

## COVID TESTING - Students

Dear Garfield Elementary family:

San Diego Unified has partnered with UC San Diego to provide *FREE* COVID-19 testing at every school campus for all of our students. Testing is an important part of our district's plan to protect our community from the spread of coronavirus.

Our school's scheduled testing day is every other **(Monday from 8:00 am to 10:00 am)** until the last day of school, June 15th.

Participating in this free COVID-19 test requires parent consent. If you would like your child to be tested every other **(Monday)**, please follow these **TWO** steps. You only need to complete this *process* one time.

**Step 1.** Select the [link](#) (QR code provided) for your child's school and schedule an appointment. After you select a time, you can sign into your current UCSD MyChart account or you can check in as a Guest. If you do not have a UCSD MyChart account you can create an account. Please note: test results will be sent directly to the UCSD MyChart accounts.

**Step 2.** Complete **TWO** forms either online or via paper copy: Consent Form and Release of Information(ROI)

- *ONLINE Form:* Fill out the forms electronically via DocuSign:  
[Consent and ROI Form \(English\)](#) | [Consent and ROI Form \(Spanish\)](#)
- *PAPER Copy:* Download the forms and return to the health office. You may pick up a paper copy from the school site.
  - 1) [Consent Form \(English\)](#) | [Consent Form \(Spanish\)](#)
  - 2) [Release of Information Form \(English\)](#) | [Release of Information Form \(Spanish\)](#)

After following these two steps, UCSD will automatically schedule follow up testing appointments every two weeks during our school's assigned time: **(Monday from 8:00 am to 10:00 am)**

Testing is optional. If you would like to learn more about the COVID-19 test, you can read more information [here](#).

If you have questions, please reach out to 619-362-4300.

Sincerely,  
*Ms. Mercy*  
School Principal
