

Mission Bay High School
School Site Council Meeting
December 2, 2021
Via Zoom and in-person

Meeting called to order at 7:31 am.

In attendance: Erin Leszynski, Tracy Borg, Nestor Suarez, Mariana Balestreri, Caroline Karoczkai, April Tarez, Lauren Filamore, John Keast, Christine Pilger, Faydra Pelot, Olivia Grebing (student rep), Michelle Platero, and Lily Higman.

1. Approval of Minutes: Tracy moved to approve minutes from 10/7/21; Christine Pilger 2nd. Motion passed.
2. Mr. Nestor Suarez, Interim Vice Principal, presented on the Comprehensive School Safety Plan (CSSP). SSC will be involved in this plan in the future. Because of COVID, the plan has been minimally modified from the plan we approved two years ago. The Site Emergency Response Plan (SERP) has been submitted to the Police and there is a copy on file on campus. If anyone wants a hard copy of the Criterion and the presentation, please ask Erin/Tracy. It will also be in the office. If anyone has input, please let Erin and Mr. Suarez know.
3. Mr. Suarez also provided information on the ELAC Committee – committee of parents who have English learners. Need 21 people to make a committee. Tasked with reclassification, testing, how students are taught in the classroom, look at data, etc. There is not a ELAC team currently. Reclassification Follow-up: Students identified to be reclassified will have their grades checked and if they have passing grades in all areas, they are deemed reclassified. Any student that has one failing grade is marked unacceptable and a conference is scheduled. Looking at this information now. Will have a report on Dec. 17.
4. Roundtable: Mr. Keast mentioned that the cameras were not working during the fight last week. Erin noted that this was a District wide issue with the cameras, and they have moved us to a new server and all cameras should be working.

Called meeting to close on 8:16.
