Welcome to the San Diego Unified School District 2022 Retiree Benefits Program!

We know your benefits are important to you and your entire family, and we are proud to offer a generous and comprehensive benefits package to eligible retirees and their eligible dependents. This is why we developed a benefits program that will meet the broad needs of our retirees and their families. The programs referenced in this booklet are meant to keep you healthy and productive, while also giving you options to plan for and protect yourself in the future. Offering competitive and cost effective benefits to San Diego Unified School District’s retirees is important. It is a way for us to say “thank you” for contributing to the underlying success of the District.

To get the most out of your retiree health benefits program, we encourage you to review this booklet in its entirety.

Enclosed you will find:

- Who is eligible to participate
- How to enroll and how to make changes during the year, if applicable
- Each benefit and a summary of what is covered under the plan
- The Insurance Companies who administer our benefits and how to contact them if you need assistance

If you have any questions about the retiree health benefits described herein or would like more information, please refer to your plan documents and insurance booklets or contact the District’s Employee Benefits Department.

We’re here to help!

If you have any questions at all, please contact the District’s Employee Benefits Department.

Before You Retire: Retiree Checklist
Planning to Retire? Here is a checklist to get you started...

- Visit CalSTRS/CalPERS web sites for information specific to planning your retirement. Use the calculators available on those web sites to estimate your monthly benefit.
- CalSTRS members: Six months before retiring, submit your Service Retirement Application and other required forms online through myCalSTRS account.
- CalPERS members: Six months before retiring, fill out and mail the Retirement Allowance Estimate Request. Three months before retiring, submit your completed retirement application and required documents to CalPERS online through myCalPERS account.
- Submit your Resignation/Retirement/Separation Notice to your immediate supervisor with your retirement effective date. This notice is available on the Human Resource Services web page under Human Resources Forms.
- If you are 65 or older: Three months prior to retirement, enroll in Medicare Parts A and B with the Social Security Administration. This is extremely important prior to enrolling in the District retiree health plan.
- The San Diego Unified School District Benefits Department will mail out a package that will include information about all of your options to continue Health and Life Insurance as a District Retiree. Visit our Retiree benefits webpage (Sandiegounified.org/departments/benefits/Retiree_Benefits) for additional information.

Important
This is not meant to be an all exhaustive list of what employees should be doing to plan for retirement. It is highly recommended you review requirements by visiting the pension system web sites and talking to a benefits counselor.

Eligibility & Enrollment

Who Can Enroll?

A retiree from the San Diego Unified School District may continue medical and dental benefits provided the retiree:

- Was enrolled in District-sponsored medical and dental benefits plans immediately preceding retirement, and
- Receives a monthly service retirement benefit from the California Public Employees’ Retirement System (CalPERS) or the California State Teachers’ Retirement System (CalSTRS), and
- Payment of premium is received within 31 days of the date coverage would normally terminate, and
- Has been continuously enrolled in a District-sponsored medical and dental plan since retirement.

Eligible retirees may also choose to enroll eligible family members, including:

- For medical and dental:
  - A legal spouse who is not on active duty as a member of the Armed Forces, and
  - A Domestic Partner (DP) who is not on active duty as a member of the Armed Forces and who is not legally married to another individual.
- For medical only:
  - An eligible retiree’s child (including any stepchild, legally adopted child, or the biological child of the retiree’s spouse or domestic partner, or child for whom the retiree is named legal guardian by court order) who has not reached their 26th birthday, is not covered for benefits as an employee of the District, and is not on active duty as a member of the armed forces.
  - An eligible retiree’s child (including any stepchild, legally adopted child, or the biological child of the retiree’s spouse or domestic partner, or child for whom the retiree is named legal guardian by court order) who is at least 26 years of age, is primarily dependent upon the retiree for support and maintenance and is incapable of self-sustaining employment because of a mental or physical disability and has been approved by the medical benefits plan i.e., Kaiser or UnitedHealthcare, as being totally disabled prior to reaching age 26.

Your COBRA Rights

Retirees and dependents who were enrolled in a District-sponsored dental and vision plan may be eligible to independently continue benefits, for up to 18 additional months based on their rights under the federal COBRA law, by paying the full monthly premiums (plus 2%) to the District. Enrollment must be made through the District within 60 days of a retiree’s separation from the District.

Tax Implications for Domestic Partnerships and Covered Dependents

Premiums for registered domestic partners who do not meet the tax dependent definition of IRC section 152 for the employee, may be considered taxable income for federal taxes, but not state taxes. Premiums for domestic partners who are not state registered domestic partners and who do not meet the tax dependent definition of IRC section 152 for the employee, may be considered taxable income for federal taxes and state taxes.

Premiums for children:

- Your and your spouse’s children who are under age 26 are not taxable
- Your registered domestic partner’s children are not taxable for state taxes, but are taxable for federal taxes unless they are your tax dependents under IRS Section 152
- Your unregistered domestic partner’s children are taxable for state and federal taxes unless they are your tax dependents under IRS Section 152
- Totally disabled children over age 26 are taxable for state and federal taxes unless they are your tax dependents under IRS Section 152

Dependents who do not meet the definitions as listed above are not eligible dependents  

** Copies of most recent Federal Tax Return must include the signed first two pages and be for the tax year prior to adding the dependents.
When Does Coverage Begin?

Benefits for newly eligible retirees will commence as outlined below:

- Retiree’s benefits become effective the day following the day benefits cease as an active employee.
- Eligible family members’ benefits will commence on the date the retiree’s benefits commence or the date the family member becomes an eligible family member, whichever is later.

Initial Enrollment Period?

New Retirees must enroll in benefits within 31 days of becoming an eligible retiree.

Open Enrollment?

Each autumn, the District provides an Open Enrollment opportunity to review and make changes to your benefits, including:

- Transferring to a different medical or dental plan
- Adding or dis-enrolling eligible family members

Changes made during Open Enrollment are effective January 1st of the following year.

No Dual Coverage Allowed Under District Sponsored Medical Plans

You can enroll in a District-sponsored medical plan as an eligible employee or retiree or as a dependent of an eligible employee or retiree, but not as both an employee and a dependent at the same time.

Family members may not be covered by more than one eligible retiree / employee’s medical plan. For example, if one parent works for the District and the other parent has retired, both parents cannot cover their children.

Dual coverage is however allowed under the dental and vision plans.

Be Prepared & Return Your Enrollment Forms!

- You must enroll within 31 days of your retirement date.
- Turn in your election form for medical and dental benefits in one of four easy ways:

  Scan and e-mail to: employeebenefits@sandi.net
  Fax to: 619.725.8132
  Mail or walk-in to: Employee Benefits – SDUSD
  4100 Normal St., Room 1150A
  San Diego, CA 92103

- Return your enrollment forms along with supporting documentation to the Employee Benefits Department immediately to ensure timely enrollment.
- As you enroll, you will also need to provide personal information, such as Social Security numbers and dates of birth, for any eligible dependents you would like to cover under your Medical or Dental Plan.
- Benefit enrollment forms and informational materials are available online at www.sandiegounified.org/departments/benefits/retiree_benefits.
What if My Needs Change During the Year?

Good news! You are permitted to make changes to your benefits outside of the open enrollment period if you have Qualified Family Status change as defined by the IRS. Generally, you may add or remove dependents from your benefits, as well as add, drop, or change coverage if you submit your request for change within 31 days of the IRS-Qualified Family Status Change. Change in status examples include:

- Marriage, divorce or legal separation.
- Birth or adoption of a child.
- Death of a dependent.
- You or your spouse’s / domestic partner’s loss or gain of coverage through our organization or another employer.
- You enroll, or intend to enroll, in a Qualified Health Plan (QHP) through the State Marketplace or Federal Exchange, and it is effective no later than the day immediately following the revocation of your employer-sponsored coverage.
- Change in residence affecting eligibility or access to HMO health care services. If your change during the year is a result of the loss of eligibility or enrollment in Medicaid, Medicare or state health insurance programs, you must submit the request for change within 60 days.

For a complete explanation of an IRS-Qualified Family Status Change events, please refer to the “Legal Information Regarding Your Plans” contents on page 38.

For information regarding Health Care Reform, please contact your District’s Benefits Department or visit www.cciio.cms.gov. You can also visit www.coveredca.com to review information specific to the Covered California State Health Insurance Exchange.

IF YOU ARE ON A NON-MEDICARE PLAN AND A DEPENDENT MOVES OUTSIDE OF YOUR HMO'S SERVICE AREA, PLEASE NOTIFY THE DISTRICT BENEFITS OFFICE REGARDING AVAILABLE OPTIONS FOR COVERAGE SINCE THE HMO WILL ONLY COVER EXPENSES RELATED TO EMERGENCY OR URGENT CARE.

How Does it Work?

VEBA will assist in matching your out-of-area dependent’s health plan as closely as possible to the health plan you enroll in. Sometimes, your out-of-area dependent(s) may need to be placed/enrolled in another plan. This will ensure your dependent(s) have access to a provider network wherever they live.
Here’s What You Need to Know:

1. You must provide your dependent’s out-of-area address to the district’s benefits office. This will ensure the dependent is placed in an out-of-area plan that has a local provider network. Contact the Employee Benefits Department to request a benefits enrollment/change form.

2. The monthly premium cost for a dependent is subject to change if the dependent is enrolled in an out-of-area plan.

3. The plan your dependent is enrolled in is based on their out-of-area address.

4. Dependents will remain on their out-of-area plan unless they change their permanent address. This means they cannot switch back to your HMO or PPO plan if they return home for a short period, such as winter, spring, or summer break.

5. Dependents who are enrolled in an HMO plan must choose a PCP within 30 miles of their out-of-area address.

*Please remember, if you are in an HMO plan, we will try to keep your dependent in an HMO plan. However, based on your dependent’s address, we may have to enroll them in the out-of-area PPO plan.*

**New ID cards will be issued by the carrier and sent to your address.**

If A Dependent Loses Eligibility

You are responsible for dis-enrolling any dependent who loses eligibility (e.g., divorce, termination of a domestic partnership, death) within 31 days of the dependent’s eligibility status change.

In many cases, dependents losing coverage will be entitled to continue coverage under COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985). They also may want to explore their options through the health insurance Marketplace established under the Affordable Care Act. They can find information for California at [www.coveredca.com](http://www.coveredca.com) or by calling 800.300.1506.

Regardless of the timing of notice to the District, coverage for an ineligible dependent will end on the last day of the month in which the dependent loses eligibility (subject to any continued coverage option available and elected).

Contributions/Premium Payments for Benefits

Health premiums are paid by retirees and billed/debited by the District on a monthly basis. Premiums are based upon a calendar year and are subject to change each year. Premiums are due the first of the month for each month of benefits. If you are eligible to receive a subsidy from your union, your monthly invoice or the amount debited will reflect the appropriate reduction in your monthly premium due for medical benefits. The first payment is due the date benefits terminate as an active employee. If a retiree does not make payments when due, the benefits will cease at the end of the month for which the retiree made the last payment. If benefits are allowed to terminate, they cannot be reinstated. To make the payment process easier, the District offers an electronic payment program. To participate in this program, the retiree must complete and return a Debit Authorization for Benefit Premiums Form to the District.

Termination of Benefits

A retiree’s benefits cease the earliest of:

- For retirees on a non-Medicare plan, the first day of a month for which the retiree submits a cancellation notice or does not make required premium payments to the District by the last day of the month, or
- Medicare Advantage group medical plans follow Medicare-imposed guidelines and have specific requirements for termination. Medicare Advantage group medical plans may not be retroactively terminated. The retiree must give the plan thirty (30) day written advance notice of the termination. The retiree is responsible for all premiums prior to the date of termination.
- The last day of the month in which the retiree dies.

IMPORTANT: If medical and/or dental benefits are terminated, the benefits may not be reinstated in the future.

Benefits of a dependent terminate on the date the retiree’s benefits terminate or the date the dependent ceases to qualify as an eligible dependent, whichever is earlier.

Surviving Dependents Benefits

In the event the retiree dies, please contact the Employee Benefits Department within thirty (30) days of the death regarding information on eligibility for surviving dependent benefits.
Medical Coverage for those not in Medicare Parts A & B (under age 65)

*Which plan type is right for you?*

Use the chart below to help compare medical plan options and determine which would be the best for you and your family. The plan options available to retirees under age 65 are the same plans currently offered to active employees.

**The Options Are the Same in Terms of:**
- Free in-network preventive care
- Emergencies are covered worldwide but employees likely will have to pay first and then be reimbursed by the carrier
- Access to Teledoc Medical which offers expert opinions to all enrolled members on topics such as Critical Care Support, Ask the Expert, In-Depth Medical Review and Find A Doctor where you can learn more about best-in-class providers
- Access to OptumHealth Employee Assistance Program (EAP) and WorkLife Services, The EAP provides short-term, problem-focused counseling in addition to access to referral services for a range of issues from parenting and childcare to money management.
- Chiropractic care through OptumHealth for both Kaiser and UHC members. A referral from your primary physician is not required. However, Optum will determine if services are medically necessary. To find a provider near you, contact OptumHealth at 1.800.428.6337 or search online at www.MyOptumPhysicalHealthofCA.com

**The Options Differ from Each Other in Terms of:**
- The deductibles, copayments, and out-of-pocket maximums
- The prescription drug administration and plan designs
- The networks of doctors and facilities you may use.

For eligible individuals who are entitled to Medicare, the District offers Medicare Advantage HMO plans through Kaiser and UnitedHealthcare (UHC) and a Medicare Advantage PPO through UHC. Please refer to page 24 for information on these options.

You should carefully evaluate your family circumstances before selecting medical plan coverage.
Your Medical Plan Options for Those Not Enrolled in Medicare Parts A & B

San Diego Unified School District offers seven choices of medical plans, including one Kaiser HMO option, five Health Maintenance Organizations (HMO) options administered by UnitedHealthcare, and a Preferred Provider Organization (PPO) option administered by UnitedHealthcare’s subsidiary, UMR.

Using the Kaiser HMO Plan

As a member of the Kaiser Permanente Health Maintenance Organization (HMO) plan, you will receive your medical care from an integrated network of physicians and specialists at a Kaiser medical office, Kaiser medical center or affiliated hospital near you. Additional information regarding the Kaiser Permanente HMO is outlined below:

- You may choose a primary care doctor for yourself or your family members by reviewing a physician’s profile at kp.org/chooseyourdoctor, or receive assistance in selecting a physician and scheduling your first appointment by calling 888.956.1616 (for Southern CA)
- Initial referrals for most specialty care services will be coordinated by your Kaiser primary care physician. However, many departments such as OB/GYN, Optometry, Psychiatry and Addiction Medicine allow for self-referral
- There are no deductibles with the Kaiser Permanente HMO and no claim forms to submit unless you receive emergency services outside of a plan facility
- Preventive care is covered at 100%

An abbreviated schedule of covered services under the Kaiser Permanente HMO plan is listed on page 16. For a complete listing of covered services for each plan, please refer to your Kaiser Evidence of Coverage (EOC).

Kaiser offers many ways to get care:

- Telephone appointments and after-hours care with primary care physicians and specialists: Call 1.800.290.5000 to make a telephone appointment
- 24/7 Nurse Advice Line to see what type of care you need: Call 1.800.290.5000 M-F 7am to 7pm, and 1.888.576.6225 after 7pm and on weekends
- Kaiser Telehealth – Schedule a Phone or Video Appointments on your mobile device or computer for primary care, pediatrics, OB/GYN, allergy or psychiatry; your regular office copay will apply. Download Kaiser’s app at your device’s app store. Type in KP or Kaiser Permanente. Visit: kp.org/getcare
- Target Clinic (provided by Kaiser) Visit: kp.org/scal/targetclinic
- Email your physician for simple, direct communications securely through kp.org
- Travel Line when you are away from home and need medical care: call 1.951.268.3900 for assistance
Using the UnitedHealthcare (UHC) HMO Plans

These HMO’s operate as follows:

- You and your family members ALL must enroll in the same HMO plans for the entire year.
- You and your family members can select different PCPs and/or medical groups within the network you choose. You can also change PCPs or medical groups within the network you choose during the year by contacting UHC.
- You cannot change your HMO plan unless you have an IRS-Qualified Family Status Change (e.g., change in address affecting eligibility or access).
- With the exception of an OB/GYN specialist who is affiliated with your selected medical group, you must receive a referral from your PCP before receiving services from a specialist who must be affiliated with your Medical Group.
- Services may require a fixed-dollar or percentage payment up-front, referred to as a copay or coinsurance.
- There are no annual deductibles, except for the Signature Value Alliance and Journey-Harmony HMOs.
- You do not have to submit claim forms to UHC unless you receive emergency care from a non-plan provider.
- Any services rendered out-of-network without the proper referral from your PCP will not be covered.
- The Signature Value Alliance HMO $1800 HRA plan and the Journey-Harmony HMO each have a Health Reimbursement Account (HRA) associated with the plan. Please see a brief description of each on the next page.
- The UnitedHealthcare Journey Harmony HMO plan includes a proprietary, member-owned HealthInvest HRA (funded by CA Schools VEBA) which gives you a flexible savings option for future health care costs. The money in the HRA (Health Reimbursement Account) is yours to keep and can be used for current qualified medical expenses plus qualified medical expenses after leaving the plan or the District.

Health Reimbursement Accounts (HRA)

Below is important information regarding the Health Reimbursement Accounts (HRA) issued with the Signature Value Alliance HMO $1800 HRA and Journey-Harmony HMO plans:

UHC Signature Value Alliance HMO

- You will be mailed 2 debit cards from Optum Financial to access an $1,800 HRA
- HRA fund can be used to help you pay for out-of-pocket expenses for the HMO’s deductibles, copays and coinsurance for yourself and covered family members. HRA funds can be used for covered benefits under the medical plan only.
- Up to $500 of unused HRA funds will roll over to the next plan year if you continue to be enrolled in the Signature Value Alliance HMO $1800 HRA plan.
- Any remaining funds in the HRA account will be forfeited if you are no longer enrolled in the Signature Value Alliance HMO.

UHC Journey-Harmony HMO

- You will be issued a debit card to access your member-owned Gallagher HealthInvest HRA (Health Reimbursement Account).
- The amount funded to the HRA is based on the number of individuals covered on the medical plan ($1,000 if enrolling as employee only, $1,600 for employees covering one dependent and $2,200 for employees covering two or more dependents). Amounts funded will be prorated for employees joining after January 1.
- You may use the HRA funds to pay for any IRS-qualified out-of-pocket expenses as specified in IRS Code Section 213(d) for out-of-pocket expenses incurred by you or your IRS-qualified dependents as specified in IRS Code Section 152. Examples include copays, deductibles and coinsurance required in your medical, dental and vision plans, orthodontia and hearing aids.
- The HRA is “portable,” which means the account balance continues to be yours even if you change to another health plan and leave the District.
- You have the ability to invest the HRA in a menu of funds offered by Gallagher.
- To obtain more information and to file claims, you may download the HealthInvest app (HRago) or go to the following website: HealthInvestHRA.com.
- A Summary Plan Description (SPD) can be found on the District Benefits webpage for the HealthInvest HRA.
Using the UMR NexusACO Select Plus PPO Plan

With a Preferred Provider Organization (PPO) plan, you have greater flexibility and choice to use both in-network and out-of-network physicians. However, you are encouraged to receive services from in-network doctors, specialists or facilities. By doing so, you obtain a higher level of benefit than if services were rendered from an out-of-network provider. Additional important information regarding the use of the PPO plan includes:

- The Nexus ACO has in-network providers divided into “Tier 1” and “Other” providers. Your out-of-pocket expenses will be lowest when using a Tier 1 provider, higher for Other In-Network providers and highest for Out-of-Network providers. Members can also save money when using an In-Network freestanding lab, x-ray or outpatient care center. Members should look for the “Free-Standing Facility” indicator to find locations near them.
- Members are encouraged to choose a Primary Care Physician (PCP) for each covered family member similar to an HMO, but they can still seek services at any doctor or facility without a referral from their PCP.
- Certain services, such as doctor’s visits, may require a fixed-dollar payment up-front, referred to as a copay.
- Before the insurance company will pay certain medical expenses, such as hospital expenses, you may be required to pay a specific amount, referred to as the calendar year deductible, before benefits are paid.
- Once the deductible has been fulfilled, UMR will pay a large percentage of the cost of your care, known as coinsurance. You are then responsible for the remaining cost up to the calendar year out-of-pocket maximum.
- VEBA and UHC have arranged for a special program that eliminates the deductible, coinsurance and copays for certain hospital-based surgeries through Carrum Health when the surgery is performed at a Carrum Health contracted hospital. This includes spine, orthopedic, coronary artery bypass graft (CABG) and bariatric surgery. Visit carrum.me/CSVEBA for more information.
- myHealthcare Cost Estimator tool helps employees estimate their cost before you see the doctor; visit www.myuhc.com or Health4Me App
- Claim forms are submitted to UMR on your behalf by the service provider, when services are received from within the network.

How to Find a UnitedHealthcare Network Provider

Before you go to the doctor or receive health care services, make sure your doctor, facility or specialist is participating in your plan’s network. This may ensure you receive the highest level of benefit and could reduce your health care costs. Check out the instructions below to find out how to perform a “Provider Search” for your plan or call UnitedHealthcare at 1.888.586.6365 to speak with a representative.

UnitedHealthcare HMO Providers

1. Go to www.csveba.welcometouhc.com Under “Wondering if your doctor is in our network”; select “Find a network doctor or hospital”.
   - Select the appropriate plan: CS VEBA Performance HMO Network 1, 2 or 3, or Journey-Harmony HMO Network. If you are wanting to search for providers within the UHC Signature Value Alliance HMO $1,800 HRA, please do not select CS VEBA Alliance HMO for this plan. Please instead select UHC Signature Value.
2. On the next screen click “continue” and then enter your zip code
3. Then click “People” for information on participating Medical Groups and Physicians. Select Primary Care, Specialty Care or Medical Groups followed by the type of PCP you are looking for

UMR NexusACO PPO Plan Providers

1. Go to www.umr.com Select “Find a Provider”.
2. Click on the letter “U” then select “UnitedHealthcare NexusACO Network”
3. You can search by Name, Specialty, Facility Name, Clinic or Medical Group and other categories
4. The Premium Designation PPO Network in San Diego is changing to the Nexus ACO. UMR’s partnership with large local medical groups such as Sharp Rees-Stealy and Sharp Community Medical Group will increase the overall number of Tier 1 network providers.
Prescription Drug (Rx) Benefits

Many FDA-approved prescription medications are covered through the benefits program. Your prescription drug benefits depend on which medical option you select. Refer to the plan summaries for cost information. Kaiser and UnitedHealthcare have a drug formulary, or preferred list of prescription drugs, including both generic and brand name medications. Important information regarding your prescription drug coverage is outlined below:

Kaiser HMO Members

Employees enrolled in Kaiser have prescription drug coverage through Kaiser.

- There is a $10 copay for all covered prescriptions, for up to a 100-day supply.
- All medicine must be obtained from a Kaiser pharmacy or through Kaiser’s mail order program.

UnitedHealthcare Members

Employees enrolled in a UHC plan have prescription drug coverage through ExpressScripts. You will receive a separate ID card from ExpressScripts for you to use at your pharmacy. You must use an ExpressScripts participating pharmacy or their online mail order service.

- The UnitedHealthcare plan(s) include a 3-tier prescription benefit through ExpressScripts
- Tiered prescription drug plans require varying levels of payment depending on the drug’s tier, and your copayment or coinsurance will be higher with a higher tier number.
- Tier 1 prescriptions offer the greatest value compared to other drugs that treat the same conditions and are often the lowest cost. These are typically formulary generic medications.
- Tier 2 drugs are generally formulary brand name with a moderate copayment. Some drugs may also be Tier 2 because they are “preferred” among other drugs that treat the same conditions.
- Tier 3 drugs are a higher copayment compared to the lower tiers, as they are higher cost, non-formulary drugs. Some drugs on this list may have a generic counterpart in Tier 1 or Tier 2.

To see a current listing of formulary medicines log onto www.express-scripts.com. After registering, click on Prescriptions, followed by Price a Medication.

ExpressScripts has an Express Advantage Network (EAN) of pharmacies that offer greater discounts on prescription medication. The prescription medication copays shown in the schedule on the following pages are for EAN pharmacies. These include Costco, Walmart, K-Mart, Ralhps, Rite-Aid and Vons and many independent pharmacies.

ExpressScripts has also introduced a subset network of the Advantage Network called Smart90. Smart90 pharmacies are for maintenance medications where you can receive up to a 90-day supply of your medication at a reduced price. The Smart90 network includes Costco, RiteAid, and ExpressScripts Mail Order. Costco membership is not required in order to fill a prescription at a Costco pharmacy. Copays will be waived for preferred generic hypertension and preferred generic oral hypoglycemic medications when filled at a Smart90 retail or mail-order pharmacy.

The EAN network and Smart90 network does not include CVS, Walgreens, Target, Safeway and Winn-Dixie and some independent pharmacies.

For medicine dispensed from non-EAN pharmacies, the copays are $5.00 higher than those shown in the schedule on the following pages. Visit www.express-scripts.com for a complete list of EAN and Smart90 pharmacies.

For members on longer-term medications (over 3 months), the use of ExpressScripts’ Mail Order pharmacy is encouraged. If a member chooses to obtain such medicine at a local retail pharmacy beyond the third refill of the prescription (other than at a Costco or Rite-Aid pharmacy), the copays will be doubled for a 30-day supply.

If a member receives a brand-name medication when a generic equivalent is available, the member will pay the generic medication copay plus the entire price difference in cost between the brand-name medication and the generic equivalent, even if the physician prescribes “Dispense as Written.”

Many drugs in the following three classes are available both over-the-counter (OTC) and through a physician’s prescription. As a result, medicine in these three classes are no longer covered under the ExpressScripts pharmacy benefits program. Therefore, you will pay the entire cost of these medicines even if they are prescribed by a physician and obtained from a pharmacy. The classes are:

- Antihistamines (Examples: Citirizine, Loratadine, and Fexofenadine)
- Intranasal Steroids
- Proton Pump Inhibitors (Examples: Nexium, Prilosec and Protonix)
Express Scripts has implemented a new program for Specialty Medicine called SaveOnSP effective October 1, 2019. This program is designed to save members money by reducing or eliminating out-of-pocket costs on certain specialty medicines. More than 150 specialty medications will be available at no cost when members enroll in the program and have these specialty medicines dispensed by the Express Scripts mail order provider, Accredo. Members on these medicines will receive a letter to sign up for SaveOnSP. **Members who do not enroll in the program will be subject to increased copays for specialty medicine. These copays can range from $700 to more than $7,000 per month.**

**Why Pay More for Prescriptions?**

There are a few ways you might save money through the Prescription Drug plan:

- **Use Generic Drugs:** Talk to your doctor or pharmacist about trying generic drugs, which contain the same active ingredients as the brand-name equivalent at a fraction of the cost.

- **Use Mail Order:** If you take long-term medications for chronic conditions such as high blood pressure, diabetes, and/or depression, you could save time and money by utilizing your mail order service for your medications. Up to a 90-day supply of your medication will be shipped directly to your home. Ask your doctor to write you a 90-day prescription to use Mail Order. Please contact Express Scripts for more information about their mail order service for UnitedHealthcare members.

  UHC members can get the same mail order discounts at Rite Aid and Costco pharmacies.

  Note: This offer does not apply to specialty medications that MUST BE filled through Express Scripts’ Specialty Pharmacy, Accredo.

- **Price Compare:** Some pharmacies, such as those at warehouse clubs or discount stores, may offer less expensive prescriptions than others. By calling ahead, you may determine which pharmacy provides the most competitive price.

UnitedHealthcare Telemecine / Online Program

If you are enrolled in any UHC plan, you can obtain medical assistance from the comfort of your home. To learn more and register for their services, go online to www.AmWell.com (or call 1.844.733.3627) or www.doctorondemand.com (or call 1.800.997.6196).

This program provides convenient and affordable care for symptoms such as the flu, allergies, sore throat, pink eye and more. You will have 24/7/365 access to a physician via secure webcam, chat, phone, or mobile application. The cost to you for this service is the same as your plan’s PCP office visit copay.
VEBA Member Benefits

The District is a member of the California Schools Voluntary Employees Benefits Association (VEBA). Membership provides the additional resources for you and your enrolled dependents.

VEBA Advocacy

Navigating the healthcare system can be a confusing and complicated experience. The VEBA Advocacy Department is here to help. VEBA members can reach out to an Advocate when they are experiencing an issue with their insurance carrier or their health care providers.

Contact VEBA Advocacy when you...

- Are experiencing trouble with a doctor or insurance carrier
- Need help getting a referral or second opinion
- Have quality of care or other escalated issues

Call 1.888.276.0250 or email advocacy@mcgregorinc.com

VEBA Resource Center (VRC)

The VEBA Resource Center (VRC) is a caring and safe environment that supports VEBA Members as they define their path to well-being. Everyone’s health care journey is unique, so we help our Members find the resources that work for them. The VRC is centered around each Member. With a focus on improving overall health, VRC services consider one’s mental health, activity level, stress and nutrition.

Most health care systems are designed for efficiencies, which does not give people the space they need to explore their most pressing issues. At the VRC, we look at chronic disease more often as the symptom of greater underlying challenges, as opposed to the singular challenge to solve. Our team of providers helps identify those challenges and personalized, holistic approaches to healing. For more information, visit Resource Center website at VEBAResourcecenter.com.

Teledoc Medical (formally Best Doctors)

Your expert medical services with Best Doctors will now be provided by Teledoc Medical Experts to offer the same great medical advice, but with easier access. Get the answers you need from world-renowned experts by web, phone or app at no additional cost to you. It provides free consultations with medical experts so you can make sure you have the right diagnosis and treatment when you have a serious, complex medical condition. This program is for members covered under both the Kaiser and UnitedHealthcare plans.

Services are free, confidential, and just a phone call away at 1.800.Teledoc (835.2362)

- Ask the Expert – Get answers to medical questions or concerns from a leading expert
- Find a Doctor – Get help finding a doctor who specializes in your specific condition

Medical Coverage for those with Medicare Parts A & B

General Information about Medicare

Medicare is a health insurance program for:
- People age 65 and over
- People under 65 with certain disabilities
- People of any age with End-Stage Renal Disease (ESRD)-permanent kidney failure requiring dialysis or a kidney transplant

Whether you are turning 65 or are older than 65 (still working but about to retire), you have an opportunity to enroll in Medicare. Individuals enrolling for coverage to be effective when they turn 65 can enroll three months before the month they turn 65, the month of their birthday or three months after their birth month. Individuals who work beyond age 65 and are covered by District medical benefits should begin the process of enrolling three months before the month they plan on retiring from the District.

Eligibility requirements include:
- You or your spouse have worked for at least 10 years (40 quarters) in Medicare-covered employment, and
- You’re a U.S. citizen or permanent resident for at least five years
- Even if you’re not collecting Social Security yet, you’re eligible to join at age 65 or later

When Medicare coverage begins for those enrolling for coverage to begin at age 65:
If your birthday is not the first day of a month, Medicare coverage begins the first of the month in which you turn 65 if you enroll that month or during the 3 months before turning 65. If your birthday is on the first day of the month, your Medicare coverage starts the first day of the prior month.

If you continue your medical coverage through San Diego Unified School District (“SDUSD”) by enrolling in a Medicare Advantage Plan, it is still necessary to enroll in Medicare Parts A and B; however, it is not necessary to enroll in an independent Medicare Part D plan (prescription drug coverage). The Medicare Advantage medical plans offered by the District include prescription drug coverage.

Important!

Please note that if you enroll in another Medicare Advantage plan or a stand-alone Medicare Part D prescription drug plan after your enrollment in a District plan, you will be disenrolled from your Medicare Advantage Plan provided through the District.

* Please consult the Social Security Administration to verify eligibility in Medicare Parts A and B at 1.800.772.1213 or www.socialsecurity.gov. You cannot enroll in Medicare through the SDUSD Employee Benefits Department.

IMPORTANT DISTRICT ENROLLMENT INFORMATION:

The SDUSD Medicare plan enrollment form must be completed and submitted with a copy of your Medicare ID Card/Medicare Entitlement Letter to the Employee Benefits Department, no later than the 15th of the month prior to the start of your Medicare plan to ensure a timely enrollment. Delayed enrollment may result in a substantial increase to your monthly premium and loss of your Retiree Medical Benefits Fund (“subsidy”), if applicable. Refer to the Veba/SDUSD Retiree Benefits Comparison sheet for an overview of available plans, and for Medicare Advantage plan rates and detailed plan information visit www.sandiegounified.org/departments/benefits/Retiree_Benefits. If your rate is not included, please contact the Employee Benefits Department at 619.725.8130 or by email at employeebenefits@sandi.net, Monday – Friday from 8:00 a.m – 5:00 p.m.

To ensure timely enrollment:
- Contact the Social Security Administration 3 months prior to your 65th birthday month to enroll in Medicare Parts A & B.
- Review the plan year Veba/SDUSD Retiree Benefits Comparison and medical premium rate sheets.
- Complete a SDUSD Medicare plan enrollment form (forms are not automatically mailed; please contact the District to obtain the applicable form). For your convenience, you may also find the enrollment forms on www.sandiegounified.org/departments/benefits/Retiree_Benefits. If you cover a dependent(s), you must select a Medicare Advantage plan with the same carrier as the dependent plan.
- Attach the required copy of your Medicare A & B ID Card/Entitlement Letter to your enrollment form.
Medical Coverage for those in Medicare Parts A & B

IMPORTANT INFORMATION REGARDING CERTIFICATE OF CREDITABLE COVERAGE

Each November, members will receive an annual “Certificate of Creditable Coverage” from our third party administrator, California Schools Voluntary Employee Benefits Association (VEBA), as required by Federal Law. If you are on Medicare or have a dependent on Medicare, you must KEEP this certification in your permanent records. Should you ever leave the VEBA program to purchase an individual plan, you will be required to provide Medicare with copies of each certificate of creditable coverage that you have received from VEBA.

YOUR MEDICAL PLAN OPTIONS FOR THOSE ENROLLED IN MEDICARE PARTS A & B

Retirees entitled to Medicare have three available Medicare Advantage plan options through VEBA/SDUSD:

1. Kaiser Senior Advantage HMO plan for those living in the California, Hawaii and Colorado Kaiser HMO service areas and who are enrolled in Medicare Parts A and B

2. UnitedHealthcare (UHC) Medicare Advantage HMO plan for those living in the Southern California UHC HMO service area and who are enrolled in Medicare Parts A and B

3. UnitedHealthcare (UHC) Group Medicare Advantage PPO plan for retirees enrolled in Medicare Parts A and B and who wish to have the freedom to obtain medical care outside of the local service area. This plan is available nationwide. You can see any provider (network or out-of-network) at the same cost share as long as they accept the plan and have not opted out of or been excluded from Medicare. However, you must use pharmacies in UHC’s network for covered prescription medication.

For all three options, Medicare beneficiaries must assign all of their Medicare benefits to the health plan you select, i.e., Kaiser or UnitedHealthcare.

- For couples where either the retiree or spouse has Medicare Parts A and B, but the other partner does not, the one without Medicare may enroll in one of the plans described on the previous pages for those not enrolled in Medicare. All plans need to be with the same health carrier.

The above information is merely a brief description of the major benefits offered through the District. It is not intended to alter or expand benefits, rights or liabilities as set forth in the official plan document contracts. Please refer to the Summary of Benefits or Evidences of Coverage for each plan for complete details of Plan benefits, limitations and exclusions.
Dental Plan

A smile is the nicest thing you can wear.

Dental benefits are another important element of your overall health. With proper care, your teeth can and should last a lifetime. The District offers three choices of dental plans to eligible retirees. The retiree pays the full cost of coverage on a monthly basis.

Using the HMO and PPO Plan

The District offers two Dental Health Maintenance Organization (HMO) plans offered by Delta Dental (DeltaCare USA) or Western Dental, as well as a Dental Preferred Provider Organization (PPO) plan offered by Delta Dental.

Using the Plans

If you decide to enroll in either of the Dental HMO plans, you and your enrolled eligible dependents must first select a primary care dentist who participates in that network. To receive benefits in the Dental HMO plan, your dental care must either be provided by or referred to a specialist by your primary care dentist. If you receive services from any other dentist, you will be responsible for paying the entire dental bill yourself.

The Delta Dental PPO provides you and your eligible dependents with the flexibility to choose any licensed dentist or specialist. Your share of the cost of services depends on whether you use a dentist in Delta Dental’s PPO network or an out-of-network dentist. If you choose a PPO dentist, you’ll receive the highest level of benefit from the plan versus an out-of-network dentist who has not agreed to provide services at the negotiated rate. Additionally, no claim forms are required when using in-network PPO dentists. If you go to a dentist not affiliated with Delta Dental, you may have to pay the dentist’s total fee and then submit your claim form to Delta Dental for reimbursement.

Kaiser and UHC Medicare Advantage medical plans automatically include a basic dental benefit which cannot be waived. Please contact the carrier directly i.e. Kaiser or UnitedHealthcare for additional information regarding these dental plans.

Choose your Primary Care Dentist

It’s important to carefully select a dental provider, and based on the plan you enroll in, the best choice for you may vary. To determine whether your dentist is in or out of your insurance network, go to www.deltadentalins.com or www.westerndental.com and search the Provider Network.

Plan highlights for all dental plans are included on the next page for your review and consideration.

Vision Plan

Keep a clear focus on your sight.

This separate vision benefit is available only for retirees who elected to continue vision coverage for a maximum of 18 months based upon their rights under the Federal COBRA law within 60 days after retirement. Coverage for medical care for your eyes, such as eye infection, injury or glaucoma is provided through your medical plan. Please review the summary of benefits for your medical plan to see if it also includes any vision exam or hardware benefit.

Your Vision Plan

Vision coverage is offered by Vision Service Plan as a Preferred Provider Organization (PPO) plan. The plan has coverage for routine eye exams, frames and lenses.

Using the Plan

As with a traditional PPO, you may take advantage of the highest level of benefit by receiving services from in-network vision providers and doctors. You would be responsible for a copayment at the time of your service. There is no ID card; just make an appointment with a VSP-Signature doctor and tell them you are a VSP member. However, if you receive services from an out-of-network doctor, you pay all expenses at the time of service and submit a claim for reimbursement up to the VSP-allowed amount.

Any questions pertaining to your vision coverage can be directed to Vision Service Plan by calling 1.800.877.7195 or visiting their website, www.vsp.com.

Hearing Aids

VSP Members Exclusive Member Extra Benefit – TruHearing Hearing Aid Discount Program

The cost of a pair of quality hearing aids usually costs more than $5,000. TruHearing is making hearing aids affordable by providing exclusive savings to all VSP Vision Care members. VSP members can save up to $2,400 on a pair of digital hearing aids. Dependents and even extended family members are eligible for exclusive savings too.

In addition to great pricing, TruHearing provides VSP members with:

- Three visits for an exam, fitting, adjustments and cleanings with a TruHearing-participating licensed hearing aid professional. The provider may charge up to $75 for the exam.
- 45-day money back guarantee
- Three-year manufacturer’s warranty for repairs and for one-time loss and damage
- 48 free batteries per hearing aid
- Deep discounts on replacement batteries shipped directly to your home

How Do You Get Started?

1. Call TruHearing at 1.877.396.7194. You and family members MUST mention VSP when you call.
2. TruHearing will answer your questions and schedule a hearing exam with a local, participating provider.
3. The provider will make a recommendation, order the hearing aids through TruHearing, and fit them for you.

Learn more about this VSP Exclusive Member Extra at www.truhearing.com/vsp or call TruHearing at 1.877.396.7194.

The relationship between VSP and TruHearing is that of independent contractors. VSP makes no endorsement, representations or warranties regarding any products or services offered by TruHearing, a third-party vendor. Basic Life and AD&D

Protect Your Loved Ones

In the event of your death, Life Insurance will provide your family members or other beneficiaries with financial protection and security.

District-Paid Basic Life and AD&D Coverage

Your District-paid Basic Life and AD&D benefit ceases on your retirement date. However, Hartford offers two options to continue the amount of your Basic Life insurance with an individual policy without your having to provide evidence of good health. Application for either option must be made within 31 days of your retirement. The options are:

1. Convert to a Permanent, level-premium policy, or
2. If you have not reached your Social Security Normal Retirement Age, “port” your insurance to a different Term, increasing-premium insurance policy.

These post-retirement options do not include AD&D insurance. Conversion plan rates and benefits may differ greatly from the group plan. If you are interested in receiving a rate quote and determining your eligibility for this option, please contact the Employee Benefits Department to complete a Notice of Conversion and/or Portability Rights Form on your behalf. The completed form will be returned back to you for submission to Selman & Co which is the administrator selected by Hartford Life. Billing for any coverage that is ported/converted will not be managed by the District.

Premium Waiver Provision: If you are totally disabled (as defined by Hartford) on the day you cease working as a benefit-eligible employee and are under age 70, you may be eligible to continue your Basic Life insurance with no premium payments up to the earlier of your age 70 or the date you are no longer totally disabled. If you think you may be eligible, please contact the Employee Benefits Department to request a premium waiver claim form.

Are Your Beneficiaries Up to Date?

Beneficiaries are individuals or entities that you select to receive benefits from your policy.

- You can change your beneficiary designation at any time.
- To select or change your beneficiary, please visit: https://enroll.thehartfordatwork.com

You will need to have the following information for each beneficiary you would like to designate:

- Name
- Birth Date
- Social Security Number
Voluntary Life Insurance

For retirees who elected Voluntary Supplemental Life insurance coverage (excludes AD&D coverage) as an active employee for yourself and/or spouse/RDP, you may:

1. Continue that existing coverage by contacting Hartford directly at 1-855-396-7655 after your retirement date but within 60 days of retirement. Billing for monthly premium payments will continue to be handled by the District, or

2. Elect to change to an individual policy with The Harford within 31 days of your retirement and without having to provide evidence of insurability. The options are:
   a. Convert to a Permanent, level-premium policy, or
   b. If you have not reached your Social Security Normal Retirement Age, “port” your insurance to a different Term, increasing-premium policy.

To obtain more information about individual policies, please first contact the Employee Benefits Department for a Notice of Conversion and/or Portability Rights form within 31 days of your retirement date

Please note: If you elect to continue the existing program through the District, benefits reduce in accordance with the following schedule:

Spending Accounts

Flexible Spending Accounts (FSA)
If you contributed to a Health Care FSA as an active employee, you may submit claims for expenses that were incurred during the portion of the plan year up to the end of the month after termination except when termination of employment occurs between June 1 and August 31 of the plan year. In that case, you may continue to submit claims for expenses incurred up to August 31 of the plan year. The plan year is defined as January 1 to December 31. A Health Care FSA is eligible for COBRA continuation through the end of the plan year only if there is a positive balance in the Health Care FSA account at the time of retirement. Continuation of a Health Care FSA under COBRA is not a pre-tax benefit and is subject to a 2% administrative fee. In lieu of COBRA, active employees may continue their coverage after retirement through the end of the current plan year by contacting the District Benefits Department to have the remainder of their annual election deducted from their last paycheck on a pre-tax basis.

If you contributed to a Dependent Care FSA as an active employee, you may submit claims for employment related dependent care expense reimbursements incurred through the remainder of the plan year in which you retired from the District. Claims must be submitted for reimbursement within 90 days after the end of the plan year.

| Healthcare FSA | • Can reimburse for eligible healthcare expenses not covered by your medical, dental, and vision insurance.  
• Maximum contribution for 2022 is $2,750. |

Remember to Plan Carefully!

- You cannot change your Health Care FSA contributions during the year unless you experience an applicable Qualified Life Event. In lieu of COBRA, active employees can elect to have the remainder of their annual Health Care FSA election deducted pre-tax from their final paycheck.
- You should use all the funds in your account(s) prior to retirement. Any amount remaining in your account(s) at the end of the calendar year cannot be refunded or carried over to the next year. If you don’t use the money in your Health Care FSA, you’ll lose it, based on IRS regulations.
- You must save all receipts* as proof of the eligibility of the expense is required by the Internal Revenue Code (IRC); even if you use your American Fidelity Benefits Debit Card as payment.

*The Internal Revenue Code (IRC) requires proof of the eligible expenses using itemized receipts or other documentation showing the date of service, person for whom service was provided and description of the expense. Depending on the type of expense, documentation may come in the form of third party itemized statements or Explanation of Benefits.

REMEMBER TO PLAN CAREFULLY!

INDIVIDUALS ENROLLED IN THE UNITEDHEALTHCARE SIGNATURE VALUE ALLIANCE HMO $1800 OR THE JOURNEY-HARMONY HMO PLAN MAY NOT RECEIVE REIMBURSEMENT FROM BOTH THEIR HEALTH REIMBURSEMENT ACCOUNT AND THEIR HEALTH CARE FSA FOR THE SAME OUT-OF-POCKET HEALTH CARE EXPENSES.

Receiving Reimbursements
If you do not receive automatic reimbursement by using your debit card, you can submit a manual reimbursement request by:

- **Online:** https://americanfidelity.com
- **Email:** flex@americanfidelity.com
- **Phone:** 1.800.662.1113
- **Mail:** P.O. Box 25510, Oklahoma City, OK  73125-0510
- **Mobile App:** AFmobile

You may receive your manual reimbursement by check in the mail or by means of direct deposit into your personal Checking or Savings Account.
Employee Assistance Program (EAP)
(EXCLUDES RETIREES ON MEDICARE PLANS)

There may be times in your life when you need personal help and don’t know where to turn. Whatever the problem, you don’t need to handle it alone. VEBA has arranged to provide confidential EAP services through Optum Health to retirees under age 65 retirees and their dependents who are covered by a District-sponsored medical plan.

When you call the EAP, you will be connected with a licensed EAP counselor who will help you determine the most appropriate type of assistance to resolve your issue. The EAP provides up to five (5) face-to-face confidential and personal counseling sessions per incident, per 12 months, at no cost through participating providers.

- For authorization or referrals call Optum EAP at 1.888.625.4809 or visit the EAP’s website at www.LiveAndWorkWell.com.
- Use Access Code: VEBA

The EAP program can help with life issues through a wide range of services, including face-to-face counseling sessions or a referral to community resources. Here are some examples:

Counseling Services:
- Depression, anxiety and stress
- Workplace conflicts
- Grief and loss
- Relationship problems
- Alcohol and substance abuse/addiction

Dependent Care Referrals:
- Referrals to child care or elder care providers
- Referrals to home health care providers

Legal and Financial Issues (One free 30-minute legal consultation is provided; subsequent assistance is available with a 25% discount.)
- Wills, trusts and estate planning
- Divorce or custody
- Small claims and personal injury
- Real estate transactions
- Financial planning and debt management
- Planning for retirement
Retirement Savings Plans - IRC 457(B) / 403(B)

After your retirement, you may not make contributions to your Deferred Compensation IRC 457(b) plan or your Tax Sheltered Annuity IRC Section 403(b) plan. In general, your withdrawal options are listed below; however, it is strongly recommended that you discuss your options with a financial advisor at Variable Annuity Life Insurance Company (VALIC) by calling at 619.718.7000 or by going to MyRetirementManager.com.

To check your 457(b) plan and/or the 403(b) plan account balance, view your contributions, change your investments and more, visit MyRetirementManager.com. For login or password assistance please contact the Fiscal Control Department at 1-619-725-7669 or send an email to deferred.comp@sandi.net.

Additional 457(b) and 403(b) Information

Distributions after Retirement: Upon retirement from the District, you are entitled to request a full distribution of your vested account balance. This may be done as a rollover to another 457(b) or 403(b) plan, a 401(k) plan, or to an IRA. You also may request a lump-sum cash payment to yourself. Please be aware of possible taxes and penalties, which may apply to any payment other than a rollover. To avoid tax penalties, IRS determined required minimum withdrawals must commence in the calendar year in which a retiree attains age 72.

Marsh & McLennan Insurance Agency LLC does not serve as advisor, broker-dealer or registered investment advisor for this plan. All of the terms and conditions of your plan are subject to applicable laws, regulations and policies. In case of a conflict between your plan document and this information, the plan documents will always govern.

Plan Guidelines and Evidence of Coverage

The benefit summaries listed on the following pages are brief summaries only. They do not fully describe the benefits coverage for your health and welfare plans. For details on the benefits coverage, please refer to the plan’s Evidence of Coverage. The Evidence of Coverage or Summary Plan Description is the binding document between the elected health plan and the member.

A health plan physician must determine that the services and supplies are medically necessary to prevent, diagnose, or treat the members’ medical condition. These services and supplies must be provided, prescribed, authorized, or directed by the health plan’s network physician unless the member enrolls in the PPO plan where the member can use a non-network physician.

The HMO member must receive the services and supplies at a health plan facility or skilled nursing facility inside the service area except where specifically noted to the contrary in the Evidence of Coverage.

For details on the benefit and claims review and adjudication procedures for each plan, please refer to the plan’s Evidence of Coverage. If there are any discrepancies between benefits included in this summary and the Evidence of Coverage or Summary Plan Description, the Evidence of Coverage or Summary Plan Description will prevail.

Informing You of Health Care Reform - The Affordable Care Act (ACA)

You can obtain health insurance through our benefits program or purchase coverage elsewhere, such as a State Health Insurance Exchange.

For more information regarding Health Care Reform, please contact the District’s Employee Benefits Department or visit www.ccio.cms.gov. You can also visit www.coveredca.com to review information specific to the Covered California State Health Insurance Exchange.

As part of ACA, “full-time” employees, as defined by ACA will receive an IRS Form 1095-C from the District. This form provides information about whether the District offered such employees medical benefits plans that met ACA “Affordability” and “Minimum Value” requirements in the prior calendar year. The form also identifies the months that eligible employees were enrolled in a medical benefits plan in the prior calendar year. Covered dependents will not be reflected on this Form.

In addition, employees, retirees and COBRA beneficiaries who were covered under a District-sponsored medical plan in the prior calendar year will receive an IRS Form 1095-B from their medical benefits provider, i.e., Kaiser or UnitedHealthcare. The form also will identify the months in the prior calendar year that eligible employees, retirees COBRA beneficiaries and their family members were enrolled in a medical benefits plan.

The above identified individuals should receive the forms by January 31 of the subsequent calendar year and can be used by individuals for the completion of their federal tax filings and to prove enrollment in medical benefits in the event an individual is audited by the IRS.
Medicare Part D Notice

Important Notice about Your Prescription Drug Coverage and Medicare

Model Individual CREDITABLE Coverage Disclosure

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare prescription drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Your employer has determined that the prescription drug coverage offered is expected to pay, on average, as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare prescription drug plan.

What Happens to Your Current Coverage if You Decide to Join a Medicare Prescription Drug Plan?

Individuals who are eligible for Medicare should compare their current coverage, including which drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in their area.

If you are eligible for Medicare and do decide to enroll in a Medicare prescription drug plan and drop your employer’s group health plan prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back.

Please contact Human Resources for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

Your medical benefits brochure contains a description of your current prescription drug benefits.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with your employer and don’t join a Medicare prescription drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information about This Notice or Your Current Prescription Drug Coverage...

Contact your Human Resources Department for further information NOTE: You will receive this notice annually, before the next period you can join a Medicare prescription drug plan, and if this coverage through your employer changes. You also may request a copy of this notice at any time.

For More Information about Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans. For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit the Social Security Administration (SSA) online at www.socialsecurity.gov, or call SSA at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare prescription drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
**Medicare Part D Notice**

**Important Notice about Your Prescription Drug Coverage and Medicare**

**Model Individual NON-CREDITABLE Coverage Disclosure**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. For information about where you can get help to make decisions about your prescription drug coverage, contact your Human Resources Department.

There are three important things you need to know about your current coverage and Medicare’s prescription drug coverage:

3. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

4. Your employer has determined that the prescription drug coverage offered is NOT expected to pay, on average, as much as standard Medicare prescription drug coverage pays and is therefore considered Non-creditable Coverage. This is important because, most likely, you will get more help with your drug costs if you join a Medicare drug plan, than if you only have prescription drug coverage from your employer. This is also important because it may mean that you may pay a higher premium (a penalty) if you do not join a Medicare drug plan when you first become eligible.

5. You can keep your current coverage from your employer. However, because your coverage is non-creditable, you have decisions to make about Medicare prescription drug coverage that may affect how much you pay for that coverage, depending on if and when you join a drug plan. When you make your decision, you should compare your current coverage, including what drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area. Read this notice carefully – it explains your options.

**When can you join a Medicare drug plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 to December 7.

**If Your Plan is an Employer/Union Sponsored Group Plan:** However, if you decide to drop your current coverage with San Diego Unified School District, since it is employer/union sponsored group coverage, you will be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan; however you also may pay a higher premium (a penalty) because you did not have creditable coverage under employer/union sponsored group plan.

**If Previous Coverage Provided was Creditable Coverage:** Since you are losing creditable prescription drug coverage, you are also eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

**When will you pay a higher premium (penalty) to join a Medicare drug plan?**

Since the coverage provided by your employer, is not creditable, depending on how long you go without creditable prescription drug coverage you may pay a penalty to join a Medicare drug plan. Starting with the end of the last month that you were first eligible to join a Medicare drug plan but didn’t join, if you go 63 continuous days or longer without prescription drug coverage that is creditable, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

**What happens to your current coverage if you decide to join a Medicare prescription drug plan?**

If you decide to join a Medicare drug plan, your current coverage will be affected.

For those who elect Part D coverage, coverage under the employer plan will end for the individual and all covered dependents.

See pages 9 – 11 of the CMS Disclosure of Creditable Coverage To Medicare Part D Eligible Individuals Guidance (available at http://www.cms.hhs.gov/CreditableCoverage/), which outlines the prescription drug plan provisions/options that Medicare eligible individuals may have available to them when they become eligible for Medicare Part D.

If you do decide to join a Medicare drug plan and drop your current coverage, be aware that you and your dependents may not be able to get this coverage back.

**For More Information about this Notice or Your Current Prescription Drug Coverage...**

Contact your Human Resources Department for further information NOTE: You’ll receive this notice annually, before the next period you can join a Medicare drug plan, and if this coverage through your employer changes. You also may request a copy of this notice at any time.

**For More Information About Your Options under Medicare Prescription Drug Coverage...**

**Remember:** Keep this notice. If you enroll in one of the plans approved by Medicare which offer prescription drug coverage, you may be required to provide a copy of this notice when you join to show that you are not required to pay a higher premium amount.
Legal Information Regarding Your Plans

REQUIRED NOTICES

Women’s Health & Cancer Rights Act

The Women’s Health and Cancer Rights Act (WHCRA) requires group health plans to make certain benefits available to participants who have undergone or who are going to have a mastectomy. In particular, a plan must offer mastectomy patients benefits for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. Your plans comply with these requirements.

Health Insurance Portability & Accountability Act Non-discrimination Requirements

Health Insurance Portability & Accountability Act (HIPAA) prohibits group health plans and health insurance issuers from discriminating against individuals in eligibility and continued eligibility for benefits and in individual premium or contribution rates based on health factors. These health factors include: health status, medical condition (including both physical and mental illnesses), claims experience, receipt of health care, medical history, genetic information, evidence of insurability (including conditions arising out of acts of domestic violence and participation in activities such as motorcycling, snowmobiling, all-terrain vehicle riding, horseback riding, skiing, and other similar activities), and disability.

Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, HIPAA Special Enrollment Rights require your plan to allow you and/or your dependents to enroll in your employer’s plans (except dental and vision plans elected separately from your medical plans) if you or your dependents lose eligibility for that other coverage (or if the employer stopped contributing towards your or your dependents’ other coverage). However, you must request enrollment within 30 days (60 days if the lost coverage was Medicaid or Healthy Families) after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Other midyear election changes may be permitted under your plan (refer to “Change in Status” section). To request special enrollment or obtain more information, contact your Human Resources Representative.

*HIPAA Special Enrollment Opportunities* include:

- COBRA (or state continuation coverage) exhaustion
- Loss of other coverage (1)
- Acquisition of a new spouse or dependent through marriage (1), adoption (1), or placement for adoption (1) or birth (1)
- Loss of state Children’s Health Insurance Program coverage (e.g., Healthy Families) (60-day notice) (1)
- Employee or dependents become eligible for state Premium Assistance Subsidy Program (60-day notice)

IMPORTANT INFORMATION ON HOW HEALTH CARE REFORM AFFECTS YOUR PLAN

Primary Care Provider Designations

For plans and issuers that require or allow for the designation of primary care providers by participants or beneficiaries:

- Your HMO generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact your Human Resources office.

For plans and issuers that require or allow for the designation of a primary care provider for a child:

- For children, you may designate a pediatrician as the primary care provider.

For plans and issuers that provide coverage for obstetric or gynecological care and require the designation by a participant or beneficiary of a primary care provider:

- You do not need prior authorization from your insurance provider or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your Human Resources office.

Grandfathered Plans

If your group health plan is grandfathered then the following will apply. As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the plan administrator.

Prohibition on Excess waiting Periods

Group health plans may not apply a waiting period that exceeds 90 days. A waiting period is defined as the period that must pass before coverage for an eligible employee or his or her dependent becomes effective under the Plan.

Preexisting Condition Exclusion

Effective for Plan Years on or after January 1, 2014, Group health plans are prohibited from denying coverage or excluding specific benefits from coverage due to an individual’s preexisting condition, regardless of the individual’s age. A PCE includes any health condition or illness that is present before the coverage effective date, regardless of whether medical advice or treatment was actually received or recommended.

CONTINUATION COVERAGE RIGHTS UNDER COBRA

You’re getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.

When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan’s Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse’s plan), even if that plan generally doesn’t accept late enrollees.

CONTINUATION COVERAGE RIGHTS UNDER COBRA (CONTINUED)

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you’re an employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you’re the spouse of an employee, you’ll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse’s hours of employment are reduced;
- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee’s hours of employment are reduced;
- The parent-employee’s employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (under Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a “dependent child.”

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to [enter name of employer sponsoring the Plan], and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee’s spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- Commencement of a proceeding in bankruptcy with respect to the employer; or
- The employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child’s losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to anyone covered under the Plan who are spouses, dependent children, or anyone else eligible for COBRA continuation coverage under the Plan.

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage. There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

How is COBRA continuation coverage provided? (Continued)

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, Children’s Health Insurance Program (CHIP), or other group health plan coverage options (such as a spouse’s plan) through what is called a “special enrollment period.” Some of these options may cost less than COBRA continuation coverage. You can learn more about these options at www.healthcare.gov.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don’t enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period (1) to sign up for Medicare Part A or B, beginning on the earlier of:

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don’t enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

EMPLOYEE RIGHTS & RESPONSIBILITIES UNDER THE FAMILY MEDICAL LEAVE ACT

Basic Leave Entitlement

Family Medical Leave Act (FMLA) requires covered employers to provide up to 12 weeks of unpaid, job protected leave to eligible employees for the following reasons:

- For incapacity due to pregnancy, prenatal medical care or child birth;
- To care for the employee’s child after birth, or placement for adoption or foster care;
- To care for the employee’s spouse, son or daughter, child or parent, who has a serious health condition; or
- For a serious health condition that makes the employee unable to perform the employee’s job.

(1) www.healthcare.gov/abouthealthcare/medicare-and-you
Military Family Leave Entitlements

Eligible employees whose spouse, son, daughter or parent is on covered active duty or call to covered active duty status may use their 12-week leave entitlement to address certain qualifying exigencies. Qualifying exigencies may include attending certain military events, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment reintegration briefings.

FMLA also includes a special leave entitlement that permits eligible employees to take up to 26 weeks of leave to care for a covered veteran who is on covered active duty or call for a period of 5 years after the veteran's release. An eligible employee is one who is a current or former member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recovery or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or a veteran who was discharged or released under conditions other than dishonorable at any time during the five-year period prior to the date the eligible employee takes FMLA leave to care for the covered veteran, and who is undergoing medical treatment, recovery, or therapy for a serious injury or illness. (1)

Benefits & Protections

During FMLA leave, the employer must maintain the employee's health coverage under any "group health plan" on the same terms as if the employee had continued to work. Upon return from FMLA leave, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

Use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

Eligibility Requirements

Employees are eligible if they have worked for a covered employer for at least 12 months, have 1,250 hours of service in the previous 12 months (2), and if at least 50 employees are employed by the employer within 75 miles.

(1) The FMLA definitions of "serious injury or illness" for current servicemembers and veterans are distinct from the FMLA definition of "serious health condition".

(2) Special rules may apply for FMLA-eligible employees who contribute to business in the "airline flight crew employee" category.

Definition of Serious Health Condition

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves either an overnight stay in a medical care facility, or continuing treatment by a health care provider for a condition that either prevents the employee from performing the functions of the employee's job, or prevents the qualified family member from participating in school or other daily activities.

Subject to certain conditions, the continuing treatment requirement may be met by a period of incapacity of more than 3 consecutive calendar days combined with at least two visits to a health care provider or one visit and a regimen of continuing treatment, or incapacity due to pregnancy, or incapacity due to a chronic condition. Other conditions may meet the definition of continuing treatment.

Use of Leave

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the employer's operations. Leave due to qualifying exigencies may also be taken on an intermittent basis.

Substitution of Paid Leave for Unpaid Leave

Employees may choose or employers may require use of accrued paid leave while taking FMLA leave. In order to use paid leave for FMLA leave, employees must comply with the employer's normal paid leave policies.

Employee Responsibilities

Employees must provide 30 days advance notice of the need to take FMLA leave when the need is foreseeable. When 30 days' notice is not possible, the employee must provide notice as soon as practicable and generally must comply with an employer's normal call-in procedures.

Employees must provide sufficient information to the employer for determining if the leave may qualify for FMLA protection and for calculating the mounting and duration of the leave. Sufficient information may include that the employee is unable to perform job functions; the family member is unable to perform daily activities, the need for hospitalization or continuing treatment by a health care provider; or circumstances supporting the need for military leave. Employees also may be required to provide a certification and periodic recertification supporting the need for leave.

Employer Responsibilities

Covered employers must inform employees requesting leave whether they are eligible under FMLA. If they are, the notice must specify any additional requirements including as well as the employees' rights and responsibilities. If they are not eligible, the employer must provide a reason for the ineligibility.

Covered employers must inform employees if leave will be designated as FMLA-protected and the amount of leave counted against the employer's leave entitlement. If the employer determines that the leave is not FMLA protected, the employer must notify the employee.

Unlawful Acts by Employers

FMLA makes it unlawful for any employer to:

• Interfere with, restrain, or deny the exercise of any right provided under FMLA;
• Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Enforcement

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family or medical leave rights.

FMLA section 109 (29 U.S.C. § 2619) requires FMLA covered employers to post the text of this notice. Regulations 29 C.F.R. § 825.300(a) may require additional disclosures.

UNIFORMED SERVICES EMPLOYMENT & REEMPLOYMENT RIGHTS ACT NOTICE OF 1994, NOTICE OF RIGHT TO CONTINUED COVERAGE UNDER USERRA

Right to Continue Coverage

Under the Uniformed Services Employment & Reemployment Rights Act of 1994 (USERRA), you (the employee) have the right to continue the coverage that you (and your covered dependents, if any) had under the Company Medical Plan if the following conditions are met:

• You are absent from work due to service in the uniformed services (defined below);
• You were covered under the Plan at the time your absence from work began; and
• You (or an appropriate officer of the uniformed services) provided your employer with advance notice of your absence from work (you are excused from meeting this condition if compliance is precluded by military necessity or is otherwise impossible or unreasonable under the circumstances).

How to Continue Coverage

If the conditions are met, you (or your authorized representative) may elect to continue your coverage (and the coverage of your covered dependents, if any) under the Plan by completing and returning an Election Form 60 days after date that USERRA election notice is mailed, and by paying the applicable premium for your coverage as described below.

What Happens if You do not Elect to Continue Coverage?

If you fail to submit a timely, completed Election Form as instructed or do not make a premium payment within the required time, you will lose your continuation rights under the Plan, unless compliance with these requirements is precluded by military necessity or is otherwise impossible or unreasonable under the circumstances.

If you do not elect continuation coverage, your coverage (and the coverage of your dependents, if any) under the Plan ends effective the end of the month in which you stop working due to your leave for uniformed service.

Premium for Continuing Your Coverage

The premium that you must pay to continue your coverage depends on your period of service in the uniformed services. Contact Human Resources for more information.

Length of Time Coverage Can Be Continued

If elected, continuation coverage can last 24 months from the date on which employee's leave for uniformed service began. However, coverage will automatically terminate earlier if one of the following events takes place:

• A premium is not paid in full within the required time; or
• You fail to return to work or apply for reemployment within the time required under USERRA (see below) following the completion of your service in the uniformed services; or
• You lose your rights under USERRA as a result of a dishonorable discharge or other conduct specified in USERRA.

Reporting to Work / Applying for Reemployment

Your right to continue coverage under USERRA will end if you do not notify Human Resources of your intent to return to work within the timeframe required under USERRA following the completion of your service in the uniformed services by either reporting to work (if your uniformed service was for less than 31 days) or applying for reemployment (if your uniformed service was for more than 30 days). The time for returning to work depends on the period of uniformed service, as follows:

Period of Uniformed Service | Report to Work Requirement
---|---
Less than 31 days | The beginning of the first regularly scheduled work period on the day following the completion of your service, after allowing for safe travel home and an eight-hour rest period, or if that is unreasonable or impossible through no fault of your own, then as soon as is possible
31 - 180 days | Submit an application for reemployment within 14 days after completion of your service or, if that is unreasonable or impossible through no fault of your own, then as soon as is possible
181 days or more | Submit an application for reemployment within 90 days after completion of your service

Any period if for purposes of an examination for fitness to perform uniformed service | Report by the beginning of the first regularly scheduled work period on the day following the completion of your service, after allowing for safe travel home and an eight-hour rest period, or if that is unreasonable or impossible through no fault of your own, then as soon as is possible

Any period if you were hospitalized for or are convalescing from an injury or illness incurred or aggravated as a result of your service | Report or submit an application for reemployment as above (depending on length of service period) except that time periods begin when you have recovered from your injuries or illness rather than upon completion of your service. Maximum period for recovery is limited to two years from completion of service but may be extended if circumstances beyond your control make it impossible or unreasonable for you to report to work within the above time periods

Definitions

For you to be entitled to continued coverage under USERRA, your absence from work must be due to "service in the uniformed services."

• "Uniformed services" means the Armed Forces, the Army National Guard, and the Air National Guard when an individual is engaged in active duty for training, inactive duty training, or full-time National Guard duty (i.e., pursuant to orders issued under federal law), the commissioned corps of the Public Health Service, and the armed forces of the Category of persons designated by the President in time of war or national emergency

• "Service in the uniformed services" or "service" means the performance of duty on a voluntary or involuntary basis in the uniformed services under competent authority, including active duty, active and inactive duty for training, National Guard duty under federal statute, a period for which a person is absent from employment for an examination to determine his or her fitness to perform any of these duties, and a period for which a person is absent from employment to perform certain funeral honors duty. It also includes certain service by intermittent disaster response appointees of the National Disaster Medical System (NDMS).
HIPAA PRIVACY NOTICE

Notice of Health Information Privacy Practices

This notice describes how medical information about you may be used and disclosed, and how you can obtain access to this information. Please review it carefully.

This notice is EFFECTIVE: January 1, 2022

This notice is required by law under the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA) and is intended to provide information about the legal protections that apply to your health information. HIPAA includes numerous provisions that are designed to maintain the privacy and confidentiality of your Protected Health Information (PHI). PHI is health information that contains identifiers such as your name, address, social security number, or other information that identifies you and information related to your past, present or future health condition and treatments.

This notice is for participants in the Company Health & Welfare Plan (referred to as the “Plan”), including its component plans.

Required by Law

- The Plan must make sure that health information that identifies you is kept private.
- The Plan must give you this notice of our legal duties and privacy practices with respect to health information about you.
- The Plan must obtain written authorization from you for the use and disclosure of your PHI related to psychotherapy notes; when for purposes of marketing; and/or for disclosures constituting a sale of PHI.
- The Plan must follow the terms of the notice that are currently in effect.

Permitted Plan use of Your Health Information

For certain health information, you can tell us your choices about what we share. If you have a clear preference for how we share your information in the situations described below, contact the Plan Privacy Officer.

You have both the right and choice to tell us: share information with your family, close friends, or others involved in payment for your care; share information in a disaster relief situation; and contact you for fundraising efforts.

If you are not able to tell us your preference, for example if you are unconscious, the Plan may go ahead and share your information if it believes it is in your best interest. The Plan may also share your information when needed to lessen a serious and imminent threat to health or safety.

The Plan will never share your information unless you give us written permission for: marketing purposes and the sale of your information.

Treatment: The Plan may use your health information to assist your health care providers (doctors, pharmacies, hospitals and others) to assist in your treatment. For example, the Plan may provide a treating physician with the name of another treating provider to obtain records or information needed for your treatment.

Regular Operations: We may use information in health records to review our claims experience and to make determinations with respect to the benefit options that we offer to employees. We may also use and disclose information to run our organization and contact you when necessary, if PHI is used or disclosed for underwriting purposes, the Plan is prohibited from using or disclosing any of your PHI that is genetic information for such purposes. The Plan is also not allowed to use genetic information to decide whether we will give you coverage and the price of that coverage. This does not apply to long term care plans.

Payment for Health Services and Administration of the Plan: The Plan can use and disclose your health information when paying for your health services. For example, the Plan may share information about you with your dental plan to coordinate payment for your dental work. The Plan may disclose your health information to your health plan sponsor for plan administration. For example, where your company contracts with an insurer to provide a health plan, and the Plan provides your company with certain statistics to explain the premiums charged.

Business Associates: There are some services provided in our organization through contracts with business associates. Business associates with access to your information must adhere to a contract that requires compliance with HIPAA privacy rules and HIPAA security rules.

As Required by Law: We will disclose health information about you when required to do so by federal, state or local law (this includes the Department of Health and Human Services if it wants to see that the Plan is complying with federal privacy law).

To Respond to Organ and Tissue Donation Requests and Work with a Medical Examiner or Funeral Director: You may share health information about you with organ procurement organizations; and may share health information with a coroner, medical examiner, or funeral director when an individual dies.

Workers’ Compensation: We may release health information about you for workers’ compensation programs or claims or similar programs. These programs provide benefits for work-related injuries or illnesses.

Law Enforcement and other Government Requests: We may disclose your health information for law enforcement purposes or with a law enforcement official, in response to a valid subpoena or other judicial or administrative request/order, with health oversight agencies for activities authorized by law, or for special government functions such as military, national security, and presidential protective services.

Public Health and Research: We may also use and disclose your health information to assist with public health activities (for example, reporting to a federal agency) or health oversight activities (for example, in a government investigation). Additionally we may share health information about you when: preventing disease; helping with public recalls; reporting adverse reactions to medications; reporting suspected abuse, neglect, or domestic violence; preventing or reducing a serious threat to anyone’s health or safety or for purposes of health research.

Your Rights Regarding Your Health Information

Although your health record is the physical property of the entity that compiled it, the information belongs to you. You have the right to:

- Request a restriction on certain uses and disclosures of your information where concerning a service already paid for.
- Obtain a paper copy of the notice of health information practices promptly (even if you have agreed to receive the notice electronically) by requesting it from the Plan Privacy Officer.
- Ask to see or get a copy of your health and claims records and other health information we have about you. We will provide a copy or a summary of your health and claims records, usually within 30 days of your request. We may charge a reasonable, cost-based fee.
- Inspect and obtain a copy of your PHI contained in a “designated record set.” A designated record set includes medical and billing records; enrollment, payment, billing, claims adjudication and case or medical management record systems; or other information used in whole or in part by or on behalf of the Plan or the covered entity to make decisions about individuals. A written request to access your PHI must be submitted to your company Privacy Officer. Requested information will be provided within 30 days if maintained on site or 60 days if maintained off site.
- Request an amendment/correction to your health information; you can ask us to correct your health and claims records if you think they are incorrect or incomplete. We may say “no” to your request, but we’ll tell you why in writing within 60 days.
- Ask us to limit what we use or share. You can ask us not to use or share certain health information for treatment, payment, or our operations. We are not required to agree to your request, and we may say “no” if it would affect your care.
- Obtain an accounting of disclosures of your PHI during the preceding six years, who we shared it with, and why, with the exception of disclosures made for purposes of treatment, payment or health care operations, and certain other disclosures (such as any you asked us to make); made to individuals about their own PHI; or, made through use of an authorization form. A reasonable fee may be charged for more than one request per year.
- Request confidential communications of your health information be sent in a different way (for example, home, office or phone) or to a different place than usual (for example, you could request that the envelope be marked “confidential” or that we send it to your work address rather than your home address). We will consider all reasonable requests, and must say “yes” if you tell us you would be in danger if we do not.
- Revoke in writing your authorization to use or disclose health information except to the extent that action has already been taken, in reliance on that authorization.
- Receive notification within 60 days (5 day for California residents) for any breaches of your unsecured PHI.
- Assign someone as your medical power of attorney or your legal guardian, who can exercise your rights and make choices about your health information. We will make sure the person has this authority and can act for you before we take any action.

Plan Responsibilities

The Plan is required to maintain the privacy of PHI and to comply with the terms of this notice. The Plan reserves the right to change our health privacy practices. Should we change our privacy practices in a material way, we will make a new version of our notice available to you within 60 days of the effective date of any material change to the rights and duties listed in this notice. The Plan is required to:

- Maintain the privacy and security of your health information.
- Make reasonable efforts not to use, share, disclose or request more than the minimum necessary amount of PHI needed to accomplish the intended purpose, unless you tell us we can in writing. If you tell us we can, you may change your mind at any time. Let us know in writing if you change your mind.
- Follow the duties and privacy practices described in this notice with respect to Information we collect and maintain about you and provide you a copy of the notice.
- Abide by the terms of this notice.
- Notify you if you are unable to agree to a requested restriction, amendment or other request.
- Notify you of any breaches of your protected health information that may have compromised the privacy or security of your information within 60 days (5 days for California residents).
- Accommodate any reasonable request you may have to communicate health information by alternative means or at alternative locations.
- The Plan will not use or disclose your health information without your consent or authorization, except as provided by law or described in this notice. The Plan may use or disclose *summary health information* to the plan sponsor for obtaining premium bids or modifying, amending or terminating the Group Health Plan, which summarizes the claims history, claims expenses or type of claims experienced by individuals for whom a plan sponsor has provided health benefits under a Group Health Plan, and from which identifying information has been deleted in accordance with HIPAA. The plan is prohibited from using or disclosing PHI that is genetic information of an individual for any purposes, including underwriting.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.dol.gov/ or call 1-866-444-4884 (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2021. Contact your State for more information on eligibility.

**Paperwork Reduction Act Statement**

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.
