

Are you into Anatomy, Meteorology or Forestry ?

Does building an elastic-launched glider or a mouse trap powered car sound cool?

Do you want to explore science while having FUN?

Then you should join Marshall's **SCIENCE OLYMPIAD** Team!

	<p>All science loving students and their parents if you are interested please submit this form <u>Marshall Middle Science Olympiad 2022-2023</u></p>	
--	---	--

What is Science Olympiad???

- Science Olympiad is a nationwide competition where students participate in different science events, competing against other schools.
- An opportunity to participate and compete in team events in the areas of science, engineering and technology.
- Each student will compete in 3 or 4 events, which could be a mix of build type events or study events. see this link for more info : [Event list 2023](#)
- Practices are held once a week for each event, starting from September/October ending in the Regional competition in February (dates TBD).
- For more info feel free to contact us at marshallmiddlescioly@gmail.com
