

## Chieftains For Life.

When you become an active member of the Chieftain Alumni Association, you are showing your pride as a part of Clairemont High School and the greater Clairemont community.

Additionally, Clairemont hosts alumni sponsored events each year including:

- Homecoming
- Class reunions
- Networking events
- And more....

Directly supporting current students is also an important part of the Alumni Association. Chieftain alumni can contribute to the school in a number of ways, including:

- Student mentorships
- Assistance with student recruitment
- Campus tour guides
- Volunteering at social and athletic events
- Donations – monetary and in-kind
- Assisting with website updates, Clairemont Cluster activities, and more

To add class reunion and class representative information to the website, contact Martha Corrales at [mcorrales1@sandi.net](mailto:mcorrales1@sandi.net).
