in front of the car

in the tub
between the hen and the frog

behind the train
next to the rabbit

over the drum
below the airplane

on the horse
beside the dinosaur

behind the ship
on the dragon

under the helicopter
between the clown and the monkey

in front of the rocket
in the balloon

above the blocks
Here are some alternate text images. Just cut and paste if you want to teach a simpler set of prepositions with just one of each synonym pair (beside/next to), (above/over), and (under/below).

next to the dinosaur

over the blocks

under the airplane

above the drum

down below the helicopter

beside the rabbit
