Subject: Happy Thanksgiving and Meals for This Week and Next!

Hello Riley, Marcy and New Dawn Families,

We are getting closer to Thanksgiving! I am so thankful for our students, staff and school community. This week, all students will be participating in Thankful Spirit Events! Please remember, there is no school next week, Nov. 23rd-27th. If your family is need of food or hygiene items, please email me at pbusch@sandi.net so our school can assist you with items from our Food and Hygiene Bank- we are happy to help our families in need! We know times are tough so don't hesitate to reach out.

UPDATE FROM THE DISTRICT'S FOOD SERVICES:

- Here is next week's [Extra Grocery Item Schedule for Week of 11/16-11/20](#) from Feeding San Diego, the San Diego Food Bank and the USDA that contains shelf-stable grocery items, or fresh produce, or a mix of both.
- Boxes are limited in quantity and families are encouraged to arrive early in the distribution time (12p.m.-2p.m).
- Thanksgiving Week Meals will be available at 34 Curbside Grab n' Go Meal Locations on 11/23 & 11/24
- Please see [this flyer](#) . Any site not listed will be closed for Thanksgiving week and all meal pick-up locations will resume regular curbside service on 11/3.

Many thanks to you for all your support in your child's education,

Pamela Busch, Principal
