

POLICY SECTION 102: Philosophy of Education – Mission Statement and Vision

Mission Statement

The Ahkwesahsne Mohawk Board of Education believes that the focus of all planning and activities must be centered around the education of students. The Board believes in providing opportunities for students to grow and learn through individual and co-operative experiences. The Board also strives to provide opportunities for the continuous development of every student as he or she progresses through our educational programs.

The Board believes education is a partnership and is a shared responsibility of students, parents and the community working together with the Board and its staff. Therefore, the staff supports a process of community-school involvement.

The Board believes that it has responsibility for the revitalization and enhancement of the Mohawk culture and language through out the educational process.

Vision

The Ahkwesahsne Mohawk Board of Education will ensure our Kanien'kéhaka birthright is transmitted through our educational system, and is consistent with Haudenosaunee teachings of:

- Creation Story
- Ohén:ton Karihwatéhkwen
- Kaianerako:wa (Constitution)
- Kariwi:io
- Two Row Wampum
- Wolf Belt (Community Charter)
