<td></td>
<td>Students took the survey prior to the Thanksgiving break. 713 students participated. The purpose of the survey is to get a snapshot of how students feel about school, offer a voice to students, and how to better support our students. The questions in the survey ranged from: Adjustment to the School Year Workload Connection to School School Community It was suggested by SSC members for future surveys to break down the survey by grade level and subject in order to narrow down where students are concerned about homework load and other areas so that we can be proactive in addressing students’ concerns.</td>
