

GETTING STARTED WITH POWERSCHOOL PARENT PORTAL

The PowerSchool Parent Portal website offers secure, private access to student information, including assignments, grades, and teacher contact details. Contact your school if you have any questions.

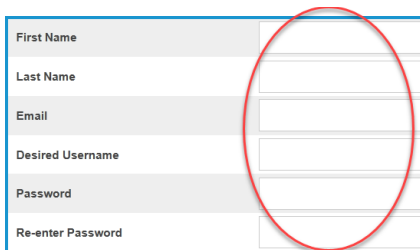

1 First Time Access: Create an Account

1. In your web browser, go to <https://powerschool.sandi.net>
2. Click **Create Account** tab.

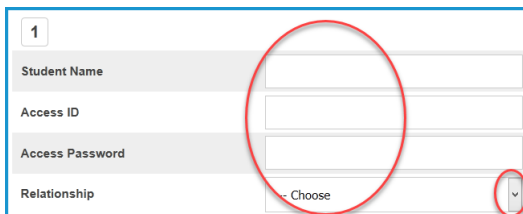

The screenshot shows the PowerSchool website's sign-in page. At the top, there are two tabs: 'Sign In' and 'Create Account'. The 'Create Account' tab is circled in red. Below the tabs are input fields for 'Username' and 'Password'. A link for 'Forgot Username or Password?' and a 'Create an Account: Video Tutorial' link are also visible. A 'Sign In' button is located at the bottom right.

3. Click **Create Account**
4. Enter **your name** and **email**. Add a **username** and **password** for your account. You will use this to sign in.

The screenshot shows a form for creating an account. It includes fields for 'First Name', 'Last Name', 'Email', 'Desired Username', 'Password', and 'Re-enter Password'. A red circle highlights the 'Create Account' button at the bottom right of the form.

5. Enter **student name** and **Access ID** and **Access Password** exactly as they appear in your letter from the school. From the dropdown select **relationship**.

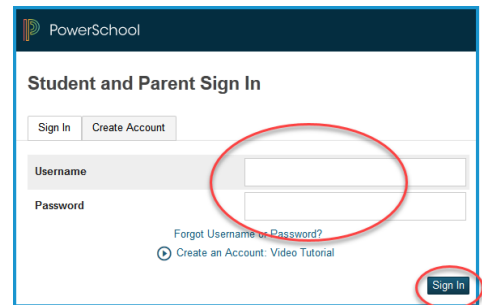

The screenshot shows a form for verifying account information. It includes fields for 'Student Name', 'Access ID', 'Access Password', and 'Relationship'. A red circle highlights the 'Create Account' button at the bottom right of the form.

6. Click **Enter** at the bottom of page.
7. Now sign in to your account using the **username** and **password** you just created.

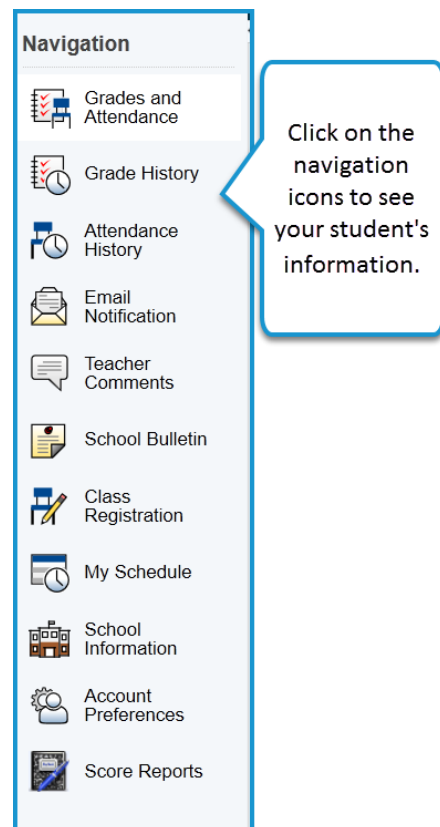

2 Sign In to Your Account

1. After you create an account, go to <https://powerschool.sandi.net>
2. Enter your **username** and **password**.
Click **Sign In**
