Re: Purchase of Waterford Reading Academy Program

Per NMAC 1.4.1.54 the Zuni Public Schools intends to purchase a reading curriculum program from Waterford called Reading Academy. The funds used to pay for this program will come from Federal COVID related funding which is to be used to mitigate the lost learning effects caused by the pandemic. The Reading Academy Program is the only program available that meets the needs of Zuni Public Schools that it is research based, and which has data to show its effectiveness. The district anticipates the cost of the program to be \$172,290. Should any entity desire to enter a protest against this purchase it must be made in writing within 30 days to:
