Dear Parent or Business Partner,

Point Loma High School Theatre & Dance Company is happy to present the production, **UNbroken: A Dance Concert** on three nights: **Thursday, Friday and Saturday, March 16, 17, 18 at 7pm** in the *Larry Zeiger Performing Arts Center* at Point Loma High School. These performances are showcasing the many talented PLHS dancers and tech crew involved in our program. It will be an evening of amazing entertainment, but we need *your* support to be a success!

Our mission is to inspire young adults through imaginative and creative thinking to perform on stage. All proceeds from donations will go directly to benefit students in PLHS Theatre & Dance Company through fostering and inspiring youth in performance, develop their training through professional teaching artists, and educating students in professional performance. **As a performing arts program with ZERO funding from San Diego Unified School District, we are in need of your financial support to support our program.**

PLHS Theatre & Dance Company looks to our community to join them in their individual and collective missions through support whether it's attending a performance, donating money or items for Opportunity Drawing, helping with concession or feed-our-cast & crew donations, or just spreading the word regarding our upcoming performance. **We would love to extend you an invitation to our performance of UNbroken!**

Please consider a donation to support our program.
