### **AMBE FOOD SERVICES 2021/2022 SCHOOL YEAR**

Dear Parent and/or Guardian,

Attached to this letter you will find the Food Services Application.

We are asking parents and/or guardians to pay a flat fee of \$350 for the 2021-2022 school year. We are charging a flat fee to participate in the breakfast and lunch programs and also to be provided with nutritional snacks throughout the year.

We are charging a flat rate of \$150 per child for breakfast and snacks only, for those students that are bringing in a bag lunch daily.

We strive to make this program most economical and affordable for families. Our Food Services Program offers breakfast, lunch and nutritional snacks in all three district schools and is a deficit program. The budget is approximately 700K and collection efforts have only been able to cover 20% of the costs in a good year since the beginning of the program. The actual cost per year per student is \$900. We conduct fundraising to offset the cost for each child.

We feel that the flat fee price is an economical fee for it equates out to approximately \$1.86 per day for breakfast, lunch and a nutritional snack.

We are able to collect the payments through the three AMBE district schools, AMBE administration office, Admin 1 in the finance office and as E-transfer. **If making payment through E-transfer make sure to include the student/students name, school they attend and that it is payment for the Food Services Program. Send to [etransfer@akwesasne.ca](mailto:etransfer@akwesasne.ca)**
