In addition to mastery of CCSS, what are your GATE program goals? (Check All That Apply)

- A stimulating and challenging environment that provides a differentiated curriculum focusing on greater depth, pacing, complexity, and novelty as an integral part of the school day.
- Effective communication and articulation between the school, home and community via EdConnect, e-mail, website, newsletters and brochures.
- Integrated learning experiences through interdisciplinary units.
- Development of skills in using technology.
- Opportunities for students to develop and nurture interpersonal and social skills.
- A comprehensive, research-based staff development program for teachers and parents that supports the academic, social, and emotional needs of advanced learners.
- Service to GATE identified students as well as all students with recognized gifted potential.
- Intentional enrollment of students from under-represented populations within GATE-Cluster classrooms.
- A Site GATE Team made up of the administrator, GATE team leader, teachers, parents, counselors and community members that meets periodically throughout the school year to discuss issues relevant to Gifted Education.
