

POLICY SECTION 1103: Categories of Exceptionality

POLICY

The Ahkwesahsne Mohawk Board of Education adheres to the currently accepted criteria for categories of exceptionality provided by Indian and Northern Affairs Canada (INAC).

GUIDELINES

1. Each September, the Administration of the Board will establish a Special Education Working Group comprised of one administrator, ISP staff and other support workers as are deemed appropriate. The Working Group will meet throughout the school year to review all special education programs, policies, and procedures, including reviewing the definitions for exceptionality used by the Board when identifying special education students. The Working Group will make recommendations to the Board if any changes are required.
2. INAC provides federal guidelines for funding students with severe to profound special needs through the High Cost Special Education Program. The guidelines are updated annually.
