Welcome Everyone...

Parents Back to School Night is September 25th at 6 pm. It's a chance for all parents to visit their kid's classrooms, get to meet the teachers, and mingle with other parents and staff members. It's also an opportunity to find out how to get involved. So please leave the kids at home or with friends for this adult evening. See you there! ☘

Bienvenidos a John Muir, los invitamos a tomar el cafe con otros padres y madres de familia este viernes (20th de Septiembre)...a las 9am en las mesas azules.

New Principal Laura Bellofatto

Have you met our enthusiastic new principal yet? She joins John Muir from Stanley E. Foster Construction Tech Academy at the Kearny High Educational Complex where she served as principal for five years. She has a background in science and is interested in expanding the science programs at John Muir. Mrs. Bellofatto or Mrs. B was born in Argentina but has lived all over. She was asked to share something fun about herself...her reply, "My family gives me tools for Christmas". ☘

New Sheds

Did you notice the two new sheds on campus beyond the library and garden beds? These sheds were purchased with our Lowe's TOOLBOX for EDUCATION grant money. They were put together by parent volunteers and science teacher & archery coach, Vince Stevens, over the summer. ☘

Chargers Champions School Grant

The San Diego Chargers Community Foundation honored this year's Chargers Champions School Grant Program honorees during pregame ceremonies at the Chargers game on September 9th. John Muir is proud to announce we will receive \$45,000 for fencing, a putting green and athletic equipment from the Chargers Community Foundation. Thank you to our dedicated teachers and staff for submitting this grant. ☘
