Student Announcements

The UCHS Football team would like to invite all UC Cluster students to tomorrow's football game against San Bernardino powerhouse Yucaipa, at 7:00, which is the annual community and military appreciation night. If students wear a football team jersey they will be asked to join the UCHS Football team as they run through the tunnel onto the field at the start of the game.

Did you know that next week is banned book week? Banned Book Week is an annual event celebrating the freedom to read. What is a banned Book? It is a form of censorship, occurs when private individuals, government officials, or organizations remove books from libraries and school reading lists. Standley students are encouraged to come to the library to check out and read books that have been banned or challenged in the past and practice the freedom to read books that some consider unacceptable for school libraries.

The COVID Testers are here!

Please take a second to look at your passes and take mental note of your assigned testing time slot.

Have a **Fast Friday!**
