SCHOOL PRINCIPAL'S DECLARATION FOR TRESPASS LAW

References: San Diego Public School Trespass Ordinance  
(Municipal Code, sections 52.70.01 through 52.70.03)  
California Penal Code, section 626.4, et seq.

Background: In 1974, the district was the complainant in a criminal case involving the Trespass Ordinance. The case was tried in the San Diego Municipal Court. After evidence was presented to the jury, the defense attorney moved to dismiss the criminal charge of trespass on the ground that the school principal could not testify that he had personally and expressly designated the school security agent as his representative (as defined in the Municipal Code). The court granted the motion and dismissed the charges against the defendant. To preclude a similar ruling in the future, either as to the Municipal Code or the more recent section of the California Penal Code, a declaration has been drawn up for use by site administrators, duly authorized, and signed by the school principal.

Execution: Each school principal shall complete a declaration upon assuming a new assignment or when personnel, designated on the last affidavit for a given school, change. Staff members who may be designated (as defined in San Diego Municipal Code sections 52.70.01 through 52.70.03, and California Penal Code section 626.4, et seq.) are:

1. All school peace officers and supervisors of the San Diego Unified School District Police Services Department.
2. Designated members of site staff (including vice principals, counselors, teachers, and classified staff).

Staff members so designated should be consulted and made aware of their status. The principal is required to complete, date, and sign the Declaration and return it by **Wednesday, September 30, 2020**.

Two copies of the Declaration should be completed and signed—a scanned version to [board@sandi.net](mailto:board@sandi.net), with the original sent via school mail to the Board of Education/Board Services Ed Center, Room 2231, when the district returns to on-site instruction. The second copy is to be retained by the principal at the school site.

Questions regarding any of the above should be referred to Melissa Hudson or Martha Corrales, Board of Education/Board Services Office, at 619-725-5550.
