

UNWANTED PAINT

Best Management Practices At PPO

REUSE/RECYCLE

- **Separate unwanted paint that can be sent out for auction**
- **Leftover paint that is determined to be waste should be loose packed in paint waste storage container**
- **Consolidate 5 gal pails**
- **Mixed paints; latex or oil based can be packed together**
- **Thinners or other products with paint can also be packed together**
- **Keep paint that contains mercury separate from other paint**
- **Contact the Safety Office for assistance**

Don't leave paint containers
In the waste storage area
