Math: Making Sense of Word Problems

Morning or Evening Session

San Diego Unified’s Family Engagement Department and the Elementary Math Department will present a math workshop for grades Pre K – 5th to help families learn about a specific method their students are using to solve math word problems.

This method focuses on making sense of a situation or problem \textit{BEFORE} jumping in to solve it. We encourage you to bring your children during this Zoom workshop designed for families.

Evening Session

\textbf{Monday, December 6th}

5:30pm – 6:30pm

\textbf{Join Zoom Meeting:}
