**Friday, March 11, 2022**

Dear Parents/Guardians:

I hope everyone had an easy transition back from February break this week. I wanted to take a moment to thank our community members for coming together, once again, to support our schools. With your support, the proposed FY23 budget and all warrant articles passed. The voters' response spoke volumes that excellence in education matters. Our students, staff, and community will continue to benefit from our united effort to provide the best educational, social, and emotional experience for all students. Below are some additional district highlights from the week.

**District COVID-19 Case Count:** As of Friday, March 11, our district had a total of five (5) positive COVID-19 cases. There are two (2) positive cases at Golden Brook School, zero (0) positive cases at Windham Center School, zero (0) positive cases at Windham Middle School, and three (3) positive cases at Windham High School.

**Congratulations Elected School Board Members:** Incumbent School Board member Dennis Senibaldi was elected to serve the school board for another three-year-term and incumbent Stephanie Wimmer will serve on the board for a one-year-term. We look forward to continued collaboration with you both.

**Kids Vote:** We had an amazing turnout this year with close to 500 votes collected from grades K-8! I am so proud of all of the students who came out to express their voice and vote. Students were notified earlier this week on what choices won. Golden Brook School will receive a free recess, Windham Center School will be treated to a teacher talent show, and Windham Middle School will have a popsicle day.

**Professional Development Day:** On Tuesday, our staff participated in another professional development day. We want to thank all staff members for their effort and hard work to continue to elevate our district through curriculum and instructional practices.

**Wizard of OZ Production:** Join Golden Brook and Windham Center School for their first theater production of “The Wizard of Oz” on **March 18th at 7PM and March 19th at 2PM at the Windham High School Auditorium**. Our students are excited to showcase their talents in this production, and we look forward to seeing you all there!

**WMS Promotion Ceremony:** We are thrilled to be able to bring back a promotion ceremony in which both students and parents can celebrate together. The Eighth Grade Promotion Ceremony for Windham Middle School will be held on **Wednesday, June 15th at 6:30pm at Windham High School**. Tickets will be distributed to families and each family would be eligible for four (4) tickets. Additional information will be provided to the eighth grade parent community as it is available.

**National Honors Society Induction Ceremony:** The National Honors Society Induction Ceremony was held on Wednesday, March 9. This event was special because not only were new members inducted, but also the members from last year who were unable to get a proper ceremony due to the pandemic. Congratulations to these exemplary students.

On the behalf of our entire staff, thank you for your support and confidence in our vision for this school district. I look forward to continuing to build solid foundations for our students to succeed today and in their futures.

With gratitude,

Dr. Kori Alice Becht  
**Superintendent of Schools**
