**Friday, April 15, 2022**

Dear School Staff and Parent/Guardians Community:

We have one final push next week and then we are off to April break! We had so many activities and events that took place throughout the district this week. Check out a few of the district's updates, events, and highlights below.

**District COVID-19 Case Count:** As of Friday, April 15, our district had a total of eighteen (18) positive COVID-19 cases. One (1) positive case at the SAU office, six (6) positive cases at Golden Brook School, six (6) positive cases at Windham Center School, four (4) positive cases at Windham Middle School, and one (1) positive case at Windham High School.

**NEASC Accreditation Process:** I wanted to thank all of the staff, students, and parents that were instrumental in organizing and executing the NEASC site visit this week. The planning and coordination of this event took weeks to prepare for. Our teams at each of the schools were united and were able to show the NEASC accreditation committee some of the amazing highlights within each school.

**Spring Sports Update:** All Spring sports for middle and high school are up and running. The middle school schedules can be located here: [https://wms.windhamsd.org/about\\_wms/athletics/spring](https://wms.windhamsd.org/about_wms/athletics/spring) and the high school schedules can be found here: <https://windhamathletics.bigteams.com/>. I hope the Wildcats and Jaguars have a great season!

**High School Fan Experience Update:** Take a look at the new scoreboards that are up and running for our fans to enjoy: [https://whs.windhamsd.org/extra\\_curricular/student\\_activities/w\\_h\\_s\\_happenings](https://whs.windhamsd.org/extra_curricular/student_activities/w_h_s_happenings). The project to get the football and field hockey bleachers will start at the end of June and we anticipate it to be completed by the end of July. More information will be available shortly!

**Save a Life Tour:** On Wednesday, our high school students participated in an assembly geared towards the dangers of distracted driving. This seminar utilizes several methods to demonstrate the effects and consequences that are direct results of poor choices and/or decisions made by distracted driving. For more information visit: <https://savealifetour.com/about/>.

**Spring Concerts at GBS:** Our kindergarten and first-grade students were able to showcase their first spring concert in the gymnasium this week! The students did an amazing job! Special thank you to the administration and staff at GBS for their continued support and help.

**WCS Spring Chorus Concert:** Our Center School chorus students performed Disney's *High School Musical JR* this week at the high school auditorium. It was a fun-filled 60-minute musical based on the 2006 Disney Channel Original Movie. The cast included WCS students led by Mrs. Fothergill.

**High School Dance Team:** The dance team performed their second annual spring dance showcase. This performance highlighted dances of all genres and revisited former dances from this school year. We are proud of the dance team's accomplishments and look forward to more performances in the future.

**Junior Prom:** I hope our juniors enjoy getting dressed up and have an excellent time at their prom on Saturday evening! The event will be held at the Castleton from 6:00-10:00 pm.

We may be close to another school break but we are definitely not slowing things down!

Enjoy your weekend,

Dr. Kori Alice Becht  
**Superintendent of Schools**
