Suspension Appeals Procedure Checklist

___ At time of suspension meeting between the parent and the principal’s designee, parent is informed by school of option to appeal the suspension by contacting the Placement and Appeal Office (619) 725-5660. This appeal must be in writing using the attached form, which is completed by the parent and/or student. The completed form must be received by the Placement and Appeal Office no later than three weeks after the date of the meeting with the principal or principal’s designee.

___ The Placement and Appeal staff will review the materials submitted by the parent and/or student to determine whether or not the suspension should be upheld, overruled, and/or expunged after a period of time.

___ A copy of the decision will be mailed to the student/parent and school principal informing them of the decision.

NOTE: The most common reasons for overruling a school’s decision to suspend a student are based upon denial of due process to the student and/or parent. Suspensions are generally overruled if the student never had the chance to address the charges, witnesses were not interviewed, parents were not provided a copy of the Report on Suspension within specified timelines, a parent conference was not held, or parents were told erroneous information about appeal possibilities.
