Friday, August 13, 2021

Dear Parents/Guardians:

I hope that you are enjoying your summer break and look forward to the 2021-22 school year! On Tuesday, June 15th, the school district presented the 2021-22 school reopening plan and safety protocols to the Windham School Board as a requirement of the NH Department of Education. The board approved 2021-22 reopening plan and safety protocols can be found here: [2021-22 School Reopening Plan](#).

There have been some recent state and federal changes and safety recommendations regarding the COVID-19 delta variant since the plans were released and approved by the board. These recommendations could impact our proposed mitigation tactics for the start of the school year. The Windham School Board plans to review the proposed mitigation strategies at the next school board meeting on **Tuesday, August 24**. Once the school board approves a plan, we will release the updated plans to the public. You can review the updated state guidelines that were released on August 11th here: [STATE OF NEW HAMPSHIRE CORONAVIRUS DISEASE 2019 \(COVID-19\) SCHOOL & CHILDCARE TOOLKIT 2021-2022 SCHOOL YEAR](#) and follow current information from DHHS via their dashboard here: [Dashboard | NH COVID-19 Response](#).

We are excited to welcome our students and staff back to school together at the start of this upcoming year. Our goal is to maintain a pre-covid learning model throughout the year while ensuring the health and safety of our staff and students. Given the most recent COVID-19 surge and severity of the delta variant, please continue to support each other's individual decisions regarding what makes them feel safe and comfortable while in the schools. Let's make this experience for our students a positive one and help them enjoy the opportunity to learn in-person and socialize with their peers while maintaining a safe and secure environment.

Thank you,

Richard Langlois
Superintendent of Schools
