time for your child to start kindergarten. This is a very exciting time for your child, but it can also be overwhelming as well for both of you. We hope the Kindergarten Round-up will help make this transition easier.

Right now, you may be wondering...

Is my child ready to go to school? Will my child be scared? Will my child have friends in their class? What exactly does my child need to know when school starts? And so many more questions may pop in your head.

We are here to help. We hope to make you and your child feel better prepared and have a knowledge of common school procedures for the first day of school. If you would like for your child to attend, please return our hard copy form or complete an online form on the Raleigh County Schools website as soon as possible. Students must be 5 before July 1<sup>st</sup>. We will see you there!
