**Date:** September 12, 2008  
**To:** Senior High School Principals; Chief/High School Improvement Officers  
**Subject:** 2008-2009 UNIVERSITY OF CALIFORNIA 'A-G' COURSE LIST  
UPDATE

**Department and/or  
Persons Concerned:** Senior High School Principals and Head Counselors

**Due Date:** September 22, 2008

**Action Requested:** Submit final changes and corrections to 2008-09 UC 'a-g' lists

**Brief Explanation:**

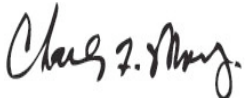

The University of California (UC) requires schools and/or districts to update their existing list(s) of certified 'a-g' courses so that they accurately reflect each site's course offerings for the current school year. The responsibility for updating district high schools' 'a-g' lists lies with the Research and Evaluation Division (RED) and is done through a districtwide submission. This circular contains important information about this year's update process.

**Final changes and corrections to high schools' 2008-09 UC lists must be submitted to Karen Wilson by Monday, September 22, to be included in this year's districtwide submission.** This is the last opportunity for sites to add or delete courses from their 2008-09 lists, and to submit new courses for 'a-g' certification. This year, it is particularly important that sites verify the status of the AP courses on their UC lists to ensure they have all been audit approved and are on the school's official 2008-09 AP course ledger. AP courses on schools' 'a-g' lists that have not been audit approved will be removed by the UC.

If you have questions regarding your school's UC 'a-g' list or the audit status of your AP courses, please contact Karen Wilson at [kwilson2@sandi.net](mailto:kwilson2@sandi.net) or (619) 725-7182.
