

Gifted and Talented Education

A Short Guide to the GATE Cluster Program

Program ♦ Student Grouping Models ♦ Resources

GATE CLUSTER:

Students who meet the multi-criterion standards are identified as a GATE Cluster students. This includes a score in the ability range greater or equal to two standard deviations above the mean, high academic achievement, and show characteristics of Gifted students. These students differ from their age peers in that they generally show advanced comprehension, a faster pace of learning, and an ability to handle greater depth and complexity in their learning. These students need challenge by changing the regular curriculum through pace or presentation. They require program differentiation of core subjects in content, process or product in order to realize their learning potential.
