** Brief Explanation:**
The Board of Education **requires that every** district school establish and maintain an appropriately configured School Site Council (SSC). The SSC at each school designates one of its members (parent, community member, or non-administrative member) to serve on the District Advisory Council (DAC) as a voting representative. All parent and student representative members of the school SSC are automatically alternate DAC members with voting rights.

Principals are required to provide information to the Financial Planning, Monitoring and Accountability Department (FPMA) documenting that the SSC has been configured appropriately and complies with the California Education Code requirements, district policy, and administrative procedures.

The information must include the names of all SSC members and the constituent group represented by each member. Identify member tenure in the SSC roster.

**A. Conducting Elections for the 2020-21 School year** – The 2020-21 school year is beginning in an online learning environment. Each child has been provided a learning device to support online learning, which can also support communication with families that may not
otherwise have access to digital back and forth communication. SSC elections may be conducted online for the 2020-21 school year. We recommend using Google Forms or Survey Monkey if your site has a license. FPMA has created sample ballots using Google Forms, which have been sent to schools and are available on our webpage.

B. SSC Configuration: Roster and Bylaws Submission - Education Code sections 52852 and 65000 requires that the SSC be configured as follows:

Elementary Schools (Elementary Model) - Minimum of ten (10) members. Elementary schools may have more than 10 members as long as parity between parents/community members and other school staff is maintained.

**Elementary Model**

<table>
<thead>
<tr>
<th>Parents/Community Members 50%</th>
<th>School Staff 50%</th>
</tr>
</thead>
<tbody>
<tr>
<td>● Parents must have a child currently enrolled in the school.</td>
<td>● Principal (automatic member)</td>
</tr>
<tr>
<td>● Parents/community members not employed at the school site.</td>
<td>● Minimum of three (3) Classroom Teachers</td>
</tr>
<tr>
<td>● Minimum of three (3) Classroom Teachers</td>
<td>● Minimum of one (1) Other School Personnel*</td>
</tr>
</tbody>
</table>

Classroom teachers must be in the majority

* Other School Personnel is defined as a staff member who is not a classroom teacher and does not have a student roster. The SSC shall design and conduct elections for these staff members to elect their representative. Examples: office staff, resource teachers, counselors, custodian.

Secondary Model – Minimum of ten (10) members. Secondary schools (high schools) may have more than 10 members as long as parity is maintained:

Middle-Level Schools and Schools with Atypical Grade Configurations - Education Code 33133 (c) allows middle schools to choose either the Elementary Model or the Secondary Model.
## SECONDARY MODEL

*Other School Personnel is defined as a staff member who is not a classroom teacher and does not have a student roster. The SSC shall design and conduct elections for these staff members to elect their representative. Examples: office staff, resource teachers, counselors, custodian.

It is important that the SSC is configured according to the guidelines listed above and that all schools meet at least the minimum membership requirements for the correct SSC configuration (10 members for both Elementary Model and Secondary Model, etc.).

**Schools may go above the minimum numbers, but must maintain the parity.** Members must be elected by their constituent group, i.e., classroom teachers by classroom teachers, parents/community members by parents, other school personnel by other school personnel, and students by students. Schools must keep documentation of current year elections in their SSC binder, including election procedures and results. In addition, election results as well as the introduction of newly elected members and the term of their position must be documented on an SSC agenda and minutes.

Although alternate members are not required, schools may choose to designate alternates for a constituent group to fill the remainder of the term of a vacancy in accordance with site SSC bylaws. Alternates are not voting members of the SSC unless they are seated as permanent SSC members and a new roster is approved by the Financial Planning, Monitoring, and Accountability Department.

**SSC Roster** – Elections for the 2020-21 SSC should be completed and the first SSC meeting should be held prior to October 5, 2020. The SSC Membership Roster must be completed and
submitted to the Financial Planning, Monitoring and Accountability Department no later than October 5, 2020 (Attachment 1). We will accept electronic signatures for this submission.

**Bylaws** - All SSCs are governed by a set of bylaws. Each SSC should review and revise the current bylaws as needed. If bylaws are not currently in place, the SSC needs to develop and approve a set of bylaws prior to the October 30, 2020 due date. A sample set of bylaws from the California Department of Education (CDE) is attached (Attachment 2).

Please review the sample as it contains new information. Complete requested actions electronically.

1) **Establish** the 2020-21 SSC with the appropriate configuration.
2) **Download** the SSC roster template (Elementary or Secondary Model) to your computer and complete the SSC Membership Roster (Attachment 1).
3) **Submit electronic roster with electronic signatures to your assigned resource teacher by October 5, 2020.**
4) **Conduct** the first meeting of the newly constituted SSC and do the following:
   - Announce the election results and introduction of new SSC members
   - Review and amend, as needed, the site’s SSC bylaws for 2020-21
5) **Submit** to your resource teacher electronic copies by **October 30, 2020:**
   - SSC Bylaws (Attachment 2).
   - SSC meeting Agenda and Minutes documenting the announcement of the election results and the introduction of new SSC members (Attachments 3a and 3b).

Please review the membership roster carefully to ensure that the SSC meets the mandated composition requirements.

**Schools that do not submit a SSC roster, or that submit a roster that does not reflect a correctly configured SSC with appropriate membership are unable to spend Title I or the 2020-21 SPSA funds until a correct roster is submitted and approved.**

Approval notices signifying that rosters are correct and complete are sent via email to principals from the staff of the Financial Planning, Monitoring and Accountability Department.

**C. It is important that all SSC members fully understand their roles and responsibilities.**
SSC training will be offered to each site and the possibility of a group training, the Resource Teacher from FPMA will be in contact with the site. Online training is also available at our web page [FPMA/SSC](http://FPMA/SSC). Per Education Code section 64001, the SSC is responsible for overseeing the School Plan for Student Achievement (SPSA) and proposing the expenditure of funds available to the school through the following categorical programs:

- Title I (Resource Code 30100)
- Title I Parent Involvement (Resource Code 30103)
- Title I Supplemental Funds (Resource Code 30106)
● Comprehensive School Improvement (Resource Code 31820)

The SSC may wish to adopt and follow Robert’s Rules of Order as its parliamentary guidelines. These rules should be used to assist in the conduct of the committee’s work and not be allowed to become an obstacle. Too many rules may create an unnecessarily formal atmosphere. SSCs should adopt only those rules necessary to keep a meeting moving or settle a disagreement.

D. English Learner Advisory Committee (ELAC), Ed Code section 35147(c); 52063; 52176(b) (c); 62002.5; and 64001(a) - The SSC must comply with all tasks and legal responsibilities of the English Learner Advisory Council (ELAC) if the (ELAC) has voted to have the SSC act as the body responsible for its duties.

The SSC must receive training outlining the additional legal responsibilities, including advising principals and staff about issues relating to programs and services for English Learners (ELs), conducting an EL School Needs Assessment, reviewing and discussing the school’s annual language census, and establishing and following through on plans to make parents aware of the importance of regular school attendance.

The ELAC or the SSC (if it has ELAC authority) also elects or assigns a representative to attend District English Learner Advisory Committee (DELAC) meetings.

E. District Advisory Council for Compensatory Education (DAC) - The SSC at each school designates one of its members (parent, community member, student or non-administrative member) to serve on the DAC as a voting representative. All parent and student representative members of the school SSC are automatically alternate DAC members with voting rights.

The DAC serves as a representative body for all schools and meets with district staff for “meaningful consultation” on state and federal funding, programs, and compliance issues. It is important that each school is represented on the DAC. The DAC representative should be an advocate for the school and committed to attending DAC meetings regularly, provide informed input to discussions and decisions, and share information regularly with the SSC.

Please identify your DAC representative and alternate representative(s) on the SSC Membership Roster, Ed Code section 52063. Per DAC bylaws, all parent and student representative members of the school SSC are automatically alternate DAC members with voting rights. The SSC Membership Roster for all schools must be on file in the Financial Planning, Monitoring and Accountability Department to verify DAC membership (Attachment 1).

Only DAC representatives and/or alternates identified on the SSC Membership Roster are eligible to vote on action items at DAC general meetings. It is imperative that the SSC Membership Roster reflecting a correctly configured SSC is received by October 5, 2020 and revisions are submitted to the Financial Planning, Monitoring and Accountability Department as they occur.

The DAC meets on the third Wednesday of each month, from 6:30-8:15 p.m. via zoom while the district is implementing online learning. Upon return to onsite instruction, the DAC will resume meeting in person as well. An announcement will be made at the time of transition. In
person, meetings are conducted at the Harold J. Ballard Parent Center auditorium, 2375 Congress Street, San Diego, CA, 92110, unless otherwise stated. Childcare and Spanish translation services are provided at the general meetings. The schedule of DAC meeting dates for the 2020-21 school year is attached (Attachments 4 and 5).

E. SSC Training - SSC training is provided by the Financial Planning, Monitoring and Accountability Department. Training is designed to provide information about Title I requirements as well as in-depth guidance about conducting SSC elections, the roles and responsibilities of the SSC and its members in implementing, monitoring, and evaluating the School Plan for Student Achievement. The Resource Teacher in FPMA assigned to a sites’ perspective will be in contact to establish the SSC training date. Online training is also available at FPMA/SSC.

If you have questions regarding SSC membership or requirements, DAC or you would like assistance with any matter related to SSCs, please call the Financial Planning, Monitoring and Accountability Department at (619) 725-5605.
