Breakthrough Manchester

At the Derryfield School

As the school year kicks off, we are recruiting for School Year Teaching Interns, motivated leaders who aspire to be educators or are interested in working with middle school students. This internship is a volunteer position open to juniors and seniors in high school. Our Teaching Interns explore the world of education, gain valuable leadership skills, and the opportunity to lead a classroom through a lens of diversity, equity, and inclusion. Teaching interns have fun working with peers, attending field trips with a college focus, and mentoring younger students!

In addition to an orientation held one Wednesday evening and a Saturday in October, Teaching Interns will dedicate themselves to five Super Saturdays throughout the school year and training sessions each prior Wednesday evening. For more information, please visit our [website](#)!

Qualifications:

- Open to high school juniors and seniors
- Interest in teaching and mentoring middle school students
- Prior tutoring or teaching experience is helpful (not required)
- Transportation to The Derryfield School for orientation, training, and all sessions (please connect with us if transportation is needed and we will try to make a carpool connection.)

How to apply:

1. Complete the [Application](#)
2. Submit official or unofficial transcript to the Breakthrough Office [Transcript request form](#)
3. Recommendation: submit the name and email address of a teacher, coach, employer, or other adult who has worked with you in the past year (may not be a relative)

THE APPLICATION DEADLINE IS FRIDAY, SEPTEMBER 30, 2022!

The Environmental Club

The Environmental Club is looking for additional help with the recycling program at WHS. We collect recycling Monday mornings before school and Thursday afternoons after school.

Please email Mr. Munsey for more information!

Parkland Medical Center

Derry, NH

We currently have opportunities available, which I wanted to pass this along to students that are in need of volunteer hours, are looking at starting a career in the medical field, or folks that are just wanting to volunteer in general.

This is a great opportunity to network in the healthcare industry and gain exposure and experience.

You will need to complete the [Volunteer Application Form](#).
