Identifying left and right: Read each sentence, directing your child to circle the appropriate picture. Have your child hold the pencil only in his dominant hand, reaching across his body if needed.

Circle the flower on the left.

Circle the cup on the right.

Tip for parents: Use positional words when possible. For example, “Please put the book on the table and the ball in the basket” instead of, “Please put the book and the ball away.”

Why keep the fun all to yourself? Please feel free to share this worksheet with friends.
