#### Data Review
- **Bill Pearson, Principal**
  - Attendance
  - Suspensions
  - Non-qualified list based on Academic and Citizenship GPA
  - 8th promotion eligibility

  **Attendance** – Currently at 95.8% with 6th doing the best and 8th doing the worst. Down from last year but higher than all but one middle school.

  **Suspensions** – Reviewed behavior data comparison between the last full year 18/19 and this school year. 18/19 412 vs. 21/22 183. Drastic reduction in suspension related offenses. New policy is about restoration, education, and mediation. Data showed how actions have changed from punitive to restorative.

  - Non-qualified list based on Academic and Citizenship GPA – 2.0 Academic and 2.0 Citizenship is the cutoff. This is a motivational tool for students to control behavior. There are 109 students on the list: 28 are ineligible for after school field trips because of citizenship. The rest are ineligible for during school time field trips because of academic grades. 8th graders have been counseled on how to get off this list so they can participate in promotion and its related activities.

  - The promotion no-go list is 54 students. All have been notified and offered the appeal process. Most will appeal with corrected grades and behavior to attend.

  - The team reviewed the LCFF and Title 1 SPSA evaluations and discussed what worked, what didn’t and suggested modifications to budget/strategy for next SPSA.
