Taking i21 to the Next Level
Internet Access

Internet access is necessary for completing some course curriculum. Students will be provided a list of Hot Spots in the neighborhood that provide free internet access.
Acessing the Internet... Outside of school

Public Libraries
Public Schools
Public Parks (some)
Coffee houses (Ex: Starbucks)
Restaurants (McDonalds)
Secure Vs. Non Secure Browser

Browser security is the application of Internet security to web browsers in order to protect networked data and computer systems from breaches of privacy or malware.
Keeping your Laptop Safe

• Laptops do not come out during lunchtime. You will leave your device in your period 4 class and get it after lunch before going to period 5. You still get a 5 minute passing period.
• Unattended laptops will be taken to the front office.
• Students may only use the laptops for school business. Music, downloads, and inappropriate websites are not allowed and may result in losing computer privileges.

Caring for your Yoga 11e

Do Not eat or drink near your laptop!

Compliments of Pershing Middle School
Keep track of your Yoga 11e

Carry your computer with both hands or handle.

Do not leave your computer unattended!
Cleaning your Yoga 11e

DO NOT use soap and water!

USE a microfiber towel or lint-free cloth!

Compliments of Pershing Middle School
The Importance of Charging

• Students must charge their netbooks every night to ensure they are ready for school the next day
• Students must bring their devices to school EVERYDAY
Follow the Acceptable Use Policy

Remember that you must follow the AUP or your device usage may be restricted.

The only "games" that should be played are academic games approved by your teachers.

LOAN PERIOD: 2015-2016 School Year

TERMS OF LOAN: The equipment described above is the sole property of the San Diego Unified School District (SDUSD) and the school site. It is to be used for school-related work ONLY, such as accessing classroom instruction and related materials. Said equipment is to be returned at the conclusion of the loan period above, or as requested by the school site staff.

PARENT/GUARDIAN (& STUDENT) ACCEPTANCE OF EQUIPMENT: I understand that the equipment listed above will be sent home with my child in good working condition. My child and I are personally responsible for its care and use, and will report any problems immediately to a teacher or Administrator. My child will return all equipment in good working condition, or I will pay for all repair or replacement costs. All content, including downloads, browser history, and hard drive can be reviewed at any time and contents must be entirely school related. I understand that my child may be without a netbook while it is being repaired.

Expectations:

☐ All content including downloads, browser history, and hard drive can be reviewed at any time and contents must be entirely school related. I will use my device for school work ONLY.

☐ Internet access is necessary for completing some course curriculum. School of attendance will provide adequate computer access if student does not have Internet access at home.

☐ Although the district has an Internet safety plan in place, I am expected to notify my teacher whenever I come across information or messages that are inappropriate, dangerous, threatening, or make me feel uncomfortable.

☐ If I have identified or know about a security problem, I am expected to convey the details to my teacher without discussing it with other students.

☐ I will follow existing copyright laws, and if I don’t know the law(s), I will ask my teacher for clarification.
Remember...

- Report problems immediately
- Devices are expected to be returned in good condition
- Report loss or theft immediately
- Students are to bring their devices, charged each day.
- Internet access may be needed to complete some assignments. A list of internet access points (Hot Spots) in the neighborhood will be provided, along with resources for families regarding starting up low-cost internet access at home.
