Dear School Staff and Parent Community:

Recently, our students and community have been fortunate to attend and participate in a wide variety of school events and activities including musicals, athletic events, and scholastic awards for the arts. All of these events continue to showcase the multiple opportunities our students have to display their true talents. I wanted to thank our staff and community volunteers for their ongoing effort and support to provide every student with opportunities to shine. Below are the district highlights for the week.

District COVID-19 Case Count: As of Friday, March 25, our district had a total of three (3) positive COVID-19 cases.
