

ATTENTION SENIORS

Local Peotone Scholarships & other available scholarships through Dollars for Scholars by Scholarship America (online student scholarship application)

The website, www.Peotone.dollarsforscholars.org, allows you to access more scholarships. Through the website, you will have the ability to create a free online profile, which allows you to apply for and be matched to multiple scholarships, including the Peotone Community Scholarship, which is given at PHS graduation. The website gives you opportunities on both the local and national level—in just a couple of clicks.

Peotone Community Scholarship Association Dollars for Scholars® encourages you to begin developing your online profiles now, to assure you are alerted about scholarship opportunities in advance of deadlines. In addition to scholarships, you will also have access to exclusive volunteer and internship opportunities that may be available to you, as well as a wealth of financial aid and college success tools and resources provided by Scholarship America.

Log in to www.Peotone.dollarsforscholars.org, go to Students & Parents page, click on Log In to create your account and then create your profile. Once you complete your profile you will begin to receive notices of scholarships you may be eligible to apply for.

This includes the scholarship from the Peotone Community Scholarship Association Scholarships and the Steve Wise Memorial Scholarship given at graduation. You will be able to find this scholarship after December 1, 2021 under “My Scholarship”. Deadline to complete (essay) the Peotone Community Scholarship Association Scholarship is April 10, 2022.

Brief directions

After logging in and going to the Students & Parents page, click on the “Click to Login” button to create your account (you will see the “Don’t have an account yet? Create one here” prompt in the fourth paragraph). After creating your account you will then create your profile by opening and completing each section down the left hand column through each step of the process.

1) Set up profile – this is the template that all Scholarship America affiliates use to determine eligibility. Remember the more information you enter, the more opportunities it will open. It is not exclusive to one scholarship. You are “registering” with Scholarship America, not applying for a specific scholarship; those opportunities will be in your “My Scholarships” box by clicking “Search for Scholarships” on the “My Dashboard” page.

2) After completing the profile, click on the “My Scholarship” to see eligibility for different scholarships.
Make sure to check this once a week to learn about new opportunities!

3) A new screen will appear showing those scholarships for which the applicant is eligible. Click on the individual scholarships in that section where the different requirements will be listed/accessed. This is also where you will click on “submit” to individually submit each scholarship application. It will not let you submit if the application does not have all required information (i.e. our custom question).

4) You will be notified when your transcript and recommendation are complete as well as an e-mail to verify that you applied for the Peotone Community Scholarship.

NOTE: Be sure all information is complete before “Submitting” the scholarship, if you need to finish at a later time just click “Save”. If you have any questions do not hesitate to contact Mrs. Murray, PHS Registrar, in the Student Services Office at (708) 2583236 or by email at mmurray@peotoneschools.org.
