

POLICY SECTION 1018: Smoking By Students

POLICY

The Ahkwesahsne Mohawk Board of Education prohibits students from smoking in school buildings, in vehicles parked on school grounds, and on or near school property during school hours or at school sponsored activities and events.

GUIDELINES

1. The Principal shall ensure that information is provided to students on a regular basis regarding the harmful effects of smoking on personal health.
2. The Principal shall ensure that supervision practices are instituted to ensure that the intent of this policy is adhered to.
3. The Ahkwesahsne Mohawk Board of Education recognizes that students 18 years of age and over are classified as adults. Therefore, the Principal of any school operated by the Board may designate a smoking area outside the school for students 18 years of age and over if such a need should arise.
