### Attendance Data review
(December 2021 and January 2022)

- **Information Item,** Linda Trousdale, Principal

- **Discussion** - We looked at the data for the combined months of December 2021 and January 2022. Our attendance rate for the last month was 86.04% and year to date attendance is 90.51%. We are not focusing on incentives currently, as scholars must remain out if they have COVID-like symptoms.

Mrs. Trousdale also shared information on the K-12 Decision Tree for K-12 schools and answered some additional questions from the team. We discussed masks, COVID testing and a few other items. Mrs. Trousdale shared that we are well stocked with the PPE that we need at Cadman and that we have been very fortunate in our ability to cover classes.

| **Discussion** | - the SSC reviewed the current budget. Discussed that additional funds were allocated to the school for extra supports for learning loss and health and safety. Mrs. Trousdale shared that we received an extra $1,000.00 in the Discretionary funds because we were one of the sites that had all of our forms turned in.  
| **Voting** | - Discussion took place about needing to realign this budget to cover a negative balance in an account. The realignment is to support literacy acceleration and intervention for scholars with identified needs. The money in the paper line is not needed as the site purchased a large supply of paper last year.  
| | Alexis Croudy made a motion to approve the alignment transfer in the 30100 Title I Basic Program accounts. Monica Morelli seconded the motion. The motion passed. The vote was 9-0 in favor.  
| **Voting** | - Discussion took place that the site is not able to use Visiting Teachers for Professional Development, so it makes sense to move the funds in order to support the literacy intervention supports that are in place. The site is expecting to exit some of the older scholars from the support and include the Kindergarten scholars who are not making adequate progress in literacy. Additional funds would be moved from the Non-Classroom Teacher Hourly line as well to support the scholars and SPSA goals. Benefit dollars would also be realigned.  
| | Cindy Davis made a motion to re-allocate the funds in the 30106 Title I Supplemental Program Improvement accounts. Alexis Croudy seconded the motion. The motion passed. The vote was 9-0 in favor.
