

Unified Classroom Parent Portal – NEW Account Instructions

To simplify the process of accessing Unified Classroom *for new parent users*, the Windham School District has created your Unified Classroom PowerSchool ID for you. Any students associated with the Parent/Guardian were linked at the time of your account creation.

To start using Unified Classroom please follow the instructions below. You will be guided through a short process that verifies your account, has you create a new password, and then logs you into Unified Classroom. **Your Unified Classroom account is activated when you update your password.**

1. Click or Enter <https://classroom.powerschool.com/u/welcome> to display the **Welcome to PowerSchool Unified Classroom!** page. After the initial account verification, you will simply go to classroom.powerschool.com to sign in! **(Please Note: The classroom.powerschool.com link WILL NOT WORK if you have NOT ACTIVATED your account.)**

Welcome to PowerSchool Unified Classroom!

The email address you enter should match the email address you provided to your school.

This will be your PowerSchool ID, which you will use to sign in to Unified Classroom.

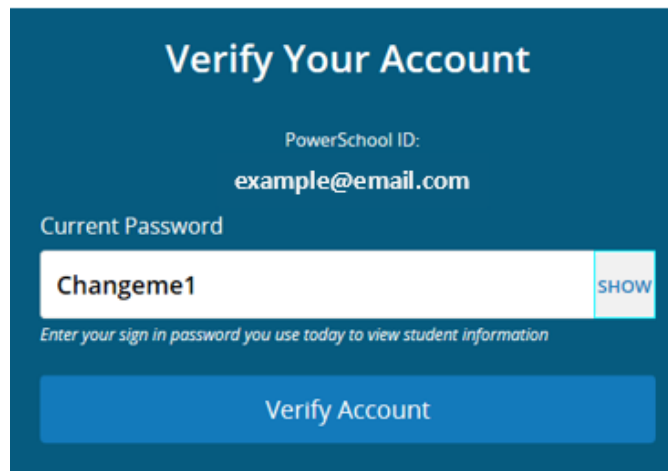

You can update your email address once you sign in.

Email Address Required

example@email.com

Next

2. Enter your **email address** that you provided to your school for registration. **This is your PowerSchool ID.** Click **Next** to display the **Verify Your Account** page.
3. Enter the **TEMPORARY password Changeme1** and then select **Verify Account** to display the **Create Your New Password** page.

Verify Your Account

PowerSchool ID:

Enter your sign in password you use today to view student information

Verify Account

4. Enter a new password. **Important: Make note of this password.** It is the password you will use to access Unified Classroom going forward.

The screenshot shows a form titled "Create Your New Password" on a dark blue background. At the top, it says "PowerSchool ID:" followed by a text box containing "example@email.com". Below that are two password input fields. The first is labeled "New Password" with "Required" in smaller text, and the second is labeled "Re-enter Password" with "Required" in smaller text. Both fields contain masked characters (dots) and a "SHOW" button to the right. At the bottom of the form is a large blue button labeled "Create Password".

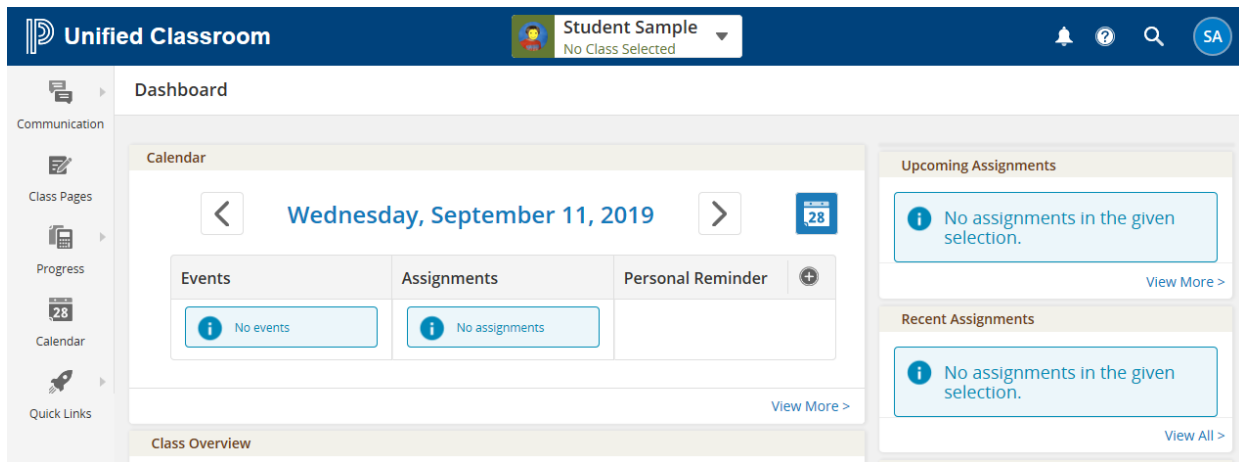

5. Click **Create Password** to display the Welcome to Unified Classroom page.

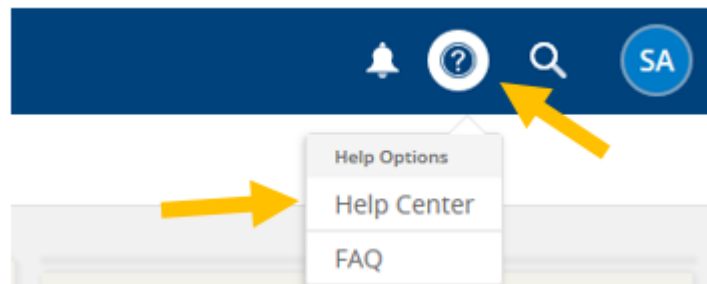

The screenshot shows a sign-in page titled "Welcome to Unified Classroom!" on a dark blue background. Below the title, it says "Sign in with your PowerSchool ID." There is a green notification box that says "Your PowerSchool ID has been created." with a close button. Below that is a "PowerSchool ID" label with a help icon, followed by a text box containing "example@email.com". Underneath is a "Password" label followed by a masked password field with a "SHOW" button. Below the password field is a "Forgot Password?" link. At the bottom is a large blue "Sign In" button. Below the "Sign In" button is the text "— OR —". At the very bottom are two buttons: "Sign In With Microsoft" with the Microsoft logo and "Sign In With Google" with the Google logo.

6. Enter your email, then the password you just created, and click **Sign In**. You are now in Unified Classroom!

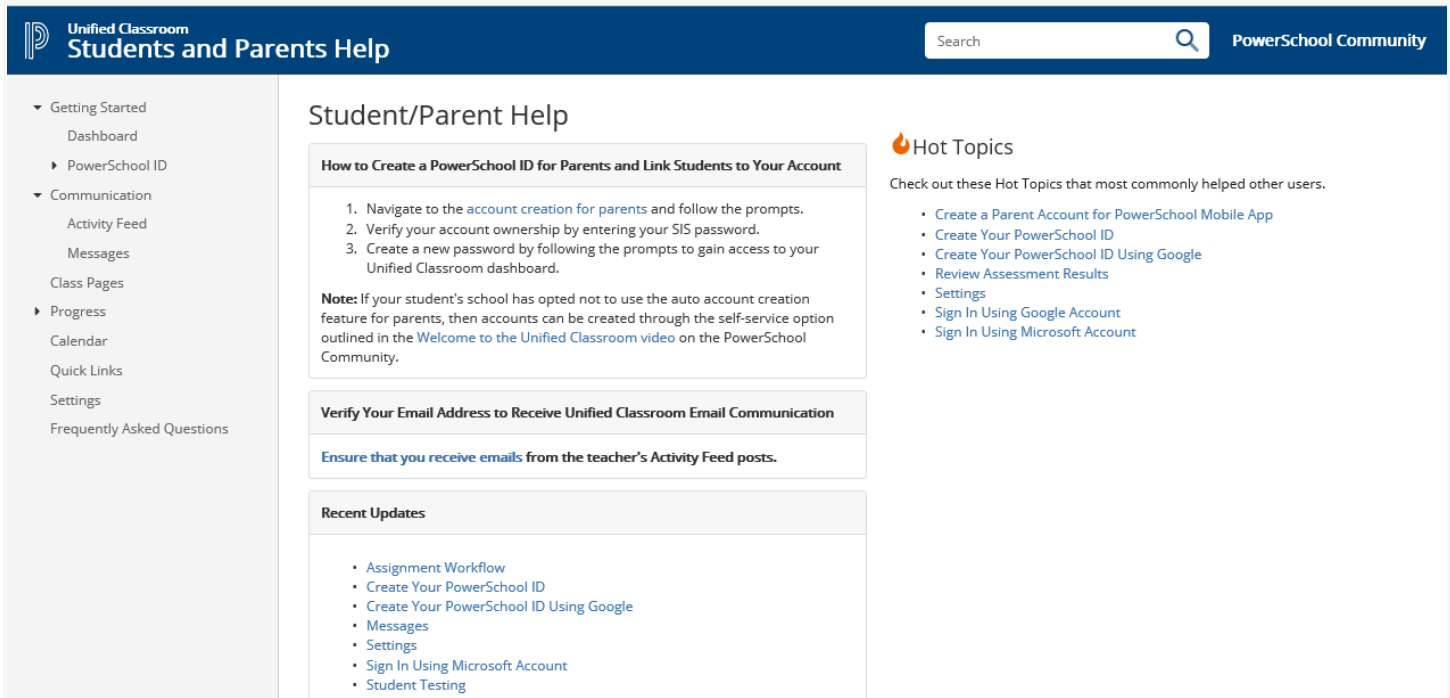

7. Remember, going forward, the link you will use to log in is: classroom.powerschool.com

8. If you have any questions about modifying account preferences or navigating Unified Classroom, simply click the ? in the top right corner to access Unified Classroom’s Help Center or FAQ (Frequently Asked Questions) for Parents.

The Help Site is a valuable resource and includes important information, such as how to **Verify Your Email Address to Receive Unified Classroom Email Communication** - [Ensure that you receive emails](#) from the teacher's Activity Feed posts or Navigating the Dashboard.

9. Please keep in mind that this help site was developed by PowerSchool to assist all their customers. Some features may not be available if not subscribed to by WSD. We also have some add-on products that may not be mentioned here.
