

Welcome! We're your local chapter of PFLAG National, our nation's oldest LGBTQ advocacy organization and a powerful grassroots network of volunteers.

PFLAG
Bolingbrook

Support for LGBTQ people and their family and friends.

Education for ourselves and others about the unique issues and challenges facing people who are LGBTQ.

Advocacy to change attitudes and create policies and laws that achieve full equality for people who are LGBTQ.

PFLAG is often the first place people turn to, when they or someone they love has just come out or are questioning their sexuality and/or gender. But we are also a place of ongoing connection for LGBTQ people, family, and allies, where together we find acceptance, affirmation, and, for those who are interested, opportunities to work together to create a world where all people are valued inclusive of their sexual orientation, gender identity, and gender expression.
