

HELLO STUDENTS & FAMILIES

It is a pleasure to introduce myself as the School Social Worker for Stanford Elementary & Beckley-Stratton Middle Schools. My name is Ms. Hawkins, this is my 3rd year as a School Social Worker in Raleigh County. I look forward to working with each and every student and their families this year!

One of my main goals is to ensure that every student attends school regularly, whether that is virtually, remote, or in-house. Showing up for school and taking the initiative to be actively involved has a huge impact on a student's academic success from Pre-K all the way through high school, and it is more important this year than ever!

Another one of my main goals is to ensure that every student and their family has their needs met and that they receive any additional supports needed to have a successful school year! Even though this year will be completely different than any school year we have ever had before, I want to let each of you know that you are not alone. We are in this together!! I am here to offer any supports needed to ensure your student's academic, social, and emotional success & well-being this school year.

Examples of Social Work services that can be provided:

- Behavioral support in & out of the classroom
- Emotional support/mental health services
- Academic support
- Support for families w/ students with academic, emotional, or behavioral needs
- Connection to resources (clothing, utility assistance, housing, transportation, etc.)
- Referral to Mental Health Services
- Attendance support for the student and the family

There are many services and resources that I would be happy to provide and share with you! Please feel free to contact me on Schoology, Microsoft Teams, email, or phone if you have any questions!

However, to make things easier, you can also open the camera on your smart phone or tablet and scan the code below, which will take you directly to a contact form! Fill out the form and I will be in contact with you as soon as possible!

HAVE A WONDERFUL SCHOOL YEAR, HUSKIES & BULLDOGS!

Sincerely,

Ms. Hawkins, MSW, LGSW
School Social Worker
