RE: CRRSAA

Dear Carver Student,

Carver had appropriations of \$264,375.23 left from the Institutional Portion of Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA section 314 (a)(1)) for student financial aid grants to be divided among all eligible students.

Student Financial Aid grant funds will be divided among eligible full and part time students based on program schedule and/or hours. An eligible student is one who is eligible for Pell grants or who would have been eligible for Pell grants, is enrolled in Carver during the Spring 2022 session.

These funds are reserved to provide students with financial aid grants, which may be used for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care.

Carver has 129 full-time students and 2 part-time students who meet the above criteria, and has equally divided the appropriated funds among the students based on full- time or part- time enrollment.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Lori McNabb", is written over a light blue horizontal line.
