**Friday, February 25, 2022**

Dear Parents/Guardians:

Whether you are staying local or heading to warmer weather, we hope you all have a safe and relaxing break! Below are the weekly highlights from the district.

**District COVID-19 Case Count:** As of Thursday, February 24, our district had a total of eighteen (18) positive COVID-19 cases. There are six (6) positive cases at Golden Brook School, four (4) positive cases at Windham Center School, three (3) positive cases at Windham Middle School, and five (5) positive cases at Windham High School.

**Approved 2023-24 Calendar:** The FY 2023-2024 district calendar was approved at the last board meeting. We hope that the advanced publishing of this calendar will help our families with future planning. All approved calendars are available on our website <https://bit.ly/3vcuHbm>.

**Approved FCS Curriculum:** The Grades 7-12 Family and Consumer Science (FCS) curriculum was approved on February 15 by the Windham School Board. The curriculum is a reflection of the hard work of the district's FCS department including Kay Shoubash, Caleigh Murphy, and Jan Robbins, as well as Director of Fine Arts Susan Kalil. The district is fortunate to have a middle and high school FCS program that develops students' knowledge and skills in managing foods and nutrition; cultural aspects of food; consumer financial literacy; child growth and development; housing and interior design; textiles, fashion, and apparel, while also empowering individuals across their lifespan to manage the challenges of living and working in a diverse, global society. **March Calendar of Events:** The district-wide calendar of events for the month of March is now available! Please download the calendar here: <https://bit.ly/3vfLFG3>

**School Accomplishments:** Each week, I will focus on a school to showcase our staff and student achievements. This week is focused on Windham High School.
