The School District shall provide equal employment opportunities to all persons regardless of their race; color; creed; religion; national origin; sex; sexual orientation; age; ancestry; marital status; arrest record; military status; order of protection status; unfavorable military discharge; citizenship status provided the individual is authorized to work in the United States; work authorization status; use of lawful products while not at work; being a victim of domestic violence, sexual violence, gender violence, or any other crime of violence; genetic information; physical or mental handicap or disability, if otherwise able to perform the essential functions of the job with reasonable accommodation; pregnancy, childbirth, or related medical conditions; credit history, unless a satisfactory credit history is an established bona fide occupational requirement of a particular position; conviction record, unless authorized by law;

or other legally protected categories. No one will be penalized solely for his or her status as a registered qualifying patient or a registered designated caregiver for purposes of the Compassionate Use of Medical Cannabis Program Act, 410 ILCS 130/.

Persons who believe they have not received equal employment opportunities should report their claims to the Nondiscrimination Coordinator and/or a Complaint Manager for the Uniform Grievance Procedure. These individuals are listed below. No employee or applicant will be discriminated or retaliated against because he or she: (1) requested, attempted to request, used, or attempted to use a reasonable accommodation as allowed by the Illinois Human Rights Act, or (2) initiated a complaint, was a witness, supplied information, or otherwise participated in an investigation or proceeding involving an alleged violation of this policy or State or federal laws, rules or regulations, provided the employee or applicant did not make a knowingly false accusation nor provide knowingly false information.

The Superintendent shall appoint a Nondiscrimination Coordinator for personnel who shall be responsible for coordinating the District's nondiscrimination efforts. The School District expects the workplace environment to be productive, respectful, and free of unlawful discrimination, including harassment. District employees shall not engage in harassment or abusive conduct on the basis of an individual's actual or perceived race, color, religion, national origin, ancestry, sex, sexual orientation, age, citizenship status, work authorization status, disability, pregnancy, marital status, order of protection status, military status, or unfavorable discharge from military service, nor shall they engage in harassment or abusive conduct on the basis of an individual's other protected status identified in Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*. Sexual harassment prohibited by this policy includes, but is not limited to, verbal, physical, or other conduct. The terms intimidating, hostile, or offensive include, but are not limited to, conduct that has the effect of humiliation, embarrassment, or discomfort. Sexual harassment will be evaluated in light of all the circumstances.

Individuals may choose to report to a person of the individual's same gender. Every effort should be made to file such reports or complaints as soon as possible, while facts are known and potential witnesses are available.

Investigation Process

Any District employee who receives a report or complaint of harassment must promptly forward the report or complaint to the Nondiscrimination Coordinator or a Complaint Manager. Any employee who fails to promptly forward a report or complaint may be disciplined, up to and including discharge.

Reports and complaints of harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain a workplace environment that is productive, respectful, and free of unlawful discrimination, including harassment.

For any report or complaint alleging sexual harassment that, if true, would implicate Title IX of the Education Amendments of 1972 (20 U.S.C. §1681 et seq.), the Nondiscrimination Coordinator or designee shall consider whether action under policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, should be initiated.

For any other alleged workplace harassment that does not require action under policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, the Nondiscrimination Coordinator or a Complaint Manager or designee shall consider whether an investigation under policy 2:260, *Uniform Grievance Procedure*, and/or 5:120, *Employee Ethics; Conduct, and Conflict of Interest*, should be initiated, regardless of whether a written report or complaint is filed.

Reports That Involve Alleged Incidents of Sexual Abuse of a Child by School Personnel

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A(b), that is

alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

Any complaint alleging an incident of sexual abuse shall be processed and reviewed according to policy 5:90, *Abused and Neglected Child Reporting*. In addition to reporting the suspected abuse, the complaint shall also be processed under policy 2:265, *Title IX Sexual Harassment Grievance Procedure*, or policy 2:260, *Uniform Grievance Procedure*.

Enforcement

A violation of this policy by an employee may result in discipline, up to and including discharge. A violation of this policy by a third party will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any person making a knowingly false accusation regarding harassment will likewise be subject to disciplinary action, which for an employee may be up to and including discharge.

Retaliation Prohibited

An employee's employment, compensation, or work assignment shall not be adversely affected by complaining or providing information about harassment. Retaliation against employees for bringing complaints or providing information about harassment is prohibited (see Board policy 2:260, *Uniform Grievance Procedure*), and depending upon the law governing the complaint, whistleblower protection may be available under the State Officials and Employees Ethics Act (5 ILCS 430/), the

Whistleblower Act (740 ILCS 174/), and the Ill. Human Rights Act (775 ILCS 5/).

An employee should report allegations of retaliation to his/her immediate supervisor, the Building Principal, an administrator, the Nondiscrimination Coordinator, and/or a Complaint Manager.

Employees who retaliate against others for reporting or complaining of violations of this policy or for participating in the reporting or complaint process will be subject to disciplinary action, up to and including discharge.

Recourse to State and Federal Fair Employment Practice Agencies

The District encourages all employees who have information regarding violations of this policy to report the information pursuant to this policy. The following government agencies are available to assist employees: the Ill. Dept. of Human Rights and the U. S. Equal Employment Opportunity Commission.

The Superintendent shall also use reasonable measures to inform staff members, applicants, and nonemployees of this policy, which shall include posting on the District website and/or making this policy available in the District's administrative office, and including this policy in the appropriate handbooks.

Awareness and Prevention of Child Sexual Abuse and Grooming Behaviors (4:165)

Child sexual abuse and grooming behaviors harm students, their parents/guardians, the District's environment, its school communities, and the community at large, while diminishing a

student's ability to learn. The Board has a responsibility and obligation to increase awareness and knowledge of: (1) issues regarding child sexual abuse, (2) likely warning signs that a child may be a victim of sexual abuse, (3) grooming behaviors related to child sexual abuse and grooming, (4) how to report child sexual abuse, (5) appropriate relationships between District employees and students based upon State law, and (6) how to prevent child sexual abuse.

To address the Board's obligation to increase awareness and knowledge of these issues, prevent sexual abuse of children, and define prohibited grooming behaviors, the Superintendent or designee shall implement an Awareness and Prevention of Sexual Abuse and Grooming Behaviors Program.

The Program will:

1. Educate students with:
 - a. An age-appropriate and evidence-informed health and safety education curriculum that includes methods for how to report child sexual abuse and grooming behaviors to authorities, through policy 6:60, Curriculum Content;
 - b. Information in policy 7:250, Student Support Services, about: (i) District counseling options, assistance, and intervention for students who are victims of or affected by sexual abuse, and (ii) community-based Children's Advocacy Centers and sexual assault crisis centers and how to access those serving the District.
2. Train District employees about child sexual abuse and grooming behaviors by January 31 of each school year with materials that include:

- a. A definition of prohibited grooming behaviors and boundary violations pursuant to policy 5:120, Employee Ethics; Conduct; and Conflict of Interest;
 - b. Evidence-informed content on preventing, recognizing, reporting, and responding to child sexual abuse, grooming behaviors, and boundary violations pursuant to policies 2:260, Uniform Grievance Procedure; 2:265, Title IX Sexual Harassment Grievance Procedure; 5:90, Abused and Neglected Child Reporting; 5:100, Staff Development Program; and 5:120, Employee Ethics; Conduct; and Conflict of Interest; and
 - c. How to report child sexual abuse, grooming behaviors, and/or boundary violations pursuant to policies 2:260, Uniform Grievance Procedure; 2:265, Title IX Sexual Harassment Grievance Procedure; and 5:90, Abused and Neglected Child Reporting.
3. Provide information to parents/guardians in student handbooks about the warning signs of child sexual abuse, grooming behaviors, and boundary violations with evidence-informed educational information that also includes:
- a. Assistance, referral, or resource information, including how to recognize grooming behaviors, appropriate relationships between District employees and students based upon policy 5:120, Employee Ethics; Conduct; and Conflict of Interest, and how to prevent child sexual abuse from happening;

- b. Methods for how to report child sexual abuse, grooming behaviors, and/or boundary violations to authorities; and
 - c. Available counseling and resources for children who are affected by sexual abuse, including both emotional and educational support for students affected by sexual abuse, so that the student can continue to succeed in school pursuant to policy 7:250, Student Support Services.
4. Provide parents/guardians of students in any of grades K through 8 with not less than five days' written notice before commencing any class or course providing instruction in recognizing and avoiding sexual abuse, as well as the opportunity to object in writing.

Abused and Neglected Child Reporting (5:90)

Any District employee who suspects or receives knowledge that a student may be an abused or neglected child or, for a student aged 18 through 22, an abused or neglected individual with a disability, shall: (1) immediately report or cause a report to be made to the Ill. Dept. of Children and Family Services (DCFS) on its Child Abuse Hotline 1-800-25-ABUSE (1-800-252-2873)(within Illinois); 1-217-524-2606(outside of Illinois); or 1-800-358-5117 (TTY), and (2) follow directions given by DCFS concerning filing a written report within 48 hours with the nearest DCFS field office. Any District employee who believes a student is in immediate danger of harm, shall first call 911. The employee shall also promptly notify the Superintendent or Building Principal that a report has been made. The Superintendent or Building Principal shall immediately coordinate any necessary notifications to the student's

parent(s)/guardian(s) with DCFS, the applicable school resource officer (SRO), and/or local law enforcement.

Negligent failure to report occurs when a District employee personally observes an instance of suspected child abuse or neglect and reasonably believes, in his or her professional or official capacity, that the instance constitutes an act of child abuse or neglect under the Abused and Neglected Child Reporting Act (ANCRA) and he or she, without willful intent, fails to immediately report or cause a report to be made of the suspected abuse or neglect to DCFS.

Any District employee who discovers child pornography on electronic and information technology equipment shall immediately report it to local law enforcement, the National Center for Missing and Exploited Children's CyberTipline 1-800-THE-LOST (1-800-843-5678) or online at report.cybertip.org/ or www.missingkids.org. The Superintendent or Building Principal shall also be promptly notified of the discovery and that a report has been made.

Any District employee who observes any act of hazing that does bodily harm to a student must report that act to the Building Principal, Superintendent, or designee who will investigate and take appropriate action. If the hazing results in death or great bodily harm, the employee must first make the report to law enforcement and then to the Superintendent or Building Principal. Hazing is defined as any intentional, knowing, or reckless act directed to or required of a student for the purpose of being initiated into, affiliating with, holding office in, or maintaining membership in any group, organization, club, or athletic team whose members are or include other students.

Abused and Neglected Child Reporting Act (ANCRA), School Code, and *Erin's Law* Training

The Superintendent or designee shall provide staff development opportunities for District employees in the detection, reporting, and prevention of child abuse and neglect.

All District employees shall:

1. Before beginning employment, sign the *Acknowledgement of Mandated Reporter Status* form provided by DCFS. The Superintendent or designee shall ensure that the signed forms are retained.
2. Complete mandated reporter training as required by law within three months of initial employment and at least every three years after that date.
3. Complete an annual evidence-informed training related to child sexual abuse, grooming behaviors, and boundary violations as required by law and policy 5:100, *Staff Development Program*.

Alleged Incidents of Sexual Abuse; Investigations

An *alleged incident of sexual abuse* is an incident of sexual abuse of a child, as defined in 720 ILCS 5/11-9.1A, that is alleged to have been perpetrated by school personnel, including a school vendor or volunteer, that occurred: on school grounds during a school activity; or outside of school grounds or not during a school activity.

If a District employee reports an alleged incident of sexual abuse to DCFS and DCFS accepts the report for investigation, DCFS will refer the matter to the local Children's Advocacy Center

(CAC). The Superintendent or designee will implement procedures to coordinate with the CAC.

DCFS and/or the appropriate law enforcement agency will inform the District when its investigation is complete or has been suspended, as well as the outcome of its investigation. The existence of a DCFS and/or law enforcement investigation will not preclude the District from conducting its own parallel investigation into the alleged incident of sexual abuse in accordance with policy 7:20, *Harassment of Students Prohibited*.

Special Superintendent Responsibilities

The Superintendent shall execute the requirements in Board policy 5:150, *Personnel Records*, whenever another school district requests a reference concerning an applicant who is or was a District employee and was the subject of a report made by a District employee to DCFS.

When the Superintendent has reasonable cause to believe that a license holder committed an intentional act of abuse or neglect with the result of making a child an abused child or a neglected child under ANCRA, and that act resulted in the license holder's dismissal or resignation from the District, he or she shall notify the State Superintendent and the Regional Superintendent in writing, providing the Ill. Educator Identification Number as well as a brief description of the misconduct alleged. The Superintendent must make the report within 30 days of the dismissal or resignation and mail a copy of the notification to the license holder.

Special School Board Member Responsibilities

Each individual Board member must, if an allegation is raised to the member during an open or closed Board meeting that a student is an abused child as defined in ANCRA, direct or cause the Board to direct the Superintendent or other equivalent school administrator to comply with ANCRA's requirements concerning the reporting of child abuse.

If the Board determines that any District employee, other than an employee licensed under 105 ILCS 5/21B, has willfully or negligently failed to report an instance of suspected child abuse or neglect as required by ANCRA, the Board may dismiss that employee immediately.

When the Board learns that a licensed teacher was convicted of any felony, it must promptly report it to the State agencies listed in policy 2:20, *Powers and Duties of the School Board; Indemnification*.

Education of Homeless Children (6:140)

Each child of a homeless individual and each homeless youth has equal access to the same free, appropriate public education as provided to other children and youths, including a public pre-school education. A *homeless child* is defined as provided in the McKinney-Vento Homeless Assistance Act and the Ill. Education for Homeless Children Act. The Superintendent or designee shall act as or appoint a Liaison for Homeless Children to coordinate this policy's implementation.

A homeless child may attend the District school that the child attended when permanently housed or in which the child was

last enrolled. A homeless child living in any District school's attendance area may attend that school.

The Superintendent or designee shall review and revise rules or procedures that may act as barriers to the enrollment of homeless children and youths. In reviewing and revising such procedures, consideration shall be given to issues concerning transportation, immunization, residency, birth certificates, school records and other documentation, and guardianship. Transportation shall be provided in accordance with the McKinney-Vento Homeless Assistance Act and State law. The Superintendent or designee shall give special attention to ensuring the enrollment and attendance of homeless children and youths who are not currently attending school. If a child is denied enrollment or transportation under this policy, the Liaison for Homeless Children shall immediately refer the child or his or her parent/guardian to the ombudsperson appointed by the Regional Superintendent and provide the child or his or her parent/guardian with a written explanation for the denial. Whenever a child and his or her parent/guardian who initially share the housing of another person due to loss of housing, economic hardship, or a similar hardship continue to share the housing, the Liaison for Homeless Children may, after the passage of 18 months and annually thereafter, conduct a review as to whether such hardship continues to exist in accordance with State law.

Release During School Hours (7:90)

For safety and security reasons, a prior written or oral consent of a student's custodial parent/guardian is required before a student

is released during school hours: (1) at any time before the regular dismissal time or at any time before school is otherwise officially closed, and/or (2) to any person other than a custodial parent/guardian.

Early Dismissal Announcement

The Superintendent or designee shall make reasonable efforts to issue an announcement whenever it is necessary to close school early due to inclement weather or other reason.

Student Records (7:340)

School student records are confidential. Information from them shall not be released other than as provided by law. A school student record is any writing or other recorded information concerning a student and by which a student may be identified individually that is maintained by a school or at its direction by a school employee, regardless of how or where the information is stored, except as provided in State or federal law as summarized below:

1. Records kept in a staff member's sole possession.
2. Records maintained by law enforcement officers working in the school.
3. Video and other electronic recordings (including without limitation, electronic recordings made on school buses) that are created in part for law enforcement, security, or safety reasons or purposes. The content of these recordings may become part of a school student record to the extent school officials create, use, and maintain this content, or it becomes available to them by law enforcement officials,

for disciplinary or special education purposes regarding a particular student.

4. Any information, either written or oral, received from law enforcement officials concerning a student less than the age of 18 years who has been arrested or taken into custody.

State and federal law grants students and parents/guardians certain rights, including the right to inspect, copy, and challenge school student records. A student or the student's parent/guardian may request, in writing, that scores received on college entrance examinations be included on the student's academic transcript. The information contained in school student records shall be kept current, accurate, clear, and relevant. All information maintained concerning a student receiving special education services shall be directly related to the provision of services to that child. The District may release directory information as permitted by law, but a parent/guardian shall have the right to opt-out of the release of directory information regarding his or her child. The District will comply with State or federal law with regard to release of a student's school records, including, where applicable, without notice to, or the consent of, the student's parent/guardian or eligible student. Upon request, the District discloses school student records without parent consent to the official records custodian of another school in which a student has enrolled or intends to enroll, as well as to any other person as specifically required or permitted by State or federal law.

The Superintendent shall fully implement this policy and designate an *official records custodian* for each school who shall maintain and protect the confidentiality of school student records, inform staff members of this policy, and inform

students and their parents/guardians of their rights regarding school student records.

Fingerprinting and Criminal Background Checking Policy (5:30)

The Superintendent or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Statewide Child Murderer and Violent Offender Against Youth Database are performed on each employee as required by School Code. A copy of the record of convictions obtained from the Illinois State Police may be provided by the District to the applicant and the Superintendent or designee shall notify the applicant if the applicant is identified in either database. Any information concerning the record of convictions obtained by the District shall be confidential and may only be transmitted or shared with the President of the School Board, Superintendent or his designee, Regional Superintendent, State Superintendent, State Teacher Certification Board, or any other person necessary to the hiring decision.

The District retains the right to not employ or to discharge any employee who makes any false or misleading statement on, or omits facts from, his or her employment application or documents, if there is any criminal history records check, Statewide Sex Offender Database check, Statewide Child Murderer and Violent Offender Against Youth Database check, or background investigation, or if the District is prohibited from employing the employee under Section 10-21.9 of the Illinois School Code.

Accident Reporting and Investigation

Employees must report any accident or injury to their building administrator immediately following the accident or injury.

Employees will assist in completing an accident/injury report and update administration regarding recovery from accidents or injuries following doctor visits. The Administration will investigate all accidents and injuries and report to the Superintendent efforts to prevent any further accidents and injuries.

Drug and Alcohol Free Workplace (5:50)

All District workplaces are drug- and alcohol-free workplaces.

All employees are prohibited from engaging in any of the following activities while on District premises or while performing work for the District:

1. Unlawful manufacture, dispensing, distribution, possession, or use of an illegal or controlled substance, or being impaired by or under the influence of any illegal substance or any detectible use of any illegal substance regardless of when or where the use occurred.
2. Distribution, consumption, use, possession, or being impaired by or under the influence of an alcoholic beverage; being present on District premises or while performing work for the District when alcohol consumption is detectible, regardless of when and/or where the use occurred.
3. Distribution, consumption, possession, use, or being impaired by or under the influence of cannabis; being present on District premises or while performing work for

the District when impaired by or under the influence of cannabis, regardless of when and/or where the use occurred, unless distribution, possession, and/or use is by a school nurse or school administrator pursuant to *Ashley's Law*, 105 ILCS 5/22-33. The District considers employees impaired by or under the influence of cannabis when there is a good faith belief that an employee manifests specific articulable symptoms while working that decrease or lessen the employee's performance of the duties or tasks of the employee's job position.

Upon the Superintendent or designee's reasonable suspicion of an employee's violation of any of the prohibited activities stated above, the Superintendent or designee may direct the employee to undergo a drug and/or alcohol test to corroborate or refute the alleged violation. State law protects the District from liability when it takes actions pursuant to a reasonable workplace drug policy, including but not limited to subjecting an employee or applicant to reasonable drug and alcohol testing, reasonable and nondiscriminatory random drug testing, discipline, termination of employment, or withdrawal of a job offer due to a failure of a drug test.

For purposes of this policy a controlled substance means a substance that is:

1. Not legally obtainable,
2. Being used in a manner different than prescribed,
3. Legally obtainable, but has not been legally obtained, or
4. Referenced in federal or State controlled substance acts.

For purposes of this policy, *District premises* means workplace as defined in the Cannabis Regulation and Tax Act (CRTA) in

addition to District and school buildings, grounds, and parking areas; vehicles used for school purposes; and any location used for a School Board meeting, school athletic event, or other school-sponsored or school-sanctioned events or activities.

School grounds means the real property comprising any school, any conveyance used to transport students to school or a school-related activity, and any public way within 1,000 feet of any school ground, designated school bus stops where students are waiting for the school bus, and school-sponsored or school-sanctioned events or activities. “Vehicles used for school purposes” means school buses or other school vehicles.

As a condition of employment, each employee shall:

1. Abide by the terms of this Board policy respecting a drug- and alcohol-free workplace; and
2. Notify his or her supervisor of his or her conviction under any criminal drug statute for a violation occurring on the District premises or while performing work for the District, no later than five calendar days after such a conviction.

Unless otherwise prohibited by this policy, prescription and over-the-counter medications are not prohibited when taken in standard dosages and/or according to prescriptions from the employee's licensed health care provider, provided that an employee's work performance is not impaired.

To make employees aware of the dangers of drug and alcohol abuse, the Superintendent or designee shall perform each of the following:

1. Provide each employee with a copy of this policy.

State law prohibits a child sex offender from being present on school property or loitering within 500 feet of school property when persons under the age of 18 are present, unless the offender is:

1. A parent/guardian of a student attending the school and has notified the Building Principal of his or her presence at the school for the purpose of: (i) attending a conference at the school with school personnel to discuss the progress of his or her child academically or socially, (ii) participating in child review conferences in which evaluation and placement decisions may be made with respect to his or her child regarding special education services, or (iii) attending conferences to discuss other student issues concerning his or her child such as retention and promotion; or
2. Has permission to be present from the Board, Superintendent, or Superintendent's designee. If permission is granted, the Superintendent or Board President shall provide the details of the offender's upcoming visit to the Building Principal.

In all cases, the Superintendent, or designee who is a certified employee, shall supervise a child sex offender whenever the offender is in a child's vicinity.

Exclusive Bargaining Representative Agent

Please refer to the applicable collective bargaining agreement(s).

For employees whose collective bargaining agreement does not address this subject:

Upon notifying the Building Principal's office, authorized agents of an exclusive bargaining representative will be provided reasonable access to employees in the bargaining unit they represent in accordance with State law. Such access shall be conducted in a manner that will not impede the normal operations of the District.

Enforcement

Any staff member may request identification from any person on school property; refusal to provide such information is a criminal act. The Building Principal or designee shall seek the immediate removal of any person who refuses to provide requested identification.

Any person who engages in conduct prohibited by this policy may be ejected from school property. The person is also subject to being denied admission to school events or meetings for up to one calendar year.

Procedures to Deny Future Admission to School Events or Meetings

Before any person may be denied admission to school events or meetings as provided in this policy, the person has a right to a hearing before the Board. The Superintendent may refuse the person admission pending such hearing. The Superintendent or designee must provide the person with a hearing notice, delivered or sent by certified mail with return receipt requested, at least ten days before the Board hearing date. The hearing notice must contain:

1. The date, time, and place of the Board hearing;

2. A description of the prohibited conduct;
3. The proposed time period that admission to school events will be denied; and instructions on how to waive a hearing.

Teaching About Controversial Issues (6:80)

The Superintendent shall ensure that all school-sponsored presentations and discussions of controversial or sensitive topics in the instructional program, including those made by guest speakers, are:

- Age-appropriate. Proper decorum, considering the students' ages, should be followed.
- Consistent with the curriculum and serve an educational purpose.
- Informative and present a balanced view.
- Respectful of the rights and opinions of everyone. Emotional criticisms and hurtful sarcasm should be avoided.
- Not tolerant of profanity or slander.

The District specifically reserves its right to stop any school-sponsored activity that it determines violates this policy, is harmful to the District or the students, or violates State or federal law.

Employment Status

Teacher Qualifications (5:190)

A teacher, as the term is used in this policy, refers to a District employee who is required to be licensed under State law. The following qualifications apply:

1. Each teacher must:
 - a. Have a valid Illinois Professional Educator License issued by the State Superintendent of Education with the required endorsements as provided in the School Code.
 - b. Provide the District Office with a complete official transcript of credits earned in institutions of higher education.
 - c. On or before September 1 of each year, unless otherwise provided in an applicable collective bargaining agreement, provide the District Office with an official transcript of any credits earned since the date the last transcript was filed.
 - d. Notify the Superintendent of any change in the teacher's transcript.

1. All teachers working in a program supported with federal funds under Title I, Part A must meet applicable State certification and licensure requirements.

The Superintendent or designee shall:

1. Monitor compliance with State and federal law requirements that teachers be appropriately licensed;

2. Through incentives for voluntary transfers, professional development, recruiting programs, or other effective strategies, ensure that minority students and students from low-income families are not taught at higher rates than other students by unqualified, out-of-field, or inexperienced teachers; and

Ensure parents/guardians of students in schools receiving Title I funds are notified of their right to request their students' classroom teachers' professional qualifications

Educational Support Personnel (5:280)

All support staff: (1) must meet qualifications specified in job descriptions, (2) must be able to perform the essential tasks listed and/or assigned, and (3) are subject to School Board policies as they may be changed from time to time at the Board's sole discretion.

Paraprofessionals

Paraprofessionals provide supervised instructional support. Service as a paraprofessional requires an educator license with stipulations endorsed for a paraprofessional educator unless a specific exemption is authorized by the Illinois State Board of Education (ISBE).

Individuals with only non-instructional duties (e.g., providing technical support for computers, providing personal care services, or performing clerical duties) are not paraprofessionals, and the requirements in this section do not apply. In addition, individuals completing their clinical experiences and/or student

teaching do not need to comply with this section, provided their service otherwise complies with ISBE rules.

Noncertificated and Unlicensed Personnel Working with Students and Performing Non-Instructional Duties

Noncertificated and unlicensed personnel performing non-instructional duties may be used:

1. For supervising study halls, long-distance teaching reception areas used incident to instructional programs transmitted by electronic media (e.g., computers, video, and audio), detention and discipline areas, and school-sponsored extracurricular activities;
2. As supervisors, chaperones, or sponsors for non-academic school activities; or
3. For non-teaching duties not requiring instructional judgment or student evaluation.

Nothing in this policy prevents a noncertificated person from serving as a guest lecturer or resource person under a certificated teacher's direction and with the administration's approval.

Coaches and Athletic Trainers

Athletic coaches and trainers shall have the qualifications required by any association in which the School District maintains a membership. Regardless of whether the athletic activity is governed by an association, the Superintendent or designee shall ensure that each athletic coach: (1) is knowledgeable regarding coaching principles, (2) has first aid training, and (3) is a trained Automated External Defibrillator user according to rules adopted by the Illinois Department of

Public Health. Anyone performing athletic training services shall be licensed under the Illinois Athletic Trainers Practice Act, be an athletic trainer aide performing care activities under the on-site supervision of a licensed athletic trainer, or otherwise be qualified to perform athletic trainer activities under State law.

Bus Drivers

All school bus drivers must have a valid school bus driver permit. The Superintendent or designee shall inform the Illinois Secretary of State, within 30 days of being informed by a school bus driver, that the bus driver permit holder has been called to active duty. New bus drivers and bus drivers who are returning from a lapse in their employment are subject to the requirements contained in Board policy 5:30, *Hiring Process and Criteria* and Board policy 5:285, *Drug and Alcohol Testing for School Bus and Commercial Vehicle Drivers*.

Reporting Absences & Attendance

To maintain a productive work environment, the District expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on the District. In the rare instances when employees cannot avoid being late to work or are unable to work as scheduled, they are required to notify their supervisor as soon as possible before they are scheduled to work.

Poor attendance and excessive tardiness are disruptive. Either may lead to disciplinary action, up to and including discharge. Absence of three working days without reporting will be considered a voluntary resignation.

Employment Record/Employee Status Changes

Any changes in name, address, phone numbers, marital status, and persons to be contacted in case of an emergency must to be turned into the Unit Office as soon as possible in order to keep your records current.

Benefits

BENEFITS

COBRA Insurance

The Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their dependents (qualified beneficiaries) the opportunity to continue health insurance coverage under our health plan when a “qualifying event” would normally result in the loss of eligibility. Some common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee’s hours or a leave of absence; an employee’s divorce or legal separation; or a dependent child who no longer meets eligibility requirements.

Under COBRA, the employee or beneficiary pays the full cost of coverage of the group rates plus administration fee.

We provide each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under the health insurance plan. The notice contains important information about the employee’s rights and obligations.

It is the employee’s responsibility to inform the Plan Administrator of the following events for eligibility purposes:

- The participant becomes entitled to Medicare benefits

- The participant and spouse become divorced

- The participant and spouse become legally separated

- A participant’s child ceases to be a dependant under the plan

Child Bereavement Leave Act (5:250)

State law allows a maximum of 10 unpaid work days for eligible employees (Family and Medical Leave Act of 1993, 20 U.S.C. §2601 *et seq.*) to take child bereavement leave. The purpose, requirements, scheduling, and all other terms of the leave are governed by the Child Bereavement Leave Act. Child bereavement leave allows for: (1) attendance by the bereaved staff member at the funeral or alternative to a funeral of his or her child, (2) making arrangements necessitated by the death of the staff member's child, or (3) grieving the death of the staff member's child, without any adverse employment action.

The leave must be completed within 60 days after the date on which the employee received notice of the death of his or her child. However, in the event of the death of more than one child in a 12-month period, an employee is entitled to up to a total of six weeks of bereavement leave during the 12-month period, subject to certain restrictions under State and federal law. Other existing forms of leave may be substituted for the leave provided in the Child Bereavement Leave Act. This policy does not create any right for an employee to take child bereavement leave that is inconsistent with the Child Bereavement Leave Act.

Uniformed Services Employment and Reemployment Rights Act (USERRA)

Any employee whose absence from employment is necessitated by reason of service in the uniformed services will be granted an unpaid leave of absence and will have the right to be reemployed if he or she:

- Ensures that the District receives advance written or verbal notice of his or her service;

- Has five years or less of cumulative service in the uniformed services while with the District;
- Returns to work or applies for reemployment in a timely manner after conclusion of service; and
- Has not been separated from service with a disqualifying discharge or under other than honorable conditions.

Upon the expiration of such leave of absence, each employee will be restored to his/her former job classification or to a position of like seniority, status and pay; unless, circumstances of the District have so changed as to make it impossible or unreasonable to do so.

Family and Medical Leave (5:185)

Leave Description

An eligible employee may use unpaid family and medical leave (FMLA leave), guaranteed by the federal Family and Medical Leave Act. The U.S. Department of Labor's rules (federal rules) implementing FMLA, as they may be amended from time to time, control FMLA leave.

An eligible employee may take FMLA leave for up to a combined total of 12 weeks each 12-month period, beginning July 1 and ending June 30 of the next year.

During a single 12-month period, an eligible employee's FMLA leave entitlement may be extended to a total of 26 weeks of unpaid leave to care for a covered servicemember (defined in the federal rules) with a serious injury or illness. The "single 12-month period" is measured forward from the date the employee's first FMLA leave to care for the covered servicemember begins.

While FMLA leave is normally unpaid, the District will substitute an employee's accrued compensatory time-off and/or paid leave for unpaid FMLA leave, provided such leave is available for use in accordance with Board policies and rules. In addition, all policies and rules regarding the use of paid leave apply when paid leave is substituted for unpaid FMLA leave. Any substitution of paid leave for unpaid FMLA leave will count against the employee's FMLA leave entitlement. Use of FMLA leave shall not preclude the use of other applicable unpaid leave that will extend the employee's leave beyond 12 weeks, provided that the use of FMLA leave shall not serve to extend such other unpaid leave. Any full workweek period during which the employee would not have been required to work, including summer break, winter break and spring break, is not counted against the employee's FMLA leave entitlement.

FMLA leave is available in one or more of the following instances:

1. The birth and first-year care of a son or daughter.
2. The adoption or foster placement of a son or daughter, including absences from work that are necessary for the adoption or foster care to proceed and expiring at the end of the 12-month period beginning on the placement date.
3. The serious health condition of an employee's spouse, child, or parent.
4. The employee's own serious health condition that makes the employee unable to perform the functions of his or her job.
5. The existence of a qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a military member on covered active duty or has been notified of an impending call or order to active duty, as provided by federal rules.

To care for the employee's spouse, child, parent, or next of kin who is a covered servicemember with a serious injury or illness, as provided by federal rules

“Serious Health Condition” – A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee’s job, or prevents the qualified family member from participating in school or other daily activities.

If spouses are employed by the District, they may together take only 12-weeks for FMLA leaves when the reason for the leave is 1 or 2, above, or to care for a parent with a serious health condition, or a combined total of 26 weeks for item 6 above.

An employee may be permitted to work on an intermittent or reduced-leave schedule in accordance with federal rules.

Eligibility

To be eligible for FMLA leave, an employee must be employed at a worksite where at least 50 employees are employed within 75 miles. In addition, one of the following provisions must describe the employee:

1. The employee has been employed by the District for at least 12 months and has been employed for at least 1,000 hours of service during the 12-month period immediately before the beginning of the leave. The 12 months an employee must have been employed by the District need not be consecutive. However, the District will not consider any period of

previous employment that occurred more than seven years before the date of the most recent hiring, except when the service break is due to fulfillment of a covered service obligation under the employee's Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. 4301, et seq., or when a written agreement exists concerning the District's intention to rehire the employee.

2. The employee is a full-time classroom teacher.

Requesting Leave

If the need for the FMLA leave is foreseeable, an employee must provide the Superintendent or designee with at least 30 days' advance notice before the leave is to begin. If 30 days' advance notice is not practicable, the notice must be given as soon as practicable. The employee shall make a reasonable effort to schedule a planned medical treatment so as not to disrupt the District's operations, subject to the approval of the health care provider administering the treatment. The employee shall provide at least verbal notice sufficient to make the Superintendent or designee aware that he or she needs FMLA leave, and the anticipated timing and duration of the leave. Failure to give the required notice for a foreseeable leave may result in a delay in granting the requested leave until at least 30 days after the date the employee provides notice.

Certification

Within 15 calendar days after the Superintendent or designee makes a request for certification for a FMLA leave, an employee must provide one of the following:

1. When the leave is to care for the employee's covered family member with a serious health condition, the employee must

- provide a complete and sufficient certificate signed by the family member's health care provider.
2. When the leave is due to the employee's own serious health condition, the employee must provide a complete and sufficient certificate signed by the employee's health care provider.
 3. When the leave is to care for a covered servicemember with a serious illness or injury, the employee must provide a complete and sufficient certificate signed by an authorized health care provider for the covered servicemember.
 4. When the leave is because of a qualified exigency, the employee must provide: (a) a copy of the covered military member's active duty orders or other documentation issued by the military indicating that the military member is on active duty or call to active duty status, and the dates of the covered military member's active duty service, and (b) a statement or description, signed by the employee, of appropriate facts regarding the qualifying exigency for which FMLA leave is requested.

The District may require an employee to obtain a second and third opinion at its expense when it has reason to doubt the validity of a medical certification.

The District may require recertification at reasonable intervals, but not more often than once every 30 days. Regardless of the length of time since the last request, the District may request recertification when the, (1) employee requests a leave extension, (2) circumstances described by the original certification change significantly, or (3) District receives information that casts doubt upon the continuing validity of the original certification.

Recertification is at the employee's expense and must be provided to the District within 15 calendar days after the request. The

District may request recertification every six months in connection with any absence by an employee needing an intermittent or reduced schedule leave for conditions with a duration in excess of six months.

Failure to furnish a complete and sufficient certification on forms provided by the District may result in a denial of the leave request.

Continuation of Health Benefits

During FMLA leave, employees are entitled to continuation of health benefits that would have been provided if they were working. Any share of health plan premiums being paid by the employee before taking the leave, must continue to be paid by the employee during the FMLA leave. A District's obligation to maintain health insurance coverage ceases if an employee's premium payment is more than 30 days late and the District notifies the employee at least 15 days before coverage will cease.

Changed Circumstances and Intent to Return

An employee must provide the Superintendent or designee reasonable notice of changed circumstances (i.e., within two business days if the changed circumstances are foreseeable) that will alter the duration of the FMLA leave. The Superintendent or designee, taking into consideration all of the relevant facts and circumstances related to an individual's leave situation, may ask an employee who has been on FMLA leave for eight consecutive weeks whether he or she intends to return to work.

Return to Work

If returning from FMLA leave occasioned by the employee's own serious health condition, the employee is required to obtain and

present certification from the employee's health care provider that he or she is able to resume work.

An employee returning from FMLA leave will be given an equivalent position to his or her position before the leave, subject to: (1) permissible limitations the District may impose as provided in the FMLA or implementing regulations, and (2) the District's reassignment policies and practices.

Classroom teachers may be required to wait to return to work until the next semester in certain situations as provided by the FMLA regulations.

Implementation

The Superintendent or designee shall ensure that: (1) all required notices and responses to leave requests are provided to employees in accordance with the FMLA; and (2) this policy is implemented in accordance with the FMLA. In the event of a conflict between the policy and the FMLA or its regulations, the latter shall control. The terms used in this policy shall be defined as in the FMLA regulations.

Victims' Economic Security And Safety Act (5:250)

An unpaid leave from work is available to any staff member who: (1) is a victim of domestic violence, sexual violence, gender violence, or any other crime of violence or (2) has a family or household member who is a victim of such violence whose interests are not adverse to the employee as it relates to the domestic violence, sexual violence, gender violence, or any other crime of violence. The unpaid leave allows the employee to seek

medical help, legal assistance, counseling, safety planning, and other assistance without suffering adverse employment action.

The Victims' Economic Security and Safety Act governs the purpose, requirements, scheduling, and continuity of benefits, and all other terms of the leave. Accordingly, if the District employs at least 50 employees, an employee is entitled to a total of 12 work weeks of unpaid leave during any 12-month period. Neither the law nor this policy creates a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or is in addition to the unpaid leave time permitted by, the federal Family and Medical Leave Act of 1993 (29 U.S.C. §2601 et seq.).
