Dear Parents/Guardians:

As of today, November 19, 2021, our district has a total of forty-five (45) positive COVID-19 cases. There are seventeen (17) positive cases at Golden Brook School, fifteen (15) positive cases at Windham Center School, seven (7) positive cases at Windham Middle School, and six (6) positive cases at Windham High School. Below are a few additional items that I wanted to make you aware of this week.

Our leadership team will continue to work closely with NH DHHS and reference the district's indoor mask matrix.

- **Budget Process:** This week we completed the budget workshops for each school. On January 13, the Budget hearing process will begin followed by the Deliberative Session on February 11.

Due to the Thanksgiving holiday, I will not be sending a weekly update next week. This year, I am truly thankful for the dedicated staff and leaders that we have in this district. It has been a challenging year to navigate but I am grateful for the team we have to be able to weather the storm. I hope you and your family have a safe and enjoyable holiday.

Thank you,
