| 4. Budget | ● Action Item: Discuss balances and budget transfers  
  ● Due to the actual salaries of the teachers and a counselor being paid out of LCFF resource 09800 and Title I Funds in resources 30100 and 30106 (vs what was budgeted at average salaries), there is a significant amount of money leftover. It was discussed that it could be used to have a teacher(s) work during prep periods for the remainder of the year for support class(es), or possibly fund an additional 2 days of a counselor. Currently Challenger pays for 3 days of a counselor out of Title I resources 30100 and 30106. The budget department confirmed that it would be possible to fund an additional 2 days |
