

A Different Kind of HRA Benefit

A **Gallagher HealthInvest HRA** (health reimbursement arrangement) helps put you in control of your family's healthcare spending. It's a tax free account that's easy to use, and a smart way to save up for future medical bills.

- Use your HRA money now or save it for later (carries over from year to year)
- Keep your HRA money even if you change jobs or medical plans
- Covers you, your spouse, and dependents
- Invest your HRA money using the available fund lineup
- Pay no income or FICA taxes on contributions or investment earnings (if any)
- Get your HRA money fast when you need it
